narrative of Henry VIII's most infamous queen. Since her execution on 19 May 1536, Anne's life and body have been a site upon which competing religious, political, and sexual ideologies have been inscribed, a practice that continues to this day. From the poetry of Thomas Wyatt to the songs of the hit pop musical *Six: The Afterlife of Anne Boleyn*, takes as its central contention the belief that the mythology that surrounds Anne Boleyn is as interesting, revealing, and surprising as the woman herself.

Rebecca Patricia White, 2021-05-06. The 1940 film adaptation of Daphne du Maurier's gothic romance *Rebecca* begins by echoing the novel's famous opening line: "Last night I dreamt I went to Manderley again." Patricia White takes the theme of return as her starting point for an exploration of the film's enduring power. Drawing on archival research, she shows how the production and reception history of *Rebecca*, the first fruit of the collaboration between Hollywood movie producer David O. Selznick and British director Alfred Hitchcock, is marked by the traces of women's contributions. White provides a rich analysis of the film, addressing the gap between perception and reality that is constantly in play in the gothic romance and highlighting the queer erotics circulating around it: the heroine Mrs. Danvers and the dead but ever-present Rebecca. Her discussion of the film's afterlives emphasizes the lasting aesthetic impact of this dark masterpiece of memory and desire, while her attention to its remakes and sequels speaks to the ongoing relevance of its vision of gender and power.

Apparition John W. Milor, 1999-11-19. *Apparition* begins with the attempted suicide of Simon Cross, a man plagued with the tragedy of losing his wife. Instead of escaping his sorrow, he awakes from a coma four years later only to find himself completely paralyzed. Incapable of moving or even speaking, he becomes the prisoner of his own body. Still plagued with the loss of his wife, his only occupation in life is imagining her standing at the foot of his bed. Over time, the image of his wife gradually comes to life, sometimes appearing no different than a physical person. At first, he thinks his imagination is simply growing more acute. But this assumption is soon shattered on one fateful night when she, the image of his late wife, arrives with open arms, inviting him to join her. Separating from his physical body, Simon is finally free from the prison of his mortal shell. From this moment on, Simon's perception of reality is turned upside down. His escapades as an apparition traverse the spectrum of emotion: the horror of demonic encounters, the humor of the ultimate pranks, and the wonder of the unknown all become a part of Simon's everyday life. A physicist by trade, Simon quickly begins to study his abilities, testing by trial and error. These tests become an integral part of his new life. He quickly discovers that there are many inherent properties in a spirit body: Universal language, translation through ESP, several different modes of travel, an odd relationship with matter, and an immunity to the effects of gravity, weather, and the atmosphere itself are just a few. Every test is accompanied with an unpredictable story. Armed with his knowledge of physics and creative imagination, Simon's tests eventually lead him to see what the effects of electrical shock produce on his spiritual body. To his delight, he discovers that electricity has a healing property that enables him to regenerate his physical body, specifically his spinal cord. It isn't long after this that Simon's physical body rejuvenates, and Simon once again becomes a participant in the world. Unknown to Simon is the interest he's

attracted from individuals in covert government agencies These individuals introduce themselves to Simon shortly after he re enters society Though their motives appear altruistic their main interest in Simon is getting his help to produce a top secret military weapon This weapon if produced would enable the person wearing it to kill anyone anywhere anytime completely undetected Secrets could not be kept from him plots could not be made against him and no one would be safe from him He would be like a demon unleashed on the earth with all humanity to devour as he pleases This synopsis by far doesnt encapsulate the entirety of Apparition Simons romance with the nurse he falls in love with while in the hospital his narrow escapes from the powers of darkness his personal journey to faith and his many friendships are all an integral part of this thought provoking tale I hope this summary is enough to arouse curiosity but not enough to dispel the joy of not knowing whats around the next corner P S Check out my latest unpublished manuscript titled THE PARANORMAL CHRISTIAN at <http://www.AliensInTheBible.com> A Little Maid of Old Maine Alice Turner Curtis,2007-01-01 Bells Will Be Ringing Monica Tillery,Carolynn Carey,Angelita Gill,Diana Jean,2013-12-23 Tis the season to fall in love In this quartet of holiday tales mistletoe magic sweeps from a Philadelphia candy company to the ballrooms of Regency England across the shores of a Hawaiian island and to a snow struck cabin in Colorado HER SECRET SANTA by Monica Tillery Neighbors and coworkers at Morgan Confectioners Rebecca Sinclair and Ben Redding have been best friends since grad school Will they be able to get past their fears of ruining their friendship when their feelings turn more than friendly A holiday gift exchange might just bring the best present of all Christmas love MERRY S WONDERFUL CHRISTMAS GIFT by Carolynn Carey The winter holidays used to be Miss Merry Damonson s favorite time of year until her almost fianc Edward Everton abandoned her two days before Christmas Now he s returned to their country village but is it too late to reignite old flames A holiday ball might just offer these unlucky lovers a second chance HIS HAWAIIAN CHRISTMAS by Diana Jean Humbug in Hawaii When Clara O Fallen gets a promotion to paradise she can t help feeling homesick for her Wisconsin winters complete with real snow family traditions and Christmas festivities But smiling surfer Kai Schmitt might just show this scrooge how to hang loose and catch the spirit of the season the aloha spirit GAVIN FEVER by Angelita Gill A sudden snowstorm unexpectedly strands Julia Winthrop with her ex reality TV star Gavin Beckett at a cozy mountain cabin for the holidays Trapped till the weather lets up their attraction resurfaces It s not long before they realize their fling might ve been the real thing and this surprise reunion might just be a Christmas miracle Sensuality Level Sensual Who Is She...
