The Magic Behind the Voices Tim Lawson, Alisa Persons, 2009-09-28 The Magic Behind the Voices is a fascinating package of biographies anecdotes credit listings and photographs of the actors who have created the unmistakable voices for some of the most popular and enduring animated characters of all time Drawn from dozens of personal interviews the book features a unique look at thirty nine of the hidden artists of show business Often as amusing as the characters they portray voice actors are charming resilient people many from humble beginnings who have led colorful lives in pursuit of success

Something Wicked Douglas Brode, Leah Deyneka, 2024-10-31 An anthology of essays that deal with Witchcraft and the figure of the Witch as they have been presented in motion pictures television and popular culture in order to understand how why and when the common anti Witchcraft anti Witch attitude evolved Mainstream tales of Witchcraft including modern movies novels TV series and other examples of our popular culture more often than not express the traditional notion of a Witch as a wild dangerous untamable nasty woman obsessed with a desire for power to control all around her in most narratives such a hunger presented as a negative In truth The Witch is a symbol of threatening evil only to those men and women who accept a conservative sensibility For members of either gender who do not The Witch is perceived as hero and role model This collection begins with the Biblical figure of Lilith followed by Morgan le Fey from Arthurian legend myth in literature as well as in popular culture followed by the more contemporary depictions of the Witch that start to appear in the 1960s for example in the Bewitched sitcom the Star Wars franchise Harry Potter and even the television show Scooby Doo International depictions of the Witch are discussed including Italy's Dario Argento's films Suspiria and Inferno The final section of this collection focuses on the most iconic depictions of the Witch produced during the 21st century including A Discovery of Witches Penny Dreadful Game of Thrones and the history of the Witch in films by the Walt Disney studio from its origins more than a century ago to the latest releases arguing that here if perhaps surprisingly we discover the most fair and balanced portraits of Witches in the history of film and TV
