worlds A remarkable diary chronicling the final year of John's charmed life as the guardian of Richmond Park this memoir tells of the unique demands of each new season and of the enormous wrench he will feel upon no longer waking up in the midst of so much unchanged and wild beauty Park Life is a treasure trove of stories and memories some poignant and moving others offbeat and hilarious from the quirk of fate and farcical interview that led to him getting the job to living in close quarters with the deer the tragedy of putting down fatally wounded animals and the annual ritual of the rut as dependable as the rising and setting of the sun
