Literature, 1350-1550 Kate Ash-Irisarri, 2025-04 Considers how Anglo Scottish conflict was memorialised reimagined and
embedded by later writers The Anglo Scottish Wars of Independence are often treated in historical and poetical works
produced in Scotland between the fourteenth and sixteenth century from chronicles and hagiographical romances to advisory
and commemorative poems Through an examination of such texts this book explores how late medieval writers drew on the
memory of the wars to articulate a collective identity and how literary and historical frameworks were deeply influenced by
shifting Anglo Scottish relations It covers a range of topics how borders textual geographic and cultural became a focus for
articulations of national memory the utilisation of origin myths and royal genealogy anxieties around failures of memory or
deliberate acts of forgetting and the impact of the Battle of Flodden 1513 on writing about Scottish nationhood Dealing in
particular with Bower s Scotichronicon Hary s Wallace The Complaynt of Scotland and Lyndsay s Dreme this study argues
that these writers drew on understandings of the arts of memory to shape selective and collective recollections of the past as
a response to contemporary concerns providing an emotive memorialisation of Scotland s history and Lyndsay s Dreme this

The First World War gave new and vital impetus to the ancient idea that books could heal This interdisciplinary collection provides a targeted survey of 100 years of historical and contemporary understandings and practices of the book as cure The contributors explore the curative practices of wartime reading how they were developed and institutionalized after the war and the afterlives of these ideas and practices today Divided into three sections the first considers bibliotherapy in World War I It is rooted in the wartime cultures which ensured bibliotherapy became part of the active treatment of soldiers damaged minds and bodies on both sides of the Atlantic after 1914 Parts two and three examine the expanding variety of critical contexts both historical and more modern in which reading and wellbeing continued to intersect The chapters draw on a wide range of source material from trench magazines to autograph books to e novels as well as on data and information drawn from practice based encounters They also provide the basis for further scholarly exploration of for example national traditions and contexts and the inter disciplinary relationships which they inspire A Hundred Years of Bibliotherapy Healing through Books provides the first interdisciplinary dialogue on and account of bibliotherapy addressing both historical and present day modes of engaging with the ostensibly curative power of reading and reading cultures It is an invaluable resource for scholars of literary studies book history and the medical humanities
