Sparks of Divine Glory: A Practical Study of the Attributes of God C. Matthew McMahon, 2022-03-16 Is there a good reason to study the doctrine of God Knowing God or not knowing God has eternal consequences to it The Savior came to explain the Father John 1 18 and he said that eternal life is knowing God and knowing Jesus Christ whom God sent John 17 3 Such a knowledge must include something more than a mere knowledge of facts It must show a relationship of those facts one to another and how they relate as a whole to the life of the believer Such a study must show what the spiritual benefits are to the redeemed which then turns to the spiritual experience they have as they grow in Christ This volume deals with the application of the knowledge of God and how the doctrine of God should be a practical every day consideration in the life of the redeemed believer McMahon covers all the revealed Biblical attributes and perfections of God which also include some not generally considered He covers that God is incomprehensible Trinitarian glorious a pure spirit self sufficient simple unified impassible immutable infinite omnipresent eternal invisible omniscient all wise light truth free holy good faithful love gracious merciful longsuffering sovereign omnipotent righteous just wrathful jealous and eminently beautiful He ends with a concluding chapter on how the Christian should always be rejoicing in God s majesty

*God of the Valleys* Janet Williamson, 2022-09-15 *God of the Valleys* Mysteries Along Life s Journey *God of the Valleys* Mysteries Along Life s Journey is a journey with God that reminds us that when we trust in God rather than leaning on our understanding we acknowledge Him and God will make our path straight Proverbs 3 5 6 Janet Williamson s journey is not a path of despair nor are the pages strewn with hopeless devastation Her story overflows with faith in God undying courage and God s grace to push through struggles even with joy Theirs wasn t a journey that exempted us from suffering on the contrary God and the support of friends taught them how to thrive in the midst of it Hospitalization and cancer were such a big part of their lives that they had to triumph over these with God s help to enjoy full lives There are mysteries about God and suffering that are not easily explained and even when we don t understand trusting in Him is still the answer Williamson is so thankful to God for the gift of her children Tanya and Eric who loved God and walked with Him all their days and taught her to do the same

**Pascal's God and the Fragments of the World** Martin Nemoianu, 2024-04-30 In Pascal s *God and the Fragments of the World* Martin Nemoianu offers a new interpretation of the thought of Blaise Pascal drawn from the *Pensées* and beyond The book takes Pascal s central theme to be the distinction *Infini rien* between the transcendent God and the created world which

without God would be nothing Nemoianu identifies the distinction in Pascal articulates it and works through the difficulties attending the distinction s disclosure He then considers the implications of the distinction for the nature of nature and the nature of the human being culminating in the ideal of martyrdom The book closes with treatment of a closely related theme the relation between human freedom and divine grace in the context of the vexed question of Pascal s Jansenism Be Restored! Debra Berry,2006 This eightweek Bible study for African American women takes a closer look at the Book of Nehemiah to reveal parallels between the lives of Gods people rebuilding Jerusalem and the lives of presentday African Americans Speaking directly to the presentday concerns of African American women Berrys message is one of power and hope This is a book she says to assist African American Christian women in uncovering the spiritual might to experience restoration and change their world for Christ *Understanding Spiritual Gifts* Mary Lou Redding,2017-04-15 Understanding Spiritual Gifts Leader s Guide is also available This 6 week experiential study 7 weeks including the introductory session helps individuals and small groups explore spiritual gifts using selected passages from the Bible **The Genre of Biblical Commentary** Timothy D. Finlay,William Yarchin,2015-10-16 The genre of biblical commentary is as old as the Bible itself and remains very much alive as a point of illuminating contact between the ancient text and its modern readers In this volume fourteen international Old Testament experts reflect upon multiple challenges of contemporary biblical commentary as a scholarly endeavor How does a commentator strike a balance between engagement with the biblical text and the commentary tradition that the text has generated over the centuries How does academically rigorous commentary writing remain relevant for pastoral and lay readers of the Bible Ancient biblical writers are notoriously diverse in their theological and literary nuances Modern readers approach the Bible from an equally wide spectrum of interests How does today s commentator act responsibly for all the text s stakeholders John E Hartley is widely respected for the multiple volumes he has produced with these questions in mind This collection of essays appears in celebration of his accomplishments in the genre of Old Testament biblical commentary *The Branch Exposition of the Bible, Volume 2* Michael A. Eaton,2024-09-30 A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and ordinary Christians alike to help open God s word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit Together with the New Testament volume this exposition of the Old Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture *Engaging the Christian Scriptures* Andrew E. Arterbury,W. H. Bellinger, Jr.,Derek S. Dodson,2021-03-30 This readable faith friendly one semester

From Synagogue to Church: The Traditional Design John Wilkinson, 2014-04-04 The designs of synagogues and churches are acknowledged to be very alike But the designers procedure was confidential and so far standard explanations have been unsatisfactory A synagogue should express heavenly values with earthly materials This combination was in fact expressed in numbers for as Plato said they linked heaven and earth Scripture described both the Jewish Tabernacle and Temple with a wealth of numbers Proportions based on these numbers were used to design synagogues Only a few Jewish documents survive but they reveal a symbolism which Christians sometimes repeat The synagogue sanctuary was designed to contain the Holy Ark and the mosaic floors reveal the point Before the Ark for the prayers and readings These places faced each other with the idea that God was facing his people The synagogue was seen as facing heaven and in church buildings Christians repeated the same proportions This was a joint tradition among Jews and Christians It was easy to design was carried out secretly and accurately and without a computer was extremely hard to unravel This book for the first time does just that

**Pro-justice Ethics** Richard A. Hughes, Richard Hughes, 2009 Pro Justice Ethics From Lament to Nonviolence is an original work within Christian social ethics and is based upon the civil rights movement the philosophy of nonviolence and the biblical lament tradition The author formulates the justice imperative as an ethic of duty and defines justice as an act of protesting preventing and remedying injustices that cause human suffering Formally injustice is the violation of fairness equality and dignity but in its primal form injustice is child abuse Birth and death are discussed from a justice perspective beyond the dichotomy of pro life and pro choice Special attention is devoted to the injustices of globalization international human rights abuses and corporate violations of the natural rights of water in the earth commons Book Jacket

The Promises of God Kevin P. Conway, 2014-10-29 This study is the first to investigate why Paul makes exclusive use of epangelia for the divine pledge when referring to the Abrahamic covenant a usage of the term never found in the OT LXX After examining Jewish writings and Greek literature of the classical and Hellenistic periods this study demonstrates that Paul is rather unique in his exclusive use of the epangelia word group for the divine pledge and for using the term predominantly in reference to the Abrahamic promises This exclusive usage is further deemed unexpected in that the horkos and omnyimi lexemes are by far the terms most commonly associated with God s promises to Abraham in the OT the literature with which Paul was most familiar The study then moves to explain why Paul has chosen this path of discontinuity where it is argued that Paul s exclusive choice of epangelia for the divine promise is driven by its conceptual and linguistic correspondence with the euangelion one of the terms Paul adopted from the early church that forms the core of

his ministry This conceptual word study of the divine promise will benefit Pauline scholars interested in Paul's use of the OT as well as his association of the euangelion and epangelia word groups **God's Grace and the Homosexual Next Door**

 God's Redeeming Love** Anne Nicholson, 2018-11-06 Ever say No one feels like me or understands what I'm feeling Ever ask  
 Why me Lord If these words are familiar you're not alone Beginning with Eve women are women God's blueprint for us has  
 not changed nor will it That's why this study is so exciting In it you will discover the women of the Bible are just like us  
 Without exception they had plans hopes and dreams They loved laughed and cried They feared sacrificed and nurtured They  
 experienced good times and bad Some had kids some didn't Some were married some weren't Some were wholesome while  
 others were decadent They experienced significant victories and shameful defeats all of them That's why their stories seem  
 familiar these women are like us The Bible proves that although flawed and frail ordinary messy women were useful to our  
 extraordinary God Why Because he redeemed them the whole of their lives the good the bad and the ugly He didn't leave one  
 of them the way he found them He won't leave us lonely unforgiven or despairing either If you fret feel worn and weary look  
 pretty on the outside but feel pretty flawed and frail on the inside or if sin surrounds you this study is for you God is into  
 women He loves us and makes all things new through his redeeming love Anne is a missionary and graduate of Metro Atlanta

 Mary the Virgin Mother **The Hand of God** Barry Applewhite, 2010-12-22 If you think God is far away in heaven involved  
 in great matters more important than your life get ready for a shock This book can help you understand God not an easy  
 subject His fingerprints are all over your life and he wants to do even more First you will find out how God's nature relates  
 directly to your everyday life Actual incidents from the lives of biblical characters are analyzed to isolate the practical  
 significance of God's personality As you see his dynamic involvement with Moses Abraham Daniel and others you will get  
 concrete ideas about what he is doing in your life The personal applications at the end of each chapter will help you integrate

what you have learned into your daily experience This book will strengthen your understanding of God as a Person who cares about you So often Christians think of God as aloof and remote rather than directly interacting with us in a personal way This book will show that an emphasis on God as the loving Father represents the biblical view
