Taking Charge of Professional Development Joseph H. H. Semadeni, 2010-06-06 How can every teacher school and district improve the quality of their schools The answer is to empower teachers to take charge of their own learning says author and teacher Joseph H Semadeni In this book you will learn how the Fusion professional development model can help you do just that This accessible customizable and affordable model gives you proven ways to

successfully establish teaching and learning practices that are grounded in solid educational research In some schools you may wish to begin the program with just a few teachers and let it gain recognition support and buy in from the biggest skeptics In other schools the whole staff may be inspired to create their own lists of best practices funding levels and new school day schedules In both scenarios schools have successfully implemented Fusion where it was needed the most What s most appealing to teachers is that this approach gives them the chance to determine what strategies they want to learn how much professional development they want to access and when it best fits their schedules As teachers learn use observe and are observed practicing the strategies in their classrooms they determine which practices best fit their students and foster achievement With experience teachers become eligible for related pay increases and Fusion helps teachers to foster the qualities attitudes and behaviors necessary to establish and nurture a collaborative culture within the school community
