## Scott Turow:

One L Scott Turow, 2010-08-03 One L Scott Turow's journal of his first year at law school and a best seller when it was first published in 1977 has gone on to become a virtual bible for prospective law students. Not only does it introduce with remarkable clarity the ideas and issues that are the stuff of legal education, it brings alive the anxiety and competitiveness with others and even more with oneself that set the tone in this crucible of character building. Each September a new crop of students enter Harvard Law School to begin an intense, often grueling, sometimes harrowing year of introduction to the law. Turow's group of One Ls are fresh, bright, ambitious, and more than a little daunting. Even more impressive are the faculty. Will the One Ls survive? Will they excel? Will they make the Law Review, the outward and visible sign of success in this ultra-conservative microcosm? With remarkable insight into both his fellows and himself, Turow leads us through the ups and downs, the small triumphs and tragedies of the year in an absorbing and thought-provoking narrative that teaches the reader not only about law school and the law but about the human beings who make them what they are. In the new afterword for this edition of One L, the author looks back on law school from the perspective of ten years' work as a lawyer and offers some suggestions for reforming legal education. Scott Turow 3 Vol. (Boxed) Scott Turow, 1992-11-01 The Burden of Proof Presumed Innocent One L 3 Vols **Limitations** Scott Turow, 2006-11-14 From the 1 New York Times bestselling author of Presumed Innocent comes a compelling new legal mystery featuring George Mason from Personal Injuries. Originally commissioned and published by The New York Times Magazine, this edition contains additional material. Life would seem to have gone well for George Mason. His days as a criminal defense lawyer are long behind him. At fifty-nine, he has sat as a judge on the Court of Appeals in Kindle County for nearly a decade. Yet when a disturbing rape case is brought before him, the judge begins to question the very nature of the law and his role within it. What is troubling George Mason so deeply? Is it his wife's recent diagnosis? Or the strange and threatening e-mails he has started to receive? And what is it about this horrific case of sexual assault, now on trial in his courtroom that has led him to question his fitness to judge? In Limitations, Scott Turow, the master of the legal thriller, returns to Kindle County with a page-turning entertainment that asks the biggest questions of all. Ingeniously and with great economy of style, Turow probes the limitations not only of the law but of human understanding itself. **Presumed Innocent** Scott Turow, 2023-01-03 NOW AN APPLE ORIGINAL SERIES FROM APPLE TV STARRING JAKE GYLLENHAAL From 1 New York Times bestselling author and hailed as the most suspenseful and compelling novel in decades, this story brings to life our worst nightmare: that of an ordinary citizen facing conviction for the most terrible of all crimes.
