Revel with a Cause Stephen E. Kercher, 2010-06-15 We live in a time much like the postwar era. A time of arch political conservatism and vast social conformity. A time in which our nation's leaders question and challenge the patriotism of those who oppose their policies. But before there was Jon Stewart, Al Franken or Bill Maher there were Mort Sahl, Stan Freberg and Lenny Bruce, liberal satirists who through their wry and scabrous comedic routines waged war against the political ironies, contradictions and hypocrisies of their times. *Revel with a Cause* is their story. Stephen Kercher here provides the first comprehensive look at the satiric humor that flourished in the United States during the 1950s and early 1960s. Focusing on an impressive range of comedy, not just standup comedians of the day but also satirical publications like *MAD* magazine, improvisational theater groups such as Second City, the motion picture *Dr Strangelove* and TV shows like *That Was the Week That Was*, Kercher reminds us that the postwar era saw varieties of comic expression that were more challenging and nonconformist than we commonly remember. His history of these comedic luminaries shows that for a sizeable audience of educated middle class Americans who shared such liberal views, the period's satire was a crucial mode of cultural dissent. For such individuals, satire was a vehicle through which concerns over the suppression of civil liberties, Cold War foreign policies, blind social conformity and our heated racial crisis could be productively addressed. A vibrant and probing look at some of the most influential comedy of mid twentieth century America, *Revel with a Cause* belongs on the short list of essential books for anyone interested in the relationship between American politics and popular culture.

Brother-Souls Ann Charters, Samuel Charters, 2010-09-27 John Clellon Holmes met Jack Kerouac on a hot New York City weekend in 1948 and until the end of Kerouac's life they were in Holmes's words *Brother Souls*. Both were neophyte novelists.

hungry for literary fame but just as hungry to find a new way of responding to their experiences in a postwar American society that for them had lost its direction Late one night as they sat talking Kerouac spontaneously created the term Beat Generation to describe this new attitude they felt stirring around them Brother Souls John Clellon Holmes Jack Kerouac and the Beat Generation is the remarkable chronicle of this cornerstone friendship and the life of John Clellon Holmes From 1948 to 1951 when Kerouac's wanderings took him back to New York he and Holmes met almost daily Struggling to find a form for the novel he intended to write Kerouac climbed the stairs to the apartment in midtown Manhattan where Holmes lived with his wife to read the pages of Holmes's manuscript for the novel Go as they left the typewriter With the pages of Holmes's final chapter still in his mind he was at last able to crack his own writing dilemma In a burst of creation in April 1951 he drew all the materials he had been gathering into the scroll manuscript of On the Road Biographer Ann Charters was close to John Clellon Holmes for more than a decade At his death in 1988 she was one of a handful of scholars allowed access to the voluminous archive of letters journals and manuscripts Holmes had been keeping for twenty five years In that mass of material waited an untold story These two ambitious writers Holmes and Kerouac shared days and nights arguing over what writing should be wandering from one explosive party to the next and hanging on the new sounds of bebop Through the pages of Holmes's journals often written the morning after the events they recount Charters discovered and mined an unparalleled trove describing the seminal figures of the Beat Generation Holmes Kerouac Neal Cassady Allen Ginsberg William Burroughs Gregory Corso and their friends and lovers

Postcolonial Manchester Lynne Pearce,2015-11-01 Postcolonial Manchester offers a radical new perspective on Britain s devolved literary cultures by focusing on Manchester s vibrant multicultural literary scene Referencing Avtar Brah s concept of diaspora space the authors argue that Manchester is and always has been a quintessentially migrant city to which workers of all nationalities and cultures have been drawn since its origins in the cotton trade and the expansion of the British Empire This colonial legacy and the inequalities upon which it turns is a recurrent motif in the texts and poetry performances of the contemporary Mancunian writers featured here many of them members of the city s long established African African Caribbean Asian Chinese Irish and Jewish diasporic communities By turning the spotlight on Manchester s rich yet under represented literary tradition in this way Postcolonial Manchester also argues for the devolution of the canon of English Literature and in particular recognition for contemporary black and Asian literary culture outside of London
