Mitchell, 2016-10-04 The peak of architectural ironwork in the 19th Century saw the spread of ornate decorative ironwork across the world In recent years there has been a significant increase in conservation and restoration projects aiming to protect the artistry of traditional ironwork for future generations Conservation of Architectural Ironwork is the first book to provide a complete guide to the conservation and maintenance of traditional architectural

ironwork First introducing the contextual history and key material features of architectural ironwork the book goes on to quide readers through the management and delivery of conservation projects from start to finish explaining the very latest in conservation technology At its peak architectural ironwork was used on a vast global scale in buildings bridges street furniture and ornamental structures With international case studies and detailed illustrations this book will be an essential reference for heritage professionals and students of architectural conservation around the world Africa in Scotland. Scotland in Africa, 2014-09-25 Africa in Scotland Scotland in Africa provides scholarly interdisciplinary analysis of the historical and contemporary relationships links and networks between Scotland Africa and the African diaspora The book interrogates these links from a variety of perspectives historical political economic religious diplomatic and cultural and assesses the mutual implications for past present and future relationships The socio historical connection between Scotland and Africa is illuminated by the many who have shaped the history of African nationalism education health and art in respective contexts of Africa Britain the Caribbean and the USA The book contributes to the empirical theoretical and methodological development of European African Studies and thus fills a significant gap in information interpretation and analysis of the specific historical and contemporary relationships between Scotland Africa and the African diaspora Contributors are Afe Adogame Andrew Lawrence Esther Breitenbach John McCracken Markku Hokkanen Olutayo Charles Adesina Marika Sherwood Caroline Bressey Janice McLean Everlyn Nicodemus Kristian Romare Oluwakemi Adesina Elijah Obinna Damaris Seleina Parsitau Kweku Michael Okyerefo Musa Gaiya and Jordan Rengshwat Vicky Khasandi Telewa **Professional Women Painters in Nineteenth-Century Scotland** Kenneth Ross Magnus Echtler and Geoff Palmer Janice Helland, 2019-06-11 This title was first published in 2000 Women in the 19th century have long been presented as the angel in the house The author re writes this history by investigating the life and working conditions of a number of middle class women who sought to establish themselves as professional artists in Scotland Contrary to the orthodox view preoccupied with oppression and difficulty the author demonstrates that women artists of the period were independent producers teachers and travellers alert to changes in taste and fashion They derived great pleasure from their work and enjoyed the benefits of women working together forming their own and joining existing professional associations The book is not biographical but elaborates on the life and working conditions of middle class artists by discussing their work in terms of economic and social history Sexual progressives Tanya Cheadle, 2020-03-17 Sexual Progressives is a major new study of the feminists and socialists who campaigned against the moral conservatism of the Victorian period Drawing on a range of sources from letters and diaries to radical newspapers and utopian novels it provides the first group portrait of Scotland s hitherto neglected sexual rebels They include Bella and Charles Pearce prominent Glasgow socialists and disciples of an American based mystic who taught that religion needed re sexed Jane Hume Clapperton a feminist freethinker with advanced views on birth control and women's right to sexual pleasure and Patrick Geddes founder of an avant garde Edinburgh

subculture and co author of an influential scientific book on sex A consideration of their lives and work forces a reappraisal of our understanding of British sexual progressivism during this period and will therefore be of interest to all historians of modern gender and sexuality The Modern Scot Tom Normand, 2017-11-22 This title was first published in 2000 An investigation of Scottish art between 1928 and 1955 to bring into focus the multifaceted project that was Scottish modernism At the core of this work lies the contention that Scottish modernism was underpinned by a desire to express a national consciousness It was this ambition which became the defining feature of radical Scottish art setting the parameters of its relationship with the idea of a coherent and international modern movement With the foundation of the National Party of Scotland in 1928 Scottish intellectuals began to consider the nature of national identity and the characteristics of a national art The Scottish Renaissance Movement under the voluble leadership of Hugh MacDiarmid set out to articulate these interests developing a vernacular poetry and literature For Scottish artists the way forward was harder to identify as they fought to reconcile the demands for a Scottish national art with the stylistic revolution of international modernism Tom Normand examines the competing claims of nationalism and modernism as they affected Scottish art This in depth analysis of a dynamic episode in Scottish visual culture looks at the work of among others William Johnstone William McCance and John Duncan Fergusson 5000 Years of Tiles Hans Van Lemmen, 2013-10-22 A comprehensive full color exploration of tile art and production worldwide from earliest times to the present day The book is both an authoritative work of reference and a visual delight ranging from ancient Greece where the first fired roof tiles date from as early as the third millennium BC to twentieth century Mexico Along the way we encounter stunning examples of the tiler's art the enormous English medieval floor pavements from Byland Abbey and Clarendon Palace figural tiles from China intended to adorn roofs and ward off evil the famous Iznik tiles from the Islamic world with their richly decorative patterns the highly stylised ceramic tiles of the Arts and Crafts movement and the tiles created by some of the finest ceramic artists and potters of the twenty first century Placing the tiles firmly in their historical and cultural context the book highlights both continuity and diversity the dissemination of techniques and designs and how tile art in one time and place has inspired and rejuvenated those in others Tiles are also studied in terms of function as well as form and the full range of architectural and practical purposes for which they have been used from floors to roofs stoves to bathrooms cathedrals to metro stations will be explored along with the various techniques employed to create such versatile pieces 5000 Years of Tiles is the essential most comprehensive single volume for anyone interested in the ceramic decorative and architectural arts British Consciousness and Identity Brendan Bradshaw, Peter Roberts, 2003-12-18 The historical resonances of the concept of Britain for the communities of the Atlantic Archipelago in the early modern period are explored here in terms of the ideological demands made upon it Various and competing concepts of Britishness are examined from the Henrician legislation which united Wales with England and which created the kingdom of Ireland to the Act of Union of the realms of England and Scotland The chequered history of the

consciousness of Britain as a polity which embraced the united kingdoms is discussed in relation to the distinctive national identities of the constituent countries and the question of the impact of Britain on English policy making under the Tudor Stuart and the first Hanoverian monarchs is addressed The puzzling resistance of the Irish to assimilation in contrast to the docility of the Welsh and eventually of the Scots is also explored The Oxford Companion to Scottish History Michael Lynch, 2007 Searchable online reference covers more than 20 centuries of history and interpret history broadly covering areas such as archaeology climate culture languages immigration migration and emigration Multi authored entries analyze key themes such as national identity women and society living standards and religious belief across the centuries in an authoritative yet approachable way The A Z entries are complemented by maps genealogies a glossary a chronology and an extensive guide to further reading From title screen The Scottish Educational Journal, 1923 Scottish Art in the 20th Century, 1890-2001 Duncan Macmillan, 2001 This new edition brings the story right up to date and includes a number of talented young artists who have emerged in the last few years It follows the success of the author's Scottish Art 1460 2000 which was awarded the Saltire Society Scotsman Prize for Scottish Book of the Year in 1990 and was described as definitive by Maria Vaizey in the Sunday Times Scottish Art in the 20th Century won a Scottish Arts Council Book Award when first published BOOK JACKET Iowa Artists of the First Hundred Years ,1939 Cities of Culture John R. Gold, 2016-12-05 City authorities in recent years have competed vigorously to gain the right to host international festivals In doing so they are heirs to a long tradition since cities have always served as a natural location for festivals and fairs providing settings on a scale impossible elsewhere Cities of Culture examines the role of the Western city as the scene of staged cultural events over the last 150 years Adopting a lively comparative perspective it highlights the development of international festivals since London's Great Exhibition of 1851 Making extensive use of case studies and illuminating examples it offers thought provoking insight into the material and symbolic significance of international festivals in urban affairs The book opens with an historical analysis of the role of the city as centre for celebrations rites and festivities from Antiquity to the French Revolution The next three sections of the book each focus on a different form of international festival The first deals with the history of staging the International Expositions with case studies of the Great Exhibition 1851 New York s World s Fair 1939 40 and Montreal's Expo 67 1967 The next part covers the Summer Olympic Games from their revival at Athens in 1896 to the Atlanta Games 1996 discussing the implications of their fluctuating fortunes for their host cities The third section discusses the history of a recently founded event that is assuming ever greater importance the European Cities of Culture programme The conclusion provides an overview of the events that celebrated the Millennium and examines the prospects for international festivals as part of the urban agenda of the twenty first century Cities of Culture will appeal to students of cultural history urban and cultural geography specialists in arts and heritage events management and anyone with an interest in the development of the contemporary Western city Memoirs of the distinguished Men of Science of Great Britain living in the years 1807, 8.
