

Screaming

*Scream your heart full of pain,
If you want something to gain..
Scream your mind full of joy,
If you want something to enjoy..
Ever wondered, why does it rain?
Oh my friend, it's a scream of nature's pain..
Ever wondered, why do babies cry?
Oh my friend, it's a scream of their first try..
Scream my friend scream,
Don't just shout..Better you Scream out...*

American Scream Jonah Raskin,2004-04-07 Written as a cultural weapon and a call to arms Howl touched a raw nerve in Cold War America and has been controversial from the day it was first read aloud nearly fifty years ago This first full critical and historical study of Howl brilliantly elucidates the nexus of politics and literature in which it was written and gives striking new portraits of Allen Ginsberg Jack Kerouac and William Burroughs Drawing from newly released psychiatric reports on Ginsberg from interviews with his psychiatrist Dr Philip Hicks and from the poet s journals American Scream shows how Howl brought Ginsberg and the world out of the closet of a repressive society It also gives the first full accounting of the literary figures Eliot Rimbaud and Whitman who influenced Howl definitively placing it in the tradition of twentieth century American poetry for the first time As he follows the genesis and the evolution of Howl Jonah Raskin constructs a vivid picture of a poet and an era He illuminates the

development of Beat poetry in New York and San Francisco in the 1950s focusing on historic occasions such as the first reading of Howl at Six Gallery in San Francisco in 1955 and the obscenity trial over the poem's publication. He looks closely at Ginsberg's life including his relationships with his parents, friends, and mentors while he was writing the poem and uses this material to illuminate the themes of madness, nakedness, and secrecy that pervade Howl. A captivating look at the cultural climate of the Cold War and at a great American poet, *American Scream* finally tells the full story of Howl, a rousing manifesto for a generation and a classic of twentieth-century literature.
