Carlisle,2014-01-01 Unbuttoned by the maverick Protected by her ice queen facade and wearing her designer suits as armor heart surgeon Michelle Ross is always in control Then maverick anesthesiologist Ty Smith sweeps into her operating theater and ruffles her well groomed feathers He is her complete opposite but even Michelle isn't immune to his charms especially when she starts to see the real Ty She knows that he'll soon be back on his sleek black motorcycle out on the road again but can she stop her heart from leaving with him

*A Rebel in Auschwitz: The True Story of the Resistance Hero who Fought the Nazis from Inside the Camp* (Scholastic Focus) Jack Fairweather,2021-10-19 With exclusive access to previously hidden diaries family and camp survivor accounts and recently declassified files critically acclaimed and award winning journalist Jack Fairweather brilliantly portrays the remarkable man who volunteered to face the unknown in the name of truth and country This extraordinary and eye opening account of the Holocaust invites us all to bear witness Occupied Warsaw Summer 1940 Witold Pilecki a Polish underground operative accepted a mission to uncover the fate of thousands interned at a new concentration camp report on Nazi crimes raise a secret army and stage an uprising The name of the camp Auschwitz Over the next two and half years and under the cruelest of conditions Pilecki's underground sabotaged facilities assassinated Nazi officers and gathered evidence of terrifying abuse and mass murder But as he pieced together the horrifying Nazi plans to exterminate Europe's Jews Pilecki realized he would have to risk his men his life and his family to warn the West before all was lost To do so meant attempting the impossible but first he would have to escape from Auschwitz itself

*Radical Reformers and Respectable Rebels* J. Robson,2016-06-16 In 1907 Grace Oakeshott faked her own death by drowning Aged 35 she left a marriage and a successful professional life in England and fled with her lover Walter Reeve to New Zealand What prompted her to do so Jocelyn Robson traces her life story through social political and religious reform movements of the fin de siècle period

*A Portrait of the Artist as a Rebel* Peter Jalesh,2013-09-19 There is no genuine affiliation between Joyce's book *A Portrait of the Artist as a Young Man* and this book with the exception of the mock title that in the current usage plays the role of a gigantesque pastiche Joyce's portraiture genre superimposed over a restless American landscape becomes blurred In reality *A Portrait of the Artist as an Anthropomorphic Genius Machine* is an antidote to Joyce's story In Joyce's story the characters fold inside the chronicle and become elements of style In *A Portrait of the Artist as a Rebel* the characters appear swell and decay as real living experiences though mundane As opposed to Joyce's super esthetic and pedantic tale where even the pain is suffered as part of some metaphor this story tends to show that an American version of it is nothing but a byproduct of a society that is wide enough to gulp down success happiness failures anxiety malaise and death without affectation The portrait story is set in a small town called New Braintree and moves around three school pals Joe Walter and Peter whose lives intersect for the length of the story Joe the main character stands out as a nonconformist genius and a trouble packed kid He is living his anger filled childhood as if he was hurled into his own life by forces outside his control Walter is a prince boy and functions as a counterpoint to Joe It is as if Walter could act only as long as he is part

of this double portrait though in essence he d like to be Joe Peter is the witnessing chronicler As opposed to Joe and Walter he acts always like a thin and unnoticeable shadow In this trio Joe is the one who puts a fresh and original spin on teenage happenings and its growing pains Thus the story evolves most of the time around Joe s rebellious personality and his spoiled life seen him either as a problems ridden child unable to put his life back in order after his mom dies or as a teenager that falls prey to drugs and gambling or at the end as a young man crusader for lost causes for which he dies Joe s case would prove not only that brightness and geniality could be weakened and eventually shattered by recklessness and excessive misbehavior but also that fate and circumstance are playing sometimes an even more fatal role Though after all there is something very wrong and frightening about a genius who is nothing but an accident of nature capable to create chaos and mayhem in his life and the life of the others due to a huge imbalance between a swamped brain and the limited degree of freedom he can use on a daily bases to participate in a life experience Always struggling either battling lonely the faceless enemy surfacing on his brain or real characters that mess up his youth years Joe projects the strange feeling that he is living all his life inside an unresolved teenage crisis His portrait is a suite of rebellious acts leading up to inhospitable consequences and death
