on the gazebo are the ones that will forever haunt me Even now I cannot hear the sound of leaves scraping on the sidewalk or the bricks of my apartment without flashing back to the time that we huddled on that old gazebo and that eerie sound of dead leaves and vines added to the sheer terror that I was feeling More than a story of survival this is a tale of good triumphing over evil and one mans battle to make a difference in the lives of children With a new lease on life he now promotes tolerance through education on two continents and tells his remarkable story so that the children will know
