[Ryan's Pride](#) Michael Warren, 2011-09-27. Ryan Jefferson never played a down of college football and when as a walk on at the Lions training camp turned the heads of fans and coaches alike he began a journey of discovery and redemption for the city of Detroit. The 22-year-old kid quarterback with the golden arm and brains to match was thrust into the role of savior for a franchise long mired in futility and ridicule. Martin Schulman, a retired high school janitor befriended by Ryan, is presented with a life-altering opportunity and together they dream of a better society filled with the spirit of integrity, honesty, and personal example for the multitude of disbelievers, the downtrodden, and the destitute of America. A fast-paced action-packed novel with the bone-crushing realism of smash-mouth football combined with a gentle love story of Ryan Jefferson and his high school sweetheart make this an irresistible read. Sprinkled with moments of hilarity, the novel takes the reader on a fun-filled adventure of the lives of an unlikely pride of young Lions. Onto the frozen tundra galloped the Packer horde led by their aging veteran quarterback who took losing at home as a personal insult and an affront on his character. Suddenly the black death poured out from the depths of hell in a seemingly endless flow of human misery known collectively as the Oakland Raiders. The Lions had two opponents in New Orleans: The all-powerful Saints and the mighty Who Dat Nation. **Future Earth**. Mark Alan Lindsley, 2014-08-07. Long ages after the god-like Others unleashed the Genetic Wars that annihilated Old Earth, war is once again threatening to consume the planet, shattering an uneasy peace between the remnant races of that primordial conflict. Kiel, First Commander of the reptilian Eligor Empire, intelligence service is obsessed with seeking out help from the primitive human Protectorate in order to determine why the once benign

insect like Ikonians are suddenly and inexplicably on the rampage and together find a way of stopping them Bishop the human selected to assist Kiel has little love for the Eligor but is forced by the masters of his knightly order to comply with the plea for help due to his unique and prophetic ability to use certain Old Earth technologies Prophecy could finally be fulfilled and order restored to the Protectorate if Bishop is successful Unfortunately the near magical and awesome science of the Others does not give up its secrets easily and whats worse Bishop must journey to the very heart of Ikonian wherein awaits an even greater threat a threat out of time itself and with nothing but a hated reptilian Eligor and an ill bred Wolf bird for company
