Youth Peacebuilding Lesley J. Pruitt, 2013-04-01 This book highlights the important role youth can play in processes of peacebuilding by examining music as a tool for engaging youth in such activities As Lesley J Pruitt discusses throughout the book music as expression as creation as inspiration can provide many unique insights into transforming conflicts altering our understandings and achieving change She offers detailed empirical work on two youth peacebuilding programs in Australia and Northern Ireland countries that appear overtly peaceful but where youth still face structural violence and related direct violence at the community level She also pays careful attention to the ways in which gender norms might influence young people s participation in music based peacebuilding activities Ultimately the book defines a new research area linking youth cultures and music with peacebuilding practice and policy

**Making Waves** Frederick Lau, Christine R. Yano, 2018-02-28 Musical sounds are some of the most mobile human elements crossing national cultural and regional boundaries at an ever increasing pace in the twentieth and twenty first

centuries Whole musical products travel easily though not necessarily intact via musicians CDs and earlier cassettes satellite broadcasting digital downloads and streaming The introductory chapter by the volume editors develops two framing metaphors traveling musics and making waves The wave making metaphor illuminates the ways that traveling musics traverse flows of globalization and migration initiating change and generating energy of their own Each of the nine contributors further examines music its songs makers instruments aurality aesthetics and images as it crosses oceans continents and islands In the process of landing in new homes music interacts with older established cultural environments sometimes in unexpected ways and with surprising results They see these traveling musics in Hawai i Asia and the Pacific as making waves that is not only riding flows of globalism but instigating ripples of change What is the nature of those ripples What constitutes some of the infrastructure for the wave itself What are some of the effects of music landing on transported to or appropriated from distant shores How does the Hawai i Asia Pacific context itself shape and get shaped by these musical waves The two poetic and evocative metaphors allow the individual contributors great leeway in charting their own course while simultaneously referring back to the influence of their mentor and colleague Ricardo D Trimillos whom they identify as the wave maker The volume attempts to position music as at once ritual and entertainment esoteric and exoteric tradition and creativity within the cultural geographies of Hawai i Asia and the Pacific In doing so they situate music at the very core of global human endeavors

remarkable biography Ericka Verba traces Parra's radical life and multifaceted artistic trajectory across Latin America and Europe and on both sides of the Iron Curtain. Drawing on decades of research, Verba paints a vivid and nuanced picture of Parra's life. From her modest beginnings in southern Chile to her untimely death, Parra was an exceptionally complex and talented woman who exposed social injustice in Latin America to the world through her powerful and poignant songwriting. This examination of her creative, political, and personal life flaws and all illuminates the depth and agency of Parra's journey as she invented and reinvented herself in her struggle to be recognized as an artist on her own terms.

**Song and Social Change in Latin America** Lauren E Shaw, 2013-04-04

*Song and Social Change in Latin America* offers seven essays from a diverse group of scholars on the topic of music as a reflection of the many social and political upheavals throughout Latin America from the 20th century to the present. Topics covered include the Tropicália movement in Brazil, the Nueva Canción in Central America, Rock in Mexico, Argentina, Chile, and Peru, the Vallenato in Colombia, Trova in Cuba, and urban music of Puerto Rico in the mid-20th century. The collection also includes five interviews from prominent and up-and-coming musicians: Rubén Blades, Roy Brown, Habana Abierta, Ana Tijoux, and Mare, representing a variety of musical genres and political issues in Central America, the Caribbean, South America, and Mexico.

*Lullabies and Battle Cries* Jaime Rollins, 2018-08-17

Set against a volatile political landscape, Irish republican culture has struggled to maintain continuity with the past, affirm legitimacy in the present, and generate a sense of community for the future. *Lullabies and Battle Cries* explores the relationship between music, emotion, memory, and identity in republican parading bands, with a focus on how this music continues to be utilized in a post-conflict climate. As author Jaime Rollins shows, rebel parade music provides a foundational idiom of national and republican expression, acting as a critical medium for shaping new political identities within continually shifting dynamics of republican culture.
