often ignore it because the lies of this world and Satan are louder in our hearts minds and souls If you dive into this book you will find tough questions about church administration and leadership as well This book will go into the simple church issues and the tough church issues This will help you navigate the lies and deceptions that Satan throws our way and find the truths of God s Word I have been in the trenches of ministry for many years and I want to help others avoid the pitfalls that I have seen or experienced if at all possible Ministry is working with people and when you are dealing with people you will find that things get more challenging than you ever thought If you are working with students you will have to deal with their parents as well and that may prove more challenging than you think If you are working with adults you have a WIDE range of ages and Satan will use these differences to try and separate you all where God wants to bring you all together God wants the church to be focused on the mission and a vision of how to accomplish that mission God wants all parts of the body of the Church to work together to glorify the Lord These are all things that I would like to talk with you about as we journey together in this book I experienced much pain through ministry but what I realized was that that was not what God wanted God wanted me to see that even though people can be cruel God is working God is shaping and molding each one of us to be more Christ like each day if we let Him work Not everyone listens to what the Lord is trying to speak into the very core of their being Some are taking jealousy anger pride lust and all things sinful into their heart instead of being transformed by the Lord Do not let those people stop you from being passionate daily for the Lord Do not give up Do the hard things and love God with every fiber of your being and then act on that every day Because of Christ Cody Adams **60+ Questions to Ask Your Agent Before You List!** Lesley E.
