**Recent Jewish Progress in Palestine** Henrietta Szold, 1915 Factors in Modern Jewish History Abram Leon Sacher, 1927 Publications of the American Jewish Historical Society American Jewish Historical Society, 1928

**Publications of the American Jewish Historical Society**, 1928 **The Jewish World In Modern Times** Abraham J Edelheit, Hershel Edelheit, 2019-09-10 The momentous events of modern Jewish history have led to a proliferation of books and articles on Jewish life over the last 350 years Placing modern Jewish history into both universal and local contexts this selected annotated bibliography organizes and categorizes the best of this vast array of written material The authors have included all English language books of major importance on world Jewry and on individual Jewish communities plus books most readily available to researchers and readers and a select number of pamphlets and articles The resulting bibliography is also a guide to recent Jewish historiography and research methods *The Politics and Public Culture of American Jews* Arthur A. Goren, 1999 These strikingly lucid and accessible essays ranging over nearly a century of Jewish communal life examine the ways in which immigrant Jews grappled with issues of group survival in an open and accepting American society Ten case studies focus on Jewish strategies for maintaining a collective identity while participating fully in American society and public life Readers will find that these essays provide a fresh provocative and compelling look at the fundamental question facing American Jewry at the end of the 20th century as at its start how to assure Jewish survival in the benign conditions of American freedom The Zionist Review, 1919 Annual Convention - Central Conference of American Rabbis Central Conference of American Rabbis, 1919 Year Book of the Central Conference of American Rabbis Central Conference of American Rabbis, 1919 Containing the proceedings of the convention **Year Book of the Central Conference of American Rabbis**, 1919 **The Young Judean**, 1928 **Zionism and the Jewish Future** Harry Sacher, 1916 **The Dial** Francis Fisher Browne, Waldo Ralph Browne, Scofield Thayer, 1918 *Summoned to Jerusalem* Joan Dash, 2003-08-04 February 1943 a crowded railway station in Haifa Palestine Crowds of people wait for a train to pull in Through a winter of anguish the Jews of Palestine have longed for this train It arrives and from the open windows hundreds of little hands wave blue and white flags The train is packed with Jewish children who have been traveling war ravaged Europe since the fall of Poland in 1939 Palestine is their journey's end In front of the crowd is an official delegation headed by an old woman not quite five feet tall She is Henrietta Szold and these children the final contingent of ten thousand children were saved from the Nazis and brought to Palestine because of her One could not have predicted from the beginnings of her comfortable dependent life as the oldest daughter of a Baltimore rabbi the extraordinary accomplishments of Henrietta Szold Even as she reached middle age she was the dutiful studious partner of her father's scholarly researches although she had behind her impressive accomplishments such as the establishment of a pioneering night school for Russian Jewish immigrants But each time she ventured she retreated It took two grave emotional crises to bring her into her own the

death of her father and the more astonishing public emotional collapse that ensued after her intense love for a scholar thirteen years her junior ended when he took a young German bride Out of the ashes of this second bereavement emerged the Henrietta Szold who was to imprint her formidable accomplishments on American Jewry and the land of Palestine That barren land the needs of its population and the courage of its pioneers shaped the course of her future while back home in New York the small study group she had established and which was called Hadassah grew into the women s arm of the American Zionist movement Zionism was full of factionalism and the history of Palestine was bloody and divisive It was Henrietta Szold s initiative and drive that established its health care system shaped education and began the social services that prevail today In the 1930s a new mission emerged the rescue from the Nazis of thousands of Jewish children who would otherwise have been lost This Youth Aliyah was her last triumph She was eighty three when her indomitable body wearied at last and she lies buried on the Mount of Olives in the land she played so large a part in shaping **The Maccabæan** ,1914
