**Rising and Falling** William Matthews, 1979-01-01      *Meditations on Rising and Falling* Philip Pardi, 2008-04-01 Winner of the 2008 Brittingham Prize in Poetry selected by David St John From tumult to catharsis the poems in Philip Pardi's first collection *Meditations on Rising and Falling* explore the emotional tug of war that is the human experience Present at every turn are people searching for meaning and sense in an elusive world a doorman who plans to punch the senator who never speaks to him a son who discusses ornithology with his father's dying friend a roofer who copes with his past as he senses his imminent fall to the ground While the poems are witness to the turmoil of both body and soul they are not without hope Pardi finds grace in noise and happiness in the mourning doves showing us that often the reasons for disbelief become precisely the reasons for belief Pardi's collection is a testimony to faith and resistance in a world where falling is the given Winner Award for Poetry and Literary Criticism The Writers League of Texas Finalist 2008 Norma Farber First Book Award Poetry Society of America      *Rising & Falling* Carolyn Miller, 2001 Carolyn Miller's writing is both extraordinarily risky and extraordinarily lucid Her lines dip like dancers and then make such sharp turns they can leave the reader gasping at their freshness and nerve She is a totally original poet unafraid of angels and very aware of the dark You won't be able to put this book down Christopher Howell      **The Rise and Fall of Meter** Meredith Martin, 2012 Why do we often teach English poetic meter by the Greek terms iamb and trochee How is our understanding of English meter influenced by the history of England's sense of itself in the nineteenth century Not an old-fashioned approach to poetry but a dynamic contested and inherently nontraditional field English meter concerned issues of personal and national identity class education patriotism militarism and the development of English literature as a discipline *The Rise and Fall of Meter* tells the unknown story of English meter from the late eighteenth century until just after World War I Uncovering a vast and unexplored archive in the history of poetics Meredith Martin shows that the history of prosody is tied to the ways Victorian England argued about its national identity Gerard Manley Hopkins Coventry Patmore and Robert Bridges used meter to negotiate their relationship to England and the English language George Saintsbury Matthew Arnold and Henry Newbolt worried about the rise of one metrical model among multiple competitors The pressure to conform to a stable model however produced reactionary misunderstandings of English meter and the culture it stood for This unstable relationship to poetic form influenced the prose and poems of Robert Graves Siegfried Sassoon Wilfred Owen W B Yeats Ezra Pound and Alice Meynell A significant intervention in literary history this book argues that our contemporary understanding of the rise of modernist poetic form was crucially bound to narratives of English national culture      *The Rhythms of English Poetry* Derek Attridge, 2014-07-10 Examines the way in which poetry in English makes use of rhythm The author argues that there are three major influences which determine the verse forms used in any language the natural rhythm of the spoken language itself the properties of rhythmic form and the metrical conventions which have grown up within the literary tradition He investigates these in order

to explain the forms of English verse and to show how rhythm and metre work as an essential part of the reader's experience of poetry

*The Sound of Modern Polish Poetry* Aleksandra Kremer, 2021-12-07 An illuminating new study of modern Polish verse in performance offering a major reassessment of the roles of poets and poetry in twentieth century Polish culture What's in a voice Why record oneself reading a poem that also exists on paper In recent decades scholars have sought to answer these questions giving due credit to the art of poetry performance in the anglophone world Now Aleksandra Kremer trains a sharp ear on modern Polish poetry assessing the rising importance of authorial sound recordings during the tumultuous twentieth century in Eastern Europe Kremer traces the adoption by key Polish poets of performance practices intimately tied to new media In Polish hands tape recording became something different from what it had been in the West shaped by its distinctive origins behind the Iron Curtain *The Sound of Modern Polish Poetry* reconstructs the historical conditions audio technologies and personal motivations that informed poetic performances by such luminaries as Czesław Miłosz Wisława Szymborska Aleksander Wat Zbigniew Herbert Miron Białoszewski Anna Swir and Tadeusz Różewicz Through performances both public and private prepared and improvised professional and amateur these poets tested the possibilities of the physical voice and introduced new poetic practices reading styles and genres to the Polish literary scene Recording became for these artists a means of announcing their ambiguous place between worlds Kremer's is a work of criticism as well as recovery deploying speech analysis software to shed light on forgotten audio experiments from poetic sound postcards to unusual home performances to the final testaments of writer-performers Collectively their voices reveal new aesthetics of poetry reading and novel concepts of the poetic self

*Rise of the Trust Fall* Mindy Nettifee, 2010-08-13 In Mindy Nettifee's second book *Rise of the Trust Fall* her poems possess a magic that can only come from a seasoned writer willing to share more on the page than she's comfortable with Whether exploring the strange alchemy of healing the perils of self-actualization or the contemporary experience of womanhood the poems in this daring collection are gorgeous and vibrant bitingly funny and unflinchingly honest *Rise of the Trust Fall* challenges more than our understanding of ourselves It calls us to connect to our humanity to celebrate its flaws and then to demand more of it in every well-crafted line *Rise of the Trust Fall* by Mindy Nettifee is the linguistic orgasm we've all been waiting for no clit-stims necessary BUST Magazine Mindy Nettifee is destined to be the next Dorothy Parker Poetic Diversity When award-winning poet Mindy Nettifee speaks you're powerless you have no choice but to raise your wine glass high over your osmosis head and join her pledge of allegiance to graphic truth Her poems have the grace of cursive letters and the guts of a truck driver District Weekly

*of Poetry for Schools and Families. With an Intr. on the Principles of Elocution* David Charles Bell, 1885      *A Concordance to the Poems of Robert Browning* Leslie Nathan Broughton, Benjamin Franklin Stelter, 1925      **Reading Poetry** Tom Furniss, Michael Bath, 2022-04-06 Reading Poetry offers a comprehensive and accessible guide to the art of reading poetry. Discussing more than 200 poems by more than 100 writers ranging from ancient Greece and China to the twenty-first century, the book introduces readers to the skills and the critical and theoretical awareness that enable them to read poetry with enjoyment and insight. This third edition has been significantly updated in response to current developments in poetry and poetic criticism and includes many new examples and exercises, new chapters on world poetry and eco poetry, and a greater emphasis throughout on American poetry, including the impact traditional Chinese poetry has had on modern American poetry. The seventeen carefully staged chapters constitute a complete apprenticeship in reading poetry, leading readers from specific features of form and figurative language to larger concerns with genre, intertextuality, Caribbean poetry, world poetry, and the role poetry can play in response to the ecological crisis. The workshop exercises at the end of each chapter, together with an extensive glossary of poetic and critical terms and the number and range of poems analysed and discussed (122 of which are quoted in full), make Reading Poetry suitable for individual study or as a comprehensive self-contained textbook for university and college classes.      **A Library of Poetry for Sunday Reading** Philip Schaff, Arthur Gilman, 1889      **The National Preceptor, Or, Selections in Prose and Poetry ...** Jesse Olney, 1831
