Scots In The Usa And Canada 1825 1875 Part Four:

Scots in the USA and Canada, 1825-1875 David Dobson, 2009-06 This is the fourth book in David Dobson's Scots in the USA and Canada 1825 1875 a series designed to compensate for the lack of official Scottish passenger lists to North America during the nineteenth century Containing about 1 300 sketches not found in the prior books Part Four brings the total number of descriptions of the Scottish men and women and their families who were part of this great exodus to about 6 000 In addition to skilled craftsmen a number of the immigrants found in Part Four were dispossessed Highland farmers who had suffered as a result of the Highland Clearances a kind of enclosure movement or by periods of famine at mid century

Scots in the USA and Canada, 1825-1875 David Dobson, 2005 *Scots in the USA and Canada, 1825-1875* David Dobson, 1998 Although it is difficult to estimate the figure accurately experts believe that 100 000 Scots emigrated to the United States or Canada during the middle of the nineteenth century The majority of these emigrants were skilled educated workers from urban industrial backgrounds whose expertise was in great demand in the rapidly industrializing cities of North America For this book the first of five in the series see also Part Two Part Three Part Four and Part Five David Dobson who has previously published the most extensive lists of Scottish immigrants to America during the colonial and early Federal periods in print extends his coverage of Scottish immigration to the period 1825 1875 For the most part his findings come from Scottish newspapers like the Aberdeen Journal Fife Advertiser Scottish Guardian etc as well as from a handful of documents in the Scottish Record Office and other archives The Scottish expatriates identified by the compiler are arranged alphabetically and invariably give besides the individual's full name place of residence country state province or city an identifying date and the source of the information In addition many of the entries indicate the individual's date of birth father's name and occupation or place of residence spouse or the name of the vessel upon which he arrived In all Mr Dobson has culled information on upwards of 2 000 Scotsmen who were residing in North America during the early Victorian era
