Scottish Islands Photographs By Colin Baxter Baxter Guides:

The Rough Guide to Scottish Highlands & Islands Rob Humphreys, Donald Reid, 2004 This guide highlights the best places to sleep eat and drink in the Highlands and Islands It includes coverage of all major and minor outdoor activities hiking trails and mountain bike routes *Exploring Scotland's Islands* Terry Marsh, 2024-09-12 Explore the enchanting islands of Scotland with this absorbing and beautiful guide Around the coast of Scotland there are hundreds of islands from bare rugged skerries to lush dominions of history and deep rooted culture Each offers a unique haven to explore whether you enjoy sparkling white sandy beaches miles of untouched land beneath your feet nature spotting among otters puffins seals and more sampling the finest whisky and cheeses or learning more about Scotland's history *Exploring Scotland's Islands* describes the main island groups in all their moods and focuses on what gives these islands such magical and lasting appeal This book is a glorious celebration in words maps illustrations and photographs of some of the most superb scenery in Scotland Discover why these unique isles draw those lucky enough to find them back to visit whenever they can Among captivating descriptive text and beautiful photography *Exploring Scotland's Islands* also provides the reader with essential visitor information such as transport links the most inspiring visitor attractions and sights to see cafés and restaurants not to be missed and where you can stay to make your visits all the more special *Waterstone's Guide to Scottish Books* Nick Rennison, Colette Bryce, 1998 *The Northern Isles* Tom Smith, Chris Jex, 2007 A sea kayakers guide to the Orkney and Shetland Islands Their relative isolation stunning scenery and Norse history make Orkney and Shetland a very special place For the sea kayaker island archipelagos are particularly rewarding none more so than these Illustrated with superb colour photographs and useful maps throughout this book is a practical guide to help you select and plan trips It will provide inspiration for future voyages and a souvenir of journeys undertaken As well as providing essential information on where to start and finish distances times and tidal information the book does much to stimulate interest in the environment It is full of facts and anecdotes about local history geology scenery seabirds and sea mammals **The Jacobite Rebellions of the British Isles** Andrew Jackson, 2024-04-18 The story of the Jacobite Rebellions really began in 1534 when King Henry VIII changed the official religion of England from Catholic to Protestant The narrative then continued through turbulent times of civil war and religious and political strife leading to tensions and discontent boiling over when the Catholic King James II came to the throne in 1685 whereupon he was immediately beset by a Protestant rebellion led by the Duke of Monmouth which set a chain of events in motion resulting in William III and Mary II being crowned as Joint Monarchs after a bloodless coup It was James removal from the throne which created the spark for his supporters to orchestrate a series of revolts known as the Jacobite Rebellions the name coming from the Latin for James Jacobus These uprisings which included the rebellions from the Highlands of Scotland and the Williamite Wars in Ireland also formed part of the wider picture of a European war known as the Nine Years War the War of the Grand Alliance or the War of the League of Augsburg 1688 1697

During which King Louis XIV of France strived to realise his expansionist plans while enforcing the Catholic religion and continuing to promote the Jacobite cause for his own ends Later King Louis XIV was instrumental in initiating another conflict in Europe the Spanish War of Succession 1701 1714 which led the French to continue to support Jacobite risings in Scotland during the same period and beyond ultimately leading to Bonnie Prince Charlie s audacious bid for the British throne in 1745 The 45 rebellion was eventually put down in the crushing military defeat at Culloden in 1746 when the last pitched battle on British soil finally sounded the death knell for the Catholic and Stuart monarchy However the legend of the dashing prince who came so near but yet so far in his bid to win the throne back for the Stuarts is still very much alive in Scotland especially as he continued to frustrate an enormous government manhunt to capture him amidst a savage backdrop of reprisals being wreaked on the Highland Jacobites

Scots Imagination and Modern Memory Andrew Blaikie, 2010-03-22 This highly original study explores how different but connected ways of seeing infuse relationships between place and belonging Its argument is that all memories whether fleeting glimpses or elaborated narratives necessarily invoke imagined pasts tenement life island cultures vanished moralities even the origins of social science But do these multiple recollections share a common frame of reference Are perceptions conditioned by a collective social imaginary Visions of nation and community from Adam Ferguson s ideas on the development of civil society through John Grierson s pioneering of documentary film to the structures of feeling in popular fiction reflect the impact of modernity on Scottish culture since the late eighteenth century While landscape as the symbolic face of Scotland and its attendant mental contours have been produced and debated in many genres including travel literature social commentary novels and magazines changes in the means of capturing and presenting images particularly the emergent possibilities of the photograph have affected the ways we identify and remember The analysis adopts a broadly sociological approach but its range lends equal appeal to social historians cultural geographers and particularly those pursuing visual or memory studies

The Outer Hebrides Robert Emmott, Mike Sullivan, Tim Pickering, 2010 This guidebook contains 44 great sea kayak trips around the archipelago of the Outer Hebrides Berneray to the Butt of Lewis and including St Kilda The book presents all the navigational and tidal information a sea kayaker needs on this section of coast

Islands of Scotland Colin Baxter, 2000 Packed with colour photographs and descriptive captions this small format gift book would make an ideal gift or souvenir

The British National Bibliography Arthur James Wells, 2006

Orkney and Shetland Clyde Cruising Club, 2020-03-25 The second edition of this comprehensive guide to Orkney and Shetland which includes Fair Isle It also covers the jumping off harbours on south side of the Pentland Firth and the mainland coast of Scotland between Inverness and Cape Wrath The guide has been fully updated throughout In the same style as the other Clyde Cruising Club Sailing directions published under the Imray imprint The section on the north coast of Scotland draws on work previously published from Martin Lawrence
