Scottish Nationality

Michael Shaw

Scottish Nationality:

Scottish Nationality Murray Pittock, 2017-04-26 The changes begun by the devolution referendum of 1997 have caused interest and concern throughout Britain What seemed a remote and abstract question to many has in the last few years struck at the heart of the issue of what Britain is and it is increasingly clear that things will never be the same again Scottish Nationality is written with these changes in mind It is the only book available which both gives an overview of what made Scotland a nation across the whole of its history while also focusing in closely on the issues of the present day in particular Scotland's relationship with Britain Murray Pittock discusses historic Scottish nationality modern nationalism and patriotism within the Union What is a nation How has Scotland developed within Britain Where does it stand now And what does the future hold These questions are all addressed and Pittock also deals in detail with the essential facts of Scotland's story not a story which can be understood in isolation Scottish Nationality examines Scotland's relationship with both England and the wider world in order to put Scotland in context within the new British history and the new Britain itself As for the future the book avoids unverifiable predictions instead showing evidence of various trends and suggesting the importance of arguments for mutual understanding of Scotland's and England's national traditions

Scottish Ethnicity and the Making of New Zealand Society, 1850-1930 Tanja Bueltmann, 2011-07-07 The Scots accounted for around a quarter of all UK born immigrants to New Zealand between 1861 and 1945 but have only been accorded scant attention in New Zealand histories specialist immigration histories and Scottish Diaspora Studies This is peculiar because the flow of Scots to New Zealand although relatively unimportant to Scotland constituted a sizable element to the country's much smaller population Seen as adaptable integrating relatively more quickly than other ethnic migrant groups in New Zealand the Scots presence was obscured by a fixation on the romanticised shortbread tin facade of Scottish identity overseas Uncovering Scottish ethnicity from the verges of nostalgia this study documents the notable imprint Scots left on New Zealand It examines Scottish immigrant community life culture and identity between 1850 and 1930

Scottish History J. D. Mackie, 2013-08-22 The National Book League was a precursor to the current Booktrust and was set up in 1924 by the Society of Bookmen in order to promote reading particularly among the young To that end the NBL issued Reader's Guides on a variety of subjects each written by an author with expertise in that field and containing an annotated bibliography of recommended titles on the subject J D Mackie had a distinguished career as a historian of Scotland and was appointed Historiographer Royal for Scotland in 1957 the year after this guide was published This guide includes an introduction defending Scottish history as a subject independent from general British history and a bibliography divided by period and by specific points of interest including Scottish art and the role played by Scots in the development of the British Empire

Anglo-Scottish Relations from 1603 to 1900 T C Smout, 2005-12-22 In 1603 England and Scotland came together and Great Britain was created But how did this union last when so many others in Europe have failed This volume provides an account of two nations who have

often differed remained very distinct and yet have achieved endurance in European terms Nationality and Statelessness in International Law Paul Weis, 1979-12-13 This second revised edition takes into account the decision of the International Court of Justice in the Nottebohm Case which was published just as the first edition was going to press and therefore received only cursory treatment It also of course includes an analysis of international legislation adopted since 1955 including the 1961 UN Convention on the Reduction of Statelessness the 1957 UN Convention on the Nationality of Married Women and the 1966 International Covenant on Civil and Political Rights The decisions of international tribunals and in particular of the Italian Conciliation Commissions are analysed Finally the author presents legislative judicial and governmental practice during the twenty two years After beginning with a clear definition of terms the author analyses the functions of nationality in international law the relationship between municipal and international law and then the public international law of nationality In this latter part he examines international conventions international custom and the principles of law generally recognized with regard to nationality The book ends with a summary and conclusions dealing with the existing law and future developments **Modern Scottish Diaspora** Murray Stewart Leith, 2014-07-21 Explores the connectedness of the diaspora to the homeland from a variety of different perspectives This book explores a range of different perspectives on the Scottish diaspora reflecting a growing interest in the subject from academics politicians and policy makers and coinciding with Scotland's second year of homecoming in 2014 The Scottish Government has actively developed a diaspora strategy not least in order to encourage roots tourism as those individuals of Scots descent come back to visit their homeland diaspora Key Features Examines the importance of links within the Scottish diaspora for Scots both at home and abroad Multi disciplinary perspectives from literature to sport Of interest to policy makers genealogists tourism bodies politicians and general public The Scots form one of the world's largest diasporas with around 30 million people worldwide claiming a Scottish ancestry There are few countries around the globe without a Caledonian Society a Burns Club a Scottish country dance society or similar organisation The diaspora is therefore of interest to politicians to public policy makers and to Scottish business as well as to those working in the media in sport in literature and in music Culture, Nation, and the New Scottish Parliament Caroline McCracken-Flesher, 2007 Culture Nation and the New Scottish Parliament asserts that while Scotland's new Parliament 1999 is a creation of laws politics and economics some of the forces underpinning it are cultural therefore constantly alive and insistently creative Scotland may not be confined by but has always lived within and moved forward and outward through its signs and stories In the moment of the new Parliament it is time to cast up Scotland's accounts of past and present and to review the nation's futures Readers will find the usual signs of Scotland foregrounded questioned and re energized as contributors trace the dynamic toward a Scottish Parliament And they will find new signs whether sounds sights or souvenirs come into play revealing today's performance of a dynamic Scotland Caroline McCracken Flesher teaches the novel the British eighteenth and nineteenth centuries Scottish literature and literary theory at the

University of Wyoming Fin-de-Siecle Scottish Revival Michael Shaw,2019-09-27 This volume reveals a distinct but comparable concern with cultural defence and revivalism in fin de si cle Scotland evident in the work of a number of writers and artists including Robert Louis Stevenson Patrick Geddes Charles Rennie Mackintosh Mona Caird John Duncan and various contributors to The Evergreen **Remembering the Past in Nineteenth-Century Scotland** James

Coleman,2014-07-16 At a time when the Union between Scotland and England is once again under the spotlight Remembering the Past in Nineteenth Century Scotland examines the way in which Scotland s national heroes were once remembered as champions of both Scottish and British patriotism Whereas current popular orthodoxy claims that 19th century Scotland was a mire of sentimental Jacobitism and kow towing unionism this book shows that Scotland s national heroes embodied a consistent expressive and robust view of Scottish nationality From the potent legacy of William Wallace and Robert the Bruce through the controversial figure of the reformer John Knox to the largely neglected religious radicals the Covenanters these heroes once played a vital role in the formation of the virtues that made 19th century Britain great Examined through the prism of commemoration this book uncovers a reading of Scotland s past entirely opposed to the now dominant narratives of medieval proto nationalism and Calvinist misery **Scottish History and Literature to the Period**

of the Reformation John Merry Ross,1884 **The Mark of the Scots** Duncan A. Bruce,1998 Celebrates the accomplishments of Scots and people of Scottish descent from Immanuel Kant to Elvis Presley Scottish Diaspora Tanja Bueltmann,2013-11-20 A history of the Scottish diaspora from c 1700 to 1945 Did you know that Scotland was one of Europe s main population exporters in the age of mass migration Or that the Scottish Honours System was introduced as far afield as New Zealand This comprehensive introductory history of the Scottish diaspora examines these and related issues exploring the migration of Scots overseas their experiences in the new worlds in which they settled and the impact of the diaspora on Scotland Global in scope the book s distinctive feature is its focus on both the geographies of the Scottish diaspora an

Secession from a Member State and Withdrawal from the European Union Carlos Closa,2017-09-07 The first book to jointly analyse withdrawal of a member state from the EU i e Brexit and territorial secession **Learning to Succeed in Science** Saima Salehjee,Mike Watts,2023-06-29 This book offers a positive and compelling exploration of how young south Asian women can be encouraged to study science further and to consider STEM as a career Drawing together both intersectional and personal perspectives the book celebrates south Asian culture sharing the stories of these individuals their multifaceted identities aspirations and successes At the micro level an intersectional analysis reveals complicated identity negotiations of being young female a science orientated student imigr Muslim a daughter and a sister as well as how these identities might interact nest and shift The chapters build on the authors previous work in science education developing models of science identity Sci ID and women s engagement with the study of science and their aspirations for a science based career **Emigrant homecomings** Marjory Harper,2017-03-01 Emigrant Homecomings addresses the significant but

neglected issue of return migration to Britain and Europe since 1600 While emigration studies have become prominent in both scholarly and popular circles in recent years return migration has remained comparatively under researched despite evidence that in the nineteenth and twentieth centuries between a quarter and a third of all emigrants from many parts of Britain and Europe ultimately returned to their countries of origin **Emigrant Homecomings** analyses the motives experiences and impact of these returning migrants in a wide range of locations over four hundred years as well as examining the mechanisms and technologies which enabled their return The book examines the multiple identities that migrants adopted and the huge range and complexity of homecomers motives and experiences It also dissects migrants perception of home and the social economic cultural and political change that their return engendered **Studies in the History of the Law of Nations** Charles Henry Alexandrowicz,1972-01-07 **Politics, Education and Citizenship** Mal Leicester,Sohan Modgil,2005-08-10 Volume VI is concerned with political education and citizenship Papers from several countries lend an international perspective to currently significant concerns and developments including democracy and democratic education human rights national identity and education for citizenship **The Referendum on Separation for Scotland, Session 2012-13** Great Britain: Parliament: House of Commons: Scottish Affairs Committee,2013-01-23 For related report see HCP 542 ISBN 9780215047489 **Scotland** Murray Pittock,2022-09-27 An engaging and authoritative history of Scotland s influence in the world and the world s on Scotland from the Thirty Years War to the present day Scotland is one of the oldest nations in the world yet by some it is hardly counted as a nation at all Neither a colony of England nor a fully equal partner in the British union Scotland has often been seen as simply a component part of British history But the story of Scotland is one of innovation exploration resistance and global consequence In this wide ranging deeply researched account Murray Pittock examines the place of Scotland in the world He explores Scotland and Empire the rise of nationalism and the pressures on the country from an increasingly monolithic understanding of Britishness From the Thirty Years War to Jacobite risings and today s ongoing independence debates Scotland and its diaspora have undergone profound changes This groundbreaking account reveals the diversity of Scotland s history and shows how after the country disappeared from the map as an independent state it continued to build a global brand **The Literary World** ,1887

Yeah, reviewing a ebook **Scottish Nationality** could grow your close connections listings. This is just one of the solutions for you to be successful. As understood, deed does not recommend that you have extraordinary points.

Comprehending as skillfully as deal even more than supplementary will offer each success. next to, the proclamation as competently as sharpness of this Scottish Nationality can be taken as well as picked to act.
