Jo Pratt, 2013-03-01 Oh, how Jo Pratt's life has changed over the last few years. Gone are the days of spending a day or two preparing for elaborate dinner parties using ingredients she hunted down in back street markets and fancy deli shops. That was all pre-children; now things are very different. She's a busy mum who has to juggle work, children and all the associated chaos. She lives in a madhouse. Bestselling author Jo has devised a cookbook full of delicious and healthy food that addresses one of the most challenging problems experienced by busy parents: finding time to cook meals for their family. The recipes are simple, easy to shop for and quick to make, with shortcuts and prepare-ahead tips. But there's much more to the book than this: there are also Lifesaver mini-recipes that give you staples for your freezer and store cupboard, and Leftovers mini-recipes too to show you how to be clever and get more value out of time spent in the kitchen. There are three chapters: Monday to Friday Survival, Busy Weekends and Cling onto your Social Life. These chapters feature recipes for every meal and eventuality, including weekday kids' tea-time recipes that will go down a storm, dinners that will wow your friends and Sunday lunches to make the most of those precious moments of relaxation with your family. **La Cucina Siciliana di**
