Revolutionary Maid A Story Of The War Of:

A Revolutionary Maid Amy Ella Blanchard,1899 This book follows the fortunes of a Revolutionary War era maid and outlines the history the war for freedom It gives a picture of the manners and customs of New York to bring out the local coloring and to draw the characters honestly with a close regard to the effect of education and environment which at an early period began to indicate the variety of types which are now distinctly American **A Revolutionary Maid** Amy E.

Blanchard,2015-07-08 Excerpt from A Revolutionary Maid A Story of the Middle Period of the War for Independence It has been the author s aim in this volume not only to follow the fortunes of a Revolutionary maid through trying scenes but to outline the history of the times as closely as might be consistent with a story for girls Great care has been taken in the study of this period of the war for freedom and it is hoped that the incidents will carry their weight as matters of history and that the importance of the campaign in the Middle States may be emphasized in the minds of those who read the story Beyond this it has been the author s endeavor to give a correct picture of the manners and customs of that part of the country in which the scene is laid to bring out the local coloring and to draw the characters honestly with a close regard to the effect of education and environment which at an early period began to indicate the variety of types which arc now distinctly American To her desire to please her girl friends the author adds a modest hope that the book may not be found uninteresting to older readers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Otis Library Bulletin** Otis Library,1902 **Phillida's Glad Year** Grace Blanchard,1913

A Daughter of Freedom Amy Ella Blanchard,1900 *Rereading the Revolution* Benjamin S. Lawson,2000 Approximately fifty historical novels dealing with the American Revolution were published in the United States in the single ten year period from 1896 to 1906 Benjamin Lawson critically examines the narrative strategies employed in these many novels the ways in which fiction is made to serve the purpose of vivifying national history The British conventions of the historical romance in one sense seem to preclude radical declarations of literary independence even in books purportedly about a war against Britain Working within the formula these many writers nonetheless created fictional plots which parallel and reflect the enveloping concerns of the War for Independence Just as the war was sometimes viewed as an Anglo American family squabble these metaphorical narratives depict familial and love interests **The Boys of Crawford's Basin** Sidford Frederick Hamp,1907 **A Revolutionary Maid; A Story of the Middle Period of the War for Independence** Amy Ella Blanchard,2016-05-09 This work has been selected by scholars as being culturally important and is part of the knowledge
