## **Realizing Rights Transforming Approaches To Sexual And Reproductive Wellbeing:**

Realizing Rights Andrea Cornwall, Alice Welbourn, 2002 Sexual and reproductive wellbeing has gained recognition as a basic right Yet reality is different as society health programmes and aid agencies are all entrenched in old ways This book portrays a range of examples from around the world Sex in Development Stacy Leigh Pigg, Vincanne Adams, 2005-05-03 Ethnographic studies of the role of sexuality and gender in development discourse and policy *Participatory Learning and Action 50: Critical reflections, future directions* Nicole Kenton, 2004 **IBSS: Sociology: 2002 Vol.52** Compiled by the British Library of Political and Economic Science, 2004-03-01 First published in 1952 the International Bibliography of the Social Sciences anthropology economics political science and sociology is well established as a major bibliographic reference for students researchers and librarians in the social sciences worldwide Key features Authority Rigorous standards are applied to make the IBSS the most authoritative selective bibliography ever produced Articles and books are selected on merit by some of the world s most expert librarians and academics Breadth today the IBSS covers over 2000 journals more than any other comparable resource The latest monograph publications are also included International Coverage the IBSS reviews scholarship published in over 30 languages including publications from Eastern Europe and the developing world User friendly organization all non English titles are word sections Extensive author subject and place name indexes are provided in both English and French Place your standing order now for the 2002 volumes of the the IBSS Anthropology 2002 Vol 48 December 2003 234x156 Hb 0 415 32634 6 195 00 Economics 2002 Vol 51 December 2003 234x156 Hb 0 415 32635 4 195 00 Political Science 2002 Vol 51 December 2003 234x156 Hb 0 415 32636 2 195 00 Sociology 2002 Vol 52 December 2003 234x156 Hb 0 415 32637 0 195 00 **Men and Development** ,2012-09-13 A wide ranging volume featuring contributions from some of today s leading thinkers and practitioners in the field of men masculinities and development Together contributors challenge the neglect of the structural dimensions of patriarchal power relations in current development policy and practice and the failure to adequately engage with the effects of inequitable sex and gender orders on both men s and women s lives The book calls for renewed engagement in efforts to challenge and change stereotypes of men to dismantle the structural barriers to gender equality and to mobilize men to build new alliances with women s movements and other movements for social and gender justice **Beyond Health, Beyond Choice** Paige Hall Smith, Bernice Hausman, Miriam Labbok, 2012-08-15 Current public health promotion of breastfeeding relies heavily on health messaging and individual behavior change Women are told that breast is best but too little serious attention is given to addressing the many social economic and political factors that combine to limit women s real choice to breastfeed beyond a few days or weeks The result women s infants and public health interests are undermined Beyond Health Beyond Choice examines how feminist perspectives can inform public health support for breastfeeding Written by authors from diverse disciplines perspectives and countries this collection of essays is arranged thematically and considers breastfeeding in

relation to public health and health care work and family embodiment specifically breastfeeding in public economic and ethnic factors guilt violence and commercialization By examining women s experiences and bringing feminist insights to bear on a public issue the editors attempt to reframe the discussion to better inform public health approaches and political action Doing so can help us recognize the value of breastfeeding for the public s health and the important productive and reproductive contributions women make to the world *Fertility, Health and Reproductive Politics* Maya

Unnithan,2019-04-05 Set in the context of the processes and practices of human reproduction and reproductive health in Northern India this book examines the institutional exercise of power by the state caste and kin groups Drawing on ethnographic research over the past eighteen years among poor Hindu and Muslim communities in Rajasthan and among development and health actors in the state this book contributes to developing analytic perspectives on reproductive practice agency and the body self as particular and novel sites of a vital power and politic Rajasthan has been among the poorest states in the country with high levels of maternal and infant mortality and morbidity The author closely examines how social and economic inequalities are produced and sustained in discursive and on the ground contexts of family making how authoritative knowledge and power in the domain of childbirth is exercised across a landscape of development institutions how maternal health becomes a category of citizenship how health seeking is socially and emotionally determined and political in nature how the health sector operates as a biopolitical system and how diverse moral claims over the fertile infertile and reproductive body self are asserted contested and often realised A compelling analysis this book offers both new empirical data and new theoretical insights It draws together the practices experiences and discourse on fertility and reproduction childbirth infertility loss in Northern India into an overarching analytical framework on power and gender politics It will be of interest to academics in the fields of medical anthropology medical sociology public health gender studies human rights and sociolegal studies and South Asian studies **Spaces for Change?** Andrea Cornwall,Vera Schatten

Coelho,2007 This book provides a clear and comprehensive introduction to the developments which have brought about a new global wave of inclusiveness and democracy From Brazil to Bangladesh a new form of participatory politics is springing up Featuring contributions detailing how such movements have worked in Latin America Europe and Africa the book analyzes the impact they have had on the democratic process By opening up the political sphere in this way the authors contend these grassroots movements truly have created spaces for change From Population Control To Reproductive Health Mohan Rao,2004 Annotation The SAGE Handbook of Action Research Hilary Bradbury,2015-06-19 The third edition of The SAGE Handbook of Action Research presents an updated version of the bestselling text including new chapters covering emerging areas in healthcare social work education and international development as well as an expanded skills section which includes new consultant relevant materials Building on the strength of the previous landmark editions Hilary Bradbury has carefully developed this edition to ensure it follows in their footsteps by mapping the current state of the

discipline as well as looking to the future of the field and exploring the issues at the cutting edge of the action research paradigm today This volume is an essential resource for scholars and professionals engaged in social and political inquiry healthcare international development new media organizational research and education

**A Feminist Approach to Sensitive Research** Tricia Ong, 2022-12-07 This book explores the development and implementation of the Clay Embodiment Research Method CERM with one of the most stigmatized oppressed and marginalized groups of women in Nepal sex trafficked women It argues for the use of a feminist approach to such research given the prevailing patriarchal norms cultural sensitivity of reproductive health stigmatization of sex trafficking and low literacy of the women involved Beginning with an exploration of the author's relationship with Nepal and the women who guide the study and the realization that a more accessible research approach was needed than the techniques otherwise commonly used it discusses the use of clay and photography as ideal entry points to engaging with the women in the research and creating this ethical methodology for self empowerment Not only does the volume highlight extraordinary insights offered by the women involved in this study through the application of CERM but also the recognition that its use requires expertise that can deal with the potential elicitation of trauma The book makes the case for further study on improving the method's use in research education and therapy involving low literate stigmatized oppressed and marginalized populations particularly where cultural sensitivity is an important consideration A Feminist Approach to Sensitive Research is suitable for students scholars and researchers in Gender Studies Sociology Health Studies Anthropology and Asian Studies

**Development with a Body** Andrea Cornwall, Sonia Correa, Susie Jolly, 2013-07-04 We used to talk about development with a human face We should be talking about development with a body Arit Oku Egbas African Regional Sexuality Resource Centre Nigeria Sex and sexuality have always had a place at the heart of the development agenda from concerns regarding population and environment to practices in education and efforts for protecting reproductive health and rights Yet this agenda has largely focused on negative dimensions of sexuality disease risk violation rather than positive aspects including rights to sexual fulfillment wellbeing and pleasure The shift towards a rights based approach to development has brought the human rights dimensions of sexuality into clearer view and consequently the need to address discriminatory laws and violations of the human rights of those whose sexual identity and practices diverge from dominant sexual orders norms This book offers compelling insights into contemporary challenges and transformative possibilities of the struggle for sexual rights It combines the conceptual with the political and offering inspiring examples of practical interventions and campaigns that emphasize the positive dimensions of sexuality It brings together reflections and experiences of researchers activists and practitioners from Brazil India Nigeria Peru Serbia South Africa Turkey the UK and Zambia From political discourse on sex and masculinity to sex work and trafficking from HIV and sexuality to struggles for legal reform and citizenship the authors explore the gains of creating stronger linkages between sexuality human rights and development

*Get to Know Yourself* Thelma Xavela

Maluleke,2014-09-23 GET TO KNOW YOURSELF A sexual health guide for young people is meant for young people aged 15 years and older females and males virgins and those who are already sexually active who want to lead a healthy life It aims at providing accurate information about sexual health that will enable young people to develop responsible sexuality mutual respect between females and males and good relationships that will result in the improvement of their quality of life Young people are often faced with a huge responsibility of making decisions about their sexuality usually with little or no information or with confusing information that they obtained from friends This book gives information on sexual health that will enable you to feel confident about making decisions about your life The book is easy to read to allow young people whose parents find it challenging to talk to them about sexual health matters to read it on their own Reproductive Agency, Medicine and the State Maya Unnithan-Kumar,2005-11-01 Recent years have seen many changes in human reproduction resulting from state and medical interventions in childbearing processes Based on empirical work in a variety of societies and countries this volume considers the relationship between reproductive processes of fertility pregnancy childbirth and the postpartum period on the one hand and attitudes medical technologies and state health policies in diverse cultural contexts on the other **The Politics of Rights** Andrea Cornwall,Maxine Molyneux,2013-09-13 Since the late 1990s development institutions have increasingly used the language of rights in their policy and practice This special issue on feminist perspectives on politics of rights explores the strategies tensions and challenges associated with rights work in a variety of settings Articles on the Middle East Africa Latin America East and South Asia explore the dilemmas that arise for feminist praxis in these diverse locations and address the question of what rights can contribute to struggles for gender justice Exploring the intersection of formal rights whether international human rights conventions constitutional rights or national legislation with the everyday realities of women in settings characterized by entrenched gender inequalities and poverty plural legal systems and cultural norms that can constitute formidable obstacles to realizing rights The contributors suggest that these sites of struggle can create new possibilities and meanings and a politics of rights animated by demands for social and gender justice *Human Rights in Global Perspective* Jon P. Mitchell,Richard A. Wilson,2003-09-02 In the West we frequently pay lip service to universal notions of human rights But do we ever consider how these work in local contexts and across diverse cultural and ethical structures Do human rights agendas address the problems many people face or are they more often the imposition of Western values onto largely non Western communities Human Rights in a Global Perspective develops a social critique of rights agendas It provides an understanding of how rights discussions and institutions can construct certain types of subjects such as victims and perpetrators and certain types of act such as common crimes and crimes against humanity Using examples from the United States Europe India and South Africa the authors restore the social dimension to rights processes and suggest some ethical alternatives to current practice **Globalization, Women, and Health in the Twenty-First Century** I. Kickbusch,K. Hartwig,J. List,2005-12-10 We are still only beginning to understand

the increasingly complex set of interdependencies among gender health and globalization This book brings together a diverse group of distinguished scholars and activists to explore the new risks and freedoms for men and women in a global society and their health determinants They map the gendered impact of these processes and present a health landscape that takes us beyond nation states into trans border flows of capital people goods and services Each chapter begins with a global analysis of specific trends followed by two In Perspective pieces by authors from contrasting disciplines and geographies

*Violence Against Children* Gertrud Lenzer, 2017-11-28 *Violence Against Children* adopts in its title the exhortation of Nobel Laureate Amartya Sen *Making Human Rights Real* which also represents the leitmotif of the book It examines the prevalence of violence against children in Africa the Asia Pacific Region Europe Latin America and the Caribbean and in the United States and explores major ways of its prevention Making human rights real engenders the challenge of helping all children to be free from violence and to lead a life replete with genuine nurture and the elimination of all violence Only in this manner will the goal of the United Nations 2030 Agenda for Sustainable Development target 16.2 be achieved and the child as a rights bearing individual realized in her his fullness The specially commissioned chapters that make up the volume have been written by renowned scholars researchers and advocates They coalesce to provide an overview of the challenges facing children exposed to violence worldwide and they advance discussions of the measures which are available and necessary for the prevention of violence against children The book is intended for policy makers researchers and students of the social sciences and human rights who are interested in ending all the widespread maltreatment of children in our societies and our time

HIV and AIDS Alice Welbourn, Joanna Hoare, 2008 This book looks at the key challenges of HIV and AIDS from a gender perspective and describes positive responses in areas of the world as diverse as Cambodia South Africa the UK and Papua New Guinea The impact of HIV on women and men across the world are devastating and wide ranging Girls may have to drop out of school to look after sick relatives boys to earn money The death of working age adults can mean that surviving family members struggle to get by with grandparents shouldering the burden of looking after orphaned grandchildren often in dire poverty Young women may have to resort to sex work and other risky survival strategies to support themselves and their families Young men are growing up with ideas about masculinity that include violence and the sexual domination of women contributing to the spread of HIV The contributors analyze these contexts exploring the links between HIV AIDS gender inequality and poverty They present accounts of successful interventions recording experience describing good practice and sharing information about resources This book is essential reading for development practitioners and policy makers involved in responding to the HIV and AIDS crisis

**The Unheard Scream** Mohan Rao, 2004 It is a commendable job done by the editor Dr Mohan Rao to have put together this very readable anthology of rare media writings about the real health issues that plague women's lives To which he has also contributed a very lucid and well argued preface that adds to the value of the volume
