dollar industry that includes cookbooks kitchen gadgets high end appliances specialty ingredients and more Cooking themed programming flourishes on television inspiring a wide array of celebrity chef branded goods even as self described foodies seek authenticity by pickling preserving and canning foods in their own home kitchens Despite this claims that no one has time to cook anymore are common lamenting the slow extinction of traditional American home cooking in the twenty first century In Look Who s Cooking The Rhetoric of American Home Cooking Traditions in the Twenty First Century author Jennifer Rachel Dutch explores the death of home cooking narrative revealing how modern changes transformed cooking at home from an odious chore into a concept imbued with deep meanings associated with home family and community Drawing on a wide array of texts cookbooks advertising YouTube videos and more Dutch analyzes the many manifestations of

traditional cooking in America today She argues that what is missing from the discourse around home cooking is an understanding of skills and recipes as a form of folklore Dutch s research reveals that home cooking is a powerful vessel that Americans fill with meaning because it represents both the continuity of the past and adaptability to the present Home cooking is about much more than what is for dinner it s about forging a connection to the past displaying the self in the present and leaving a lasting legacy for the future

Dinner with Dad Cameron Stracher,2008-08-19 In a heartwarming insightful memoir a harried working father describes how driven by a lack of communication with his wife a lack of connection with his children and his emphasis on work over family he made the decision to make sure that he would be home at six p m to enjoy a healthy meal with his family five nights a week for the next year Reprint
