Go for the win Achieve excellence and be better than you ve ever been In his years as a professional ice skater Olympic Gold Medalist Scott Hamilton learned to embrace the mind set of working hard to beat the competition But it seems competition has gotten a bad rap these days We ve bought into the belief that it is unfair to participants to rank performance Yet competition is in fact a good thing because it s about working toward excellence Finish First is a wake up call for business leaders entrepreneurs spouses parents and even students to stop settling for mediocre and begin to revitalize their intrinsic will to achieve excellence and go for the win Most of us feel we were made for something more but we re often afraid to allow ourselves to be competitive because we think our finishing first might somehow rob others of their chance to shine This book encourages the hidden potential the champion within all of us to come out which eventually brings our family marriage career business and the world around us the greatest possible good **Scott Hamilton** Michael Steere,1985 Profiles the figure skater from the mystery surrounding his birth to the long string of faraway rinks and coaches that led him to four consecutive world championships and to Olympic gold
