Annual Report Unesco Institute for Education, 1997 **Changing Men in Southern Africa** Robert Morrell, 2001-08-18 Despite claims that men are in crisis the domestic and public realms of Southern Africa are still dominated by men This examination of modern men aims to show that the power of man is not a fixed concept and that it is not true that all men share the spoils of dominance Rethinking Health Promotion Theodore H. MacDonald, 2012-10-12 In today s world health means far more than merely the absence of illness In Rethinking Health Promotion Theodore H MacDonald sweeps away the confusion surrounding the function and position of health promotion He argues that far from being a modern innovation health promotion has existed as a distinct and separate enterprise for as long as biomedicine and cautions against health promotion becoming organized merely an off shoot of medical care Drawing on the author s experience as a World Health Organisation consultant the book also tackles the question of whether health promotion has relevance on an international scale or whether it is purely a eurocentric phenomenon Against this background individual chapters explore universal factors such as sexual health diet unemployment alcohol and tobacco use With its critical and historical approach this book breaks

new ground in assessing health promotion and will be stimulating reading for the wide variety of students and professionals studying health promotion **Rethinking Widening Participation in Higher Education** Alison Fuller,Sue Heath,Brenda Johnston,2011-04-26 Extending higher education to people from diverse backgrounds and widening participation is a current international priority This study based on empirical data is the first of its kind examining why people choose not to enter higher education **Rethinking LGBTQIA Students and Collegiate Contexts** Eboni M. Zamani-Gallaher,Devika Dibya Choudhuri,Jason L. Taylor,2019-09-20 Rethinking LGBTQIA Students and Collegiate Contexts situates and problematizes identity interaction campus life student experiences and the effectiveness of services programs and policies affecting LGBTQIA college students at both two and four year institutions This volume draws from intersectional and critical perspectives to explore the complex ways in which LGBTQIA identities are shaped discussed and researched in higher education spaces Chapters provide student affairs and higher education scholars with theory and practice perspectives on sociopolitical and historical contexts student learning and development support services and explore how higher education reflects society s pervasive stereotypes and lack of awareness of LGBTQIA students identity development and needs

geographies of justice Rethinking Intelligence Joe L. Kincheloe, Shirley R. Steinberg, Leila Villaverde, 2013-08-21 Arguing that a comprehensive theoretical overhaul of mainstream educational psychology is long overdue Rethinking Intelligence suggests criteria upon which new models can be developed The contributors reconceptualize educational psychology through a democratic vision of inclusivity that takes into account the culturally inscribed nature of research They offer a theoretical and historical critique of how intelligence is measured in ways that exclude or ignore other criteria By doing so they hope to encourage educators and researchers to imagine new forms of intelligence education and life Revisiting Globalization Roopinder Oberoi, Jamie P. Halsall, 2018-06-25 This provocative volume takes an international multidisciplinary approach to understanding globalization and assessing its economic social and environmental effects Representing the Global North and South it addresses important debates stemming from recent political events in the U S and U K the continuing rise of information technology and the constant struggle between corporate interests and the health of the planet The human outcomes of world human rights challenges are considered in the ongoing global narratives of migrants refugees and disabled persons as well as possibilities for greater social equity and integration This expert synthesis takes critical steps to reshape the concept of globalization from an amorphous mass of objectives and initiatives to a forward looking model of clarity and balance Included in the coverage Globalization and migration is there a borderless world A comparative assessment of climate policies of top emitters Neo protectionism in the age of Brexit and Trump Working inclusively and redefining social valorization in the globalized world Understanding the strategy of M As in the globalized perspective Reappraisal of social enterprise in a globalized world Revisiting Globalism will be of particular interest to those in the academic field and the statutory and nonprofit sectors whose work deals with teaching social sciences in higher education settings **Umbruch, Bewältigung, Geschlecht** Verena Böll, 2003 **Rethinking the Color Line** Charles A. Gallagher, 2021-12-16 Rethinking the Color Line is a collection of theoretically informed and empirically grounded readings on race and race relations that illustrate how race and ethnicity influence aspects of social life in ways that are often made invisible by culture politics and economics Salud pública de México, 2003 **Same, Different, Equal** Rosemary C. Salomone, 2008-10-01 Although coeducation has been the norm within private and public schools since the 1970s single sex education has staged a comeback in recent years as a means of addressing the academic and social problems faced by some students Single sex education raises controversy on ideological grounds and in 1996 the Supreme Court struck down the all male admissions policy at the Virginia Military Institute in a decision that has cast a legal cloud over public initiatives In this timely book Rosemary Salomone offers a reasoned educational and legal argument supporting single sex education as an alternative to coeducation particularly in the case of disadvantaged minority students Salomone examines the history of women s education and exclusion philosophical and psychological theories of sameness and difference findings on educational achievement and performance the research evidence on single sex schooling and the legal questions that have

arisen Correcting many of the current misconceptions about single sex education she argues that it is a viable option and that the road to gender equality should be paved with diverse educational opportunities for all students regardless of race class or gender
