Reason Emotion And Will The International Research Library Of Philosophy:

Reason, Emotion and Will R. Jay Wallace,1999 The moral strands of psychology are explored in this collection of essays The Notion of Equality Mane Hajdin,2018-05-08 This title was first published in 2001 In the articles collected in this anthology contemporary analytic philosophers examine the ways in which the notion of equality functions in moral and political discourse Among the topics discussed are the relationship between the ideal of equality and formal features of moral discourse the conflict between the ideal of equality of welfare and the ideal of equality of resources and the relationship between the equality of opportunity and the equality of results *Supervenience* Jaegwon Kim,2017-10-24 The International Research library of Philosophy collects in book form a wide range of important and influential essays in philosophy drawn predominantly from English language journals Each volume in the library deals with a field of enquiry which has received significant attention in philosophy in the last 25 years and is edited by a philosopher noted in that field Vagueness Delia Graff,Timothy Williamson,2017-09-08 Vagueness volume XX contains twenty seven essays with issues covered including nihilism phenomenal sorites degrees of truth epistemicism higher order vagueness contextualism and intuitionism Written by leading contemporary philosophers these essays will be of interest to researchers in philosophy of language philosophical logic metaphysics and epistemology as well as those in natural language semantics artificial intelligence and cognitive science more generally A substantial introduction written by the editors provides a guide to the topic and to the essays in the volume **Public Reason** Fred D'Agostino,Gerald F. Gaus,1998 The essays that make up this volume explore the idea of public reason The task of identifying a distinctively public reason has become pressing in our deeply pluralistic society just because doubt has arisen whether what is good reasoning for one must be good reasoning for all Examining the theories of Hobbes and Kant and also using more recent work such as the comments and theories of John Rawls and David Gauthier this book explores aspects of the idea of public reason It explains public reason and discusses areas such as pluralism reasonable disagreement moral conflict political legitimacy public justification and post modernism American Book Publishing Record ,2000-07 **The Cumulative Book Index** ,1999 *Consciousness* Frank Jackson,2016-12-05 Brings together some of the most important research publications on the philosophical problem of consciousness It includes a detailed introduction that surveys the leading issues in the current debate **The Existence of God** Richard M. Gale,Alexander R. Pruss,2003 The latter third of the 20th century has seen the philosophical defence of theism many philosophers were caught off guard because they assumed that metaphysics and theology had been dealt with Moreover the leaders of this renaissance were analytically rooted philosophers Upon examination however it is clear that significant developments in philosophical theism historically have come upon the heels of breakthroughs in the core areas of philosophy concerning meaning logic and scientific methodology cornerstones of analytic philosophy This volume attempts to document this golden era of analytical theism **A Priori Knowledge** Albert Casullo,1999 Tackling some of the issues concerning a priori knowledge this book

attempts to identify the primary epistemological issues and explore the relationships among them Four main questions are tackled what is a priori knowledge is there a priori knowledge what is the relationship between the a priori and the necessary and what is the relationship between the a priori and the analytic
