Qui sont les leaders congolais? Pierre Artigue (spécialiste du Congo.),1960 *Qui sont les leaders congolais?* ,1961

The Congo from Leopold to Kabila Georges Nzongola-Ntalaja,2013-10-10 The people of the Congo have suffered from a particularly brutal colonial rule American interference after independence decades of robbery at the hands of the dictator Mobutu and periodic warfare which continues even now in the East of the country But as this insightful political history makes clear the Congolese people have not taken these multiple oppressions lying down and have fought over many years to establish democratic institutions at home and free themselves from foreign exploitation indeed these are two aspects of a single project Professor Nzongola Ntalaja is one of his country s leading intellectuals and his panoramic understanding of the personalities and events as well as class ethnic and other factors make his book a lucid radical and utterly unromanticized account of his countrymen s struggle His people s defeat and the state s post colonial crisis are seen as resulting from a post independence collapse of the anti colonial alliance between the masses and the national leadership This book is essential reading for understanding what is happening in the Congo and the Great Lakes region under the rule of the late President Kabila and now his son It will also stand as a milestone in how to write the modern political history of Africa *Congo 1964* Jules Gerard-Libois,Benoit Verhaegen,2015-12-08 This is the sixth in an annual series of Congolese documents that have been compiled but this is the first time that they are available in French with an English introduction Originally published in 1966 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Politics in Congo* Crawford Young,2015-12-08 The process of decolonization the development of the nationalist movement and the salient aspects of the emerging post independence policy in the Congo since 1954 are studied Special emphasis is given to the forces set loose by the Leopoldville explosion Originally published in 1965 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Political Awakening in the Congo* Rene Lemarchand,2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was

D. Fage, Roland Anthony Oliver, Michael Crowder, 1975 The eighth and final volume of The Cambridge History of Africa covers the period 1940 75 It begins with a discussion of the role of the Second World War in the political decolonisation of Africa Its terminal date of 1975 coincides with the retreat of Portugal the last European colonial power in Africa from its possessions and their accession to independence The fifteen chapters which make up this volume examine on both a continental and regional scale the extent to which formal transfer of political power by the European colonial rulers also involved economic social and cultural decolonisation A major theme of the volume is the way the African successors to the colonial rulers dealt with their inheritance and how far they benefited particular economic groups and disadvantaged others The contributors to this volume

Mazanza Kindulu,2009-05-01 En 2006 la RDC tenait des leçons générales qui ont remodelé son paysage politique De nombreux jeunes ont fait leur apparition forts de l'assurance que confère le suffrage universel C'est cet chantillon des cadres et dirigeants congolais qui constitue la trame de ce livre Le récit jette un nouvel éclairage sur les itinéraires quelquefois sinueux des cadres congolais et permet ainsi de mieux cerner travers les différents parcours les mutations opérées au cours de l'histoire récente de la RDC **The Lumumba Plot** Stuart A. Reid,2024-11-05 The New York Times Book Review Editors Choice A spellbinding work of history that reads like a Cold War spy thriller about the U.S. sanctioned plot to assassinate the democratically elected leader of the newly independent Congo A BEST BOOK OF THE YEAR The New Yorker The Economist Financial Times This is one of the best books I have read in years gripping full of colorful characters and strange plot twists Fareed Zakaria CNN host It was supposed to be a moment of great optimism a cause for jubilation The Congo was at last being set free from Belgium one of seventeen countries to gain independence in 1960 from ruling European powers At the helm as prime minister was charismatic nationalist Patrice Lumumba Just days after the handover however the Congo's new army mutinied Belgian forces intervened and Lumumba turned to the United Nations for help in saving his newborn nation from what the press was already calling the Congo crisis Dag Hammarskjöld the tidy Swede serving as UN secretary general quickly arranged the organization's biggest peacekeeping mission in history But chaos was still spreading Frustrated with the fecklessness of the UN and spurned by the United States Lumumba then approached the Soviets for help an appeal that set off alarm bells at the CIA To forestall the spread of Communism in Africa the CIA sent word to its station chief in the Congo Larry Devlin Lumumba had to go Within a year everything would unravel The CIA plot to murder Lumumba wouldizzle out but he would be deposed in a CIA backed coup transferred to enemy territory in a CIA approved operation and shot dead by Congolese assassins Hammarskjöld too would die in a mysterious plane crash en route to negotiate a ceasefire with the Congo's rebellious southeast And a young ambitious military officer named Joseph Mobutu who had once sworn fealty to

Lumumba would seize power with U S help and misrule the country for more than three decades For the Congolese people the events of 1960 61 represented the opening chapter of a long horror story For the U S government however they provided a playbook for future interventions

Death in the Congo Emmanuel Gerard, Bruce Kuklick, 2015-02-10 Death in the Congo is a gripping account of a murder that became one of the defining events in postcolonial African history It is no less the story of the untimely death of a national dream a hope filled vision very different from what the war ravaged Democratic Republic of the Congo became in the second half of the twentieth century When Belgium relinquished colonial control in June 1960 a charismatic thirty five year old African nationalist Patrice Lumumba became prime minister of the new republic Yet stability immediately broke down A mutinous Congolese Army spread havoc while Katanga Province in southeast Congo seceded altogether Belgium dispatched its military to protect its citizens and the United Nations soon intervened with its own peacekeeping troops Meanwhile behind the scenes both the Soviet Union and the United States maneuvered to turn the crisis to their Cold War advantage A coup in September secretly aided by the UN toppled Lumumba s government In January 1961 armed men drove Lumumba to a secluded corner of the Katanga bush stood him up beside a hastily dug grave and shot him His rule as Africa s first democratically elected leader had lasted ten weeks More than fifty years later the murky circumstances and tragic symbolism of Lumumba s assassination still trouble many people around the world Emmanuel Gerard and Bruce Kuklick pursue events through a web of international politics revealing a tangled history in which many people black and white well meaning and ruthless African European and American bear responsibility for this crime

Elles invitent poursuivre toujours plus activement l'étude du développement institutionnel des sociétés africaines. Cet ouvrage s'inscrit dans la série de l'Afrique politique qui est conçue et réalisée depuis 1994 par le Centre d'étude d'Afrique noire de l'Institut d'études politiques de Bordeaux. La formule annuelle a été progressivement remplacée par l'approche thématique. Cette évolution a conduit cette année à l'abandon du millésime mais l'esprit et la manière d'aborder le politique en Afrique s'inscrivent plus que jamais dans la continuité des travaux de l'equipe.
