The Road Story and the Rebel This cultural history reveals the unique qualities of road stories and follows the evolution from the Beats' postwar literary adventures to today's postmodern reality television shows. Tracing the road story as it moves to both LeRoi Jones's critique of the Beats' romanticization of blacks as well as to the mainstream in the 1960s with CBS's *Route 66*, Mills also documents the rebel subcultures of novelist Ken Kesey and the Merry Pranksters who used film and LSD as inspiration on a cross-country bus trip and she examines the sexualization of male mobility and biker mythology in the films *Scorpio Rising*, *The Wild Angels* and *Easy Rider*. Mills addresses how the filmmakers of the 1970s, Coppola, Scorsese and Bogdanovich, flourished in New Hollywood with road films that reflected mainstream audiences and how feminists Joan Didion and Betty Friedan subsequently critiqued them. A new generation of women and minority storytellers gain clout and bring genre remapping to the national consciousness. Mills explains as the road story evolves from such novels as *Song of Solomon* to

films like *Thelma and Louise* and television's *Road Rules 2* **Dressed in Black** Lisa MacKinney, 2025-03-18 The first full length history of the Shangri Las one of the most significant and most misunderstood pop groups of the 1960s Sisters Mary and Betty Weiss together with twins Mary Ann and Marguerite Ganser were schoolgirls when they formed the Shangri Las in 1963 and had a meteoric rise to fame with songs like *Leader of the Pack* and *Remember Walking in the Sand* Their career was cut short for reasons largely beyond their control derailed by the machinations of Mafia linked record executives and heartbreak and tragedy followed Historian Lisa MacKinney marshals an impressive array of new evidence to tell the Shangri Las story dispelling many myths and long standing mysteries along the way Equally importantly *Dressed in Black* radically rewrites the accepted narrative of the Shangri Las place in rock history As young women they were permitted little agency within a male dominated industry that viewed teenagers as fodder to be manipulated and exploited by producers songwriters and label owners For decades this has served as an excuse for critics to deny the musical input of the group members to trivialize the Shangri Las as a girl group and to assign their work a lesser rank in the canon of authentic rock and roll MacKinney's great achievement here is to foreground the Shangri Las considerable abilities and musicality and establish the centrality of their performance of their songs to the group's underappreciated artistic achievement This is not to deny the critical role in the group's success of professional songwriters including Ellie Greenwich and Jeff Barry and writer producer George Shadow Morton a pioneering and eccentric figure whose self mythologizing has generated a level of obfuscation that rivals that of the Shangri Las themselves MacKinney's clear sighted account reveals Morton in a completely new light and as part of a complex ecosystem of musical relationships Morton wrote and produced highly emotional material specifically for the Shangri Las because he knew they had the skills to make his mini operas not only believable but enthralling The group members particularly Mary Weiss channeled personal anguish into their extraordinary performances which are central to the songs impact no less so than for such classic singers as Ella Fitzgerald and Elvis Presley who also relied on producers and songwriters for their body of work The Shangri Las impassioned delivery elicited a massive response from their audience of fellow teenagers at the time and has continued to connect profoundly with audiences ever since MacKinney backs up these arguments with in depth analysis of key Shangri Las recordings and makes a powerful case that their achievements warrant a far more prominent place for the Shangri Las in the history of popular music **The High Magic of Talismans and Amulets**

Gutter Auteur Rob Craig, 2012-12-01 Grindhouse filmmaker Andy Milligan has been the subject of a revealing biography and boasts a grassroots fan base but his remarkable work has thus far received no serious critical overview Working virtually alone on infinitesimal budgets often using a used 16mm newsreel camera Milligan crafted some of the most unique melodramas of the 1960s and 1970s Often mounted as period pieces using costumes sewn by the filmmaker Milligan's gritty bizarre films come across as inimitable meldings of the avant garde theater of Jean Genet the experimental films of Jack Smith and the random cinema verité of a lunatic with a home movie camera Yet Milligan's films are anything but random ruminating at length on profound sociocultural themes of the day including the emptiness of the sexual revolution Evident throughout all the films are two pet themes a rabid deconstruction of the heterosexual paradigm and a grotesque illumination of the family as breeder of dysfunction
