The Science of Screenwriting Paul Joseph Gulino, Connie Shears, 2018-02-08 In a world awash in screenwriting books The Science of Screenwriting provides an alternative approach that will help the aspiring screenwriter navigate this mass of often contradictory advice exploring the science behind storytelling strategies Paul Gulino author of the best selling Screenwriting The Sequence Approach and Connie Shears a noted cognitive psychologist build chapter by chapter an understanding of the human perceptual cognitive processes from the functions of our eyes and ears bringing real world information into our brains to the intricate networks within our brains connecting our decisions and emotions They draw on a variety of examples from film and television The Social Network Silver Linings Playbook and Breaking Bad to show how the human perceptual process is reflected in the storytelling strategies of these filmmakers They conclude with a detailed analysis of one of the most successful and influential films of all time Star Wars to discover just how it had the effect that it had

Genre Screenwriting Stephen V. Duncan, 2014-09-18 It's simple films need to have commercial value for the studios to produce them distributors to sell them and theater chains to screen them While talent definitely plays a part in the writing process it can be the well executed formulaic approaches to the popular genres that will first get you noticed in the industry **Genre Screenwriting How to Write Popular Screenplays That Sell** does not attempt to probe in the deepest psyche of screenwriters and directors of famous or seminal films nor does it attempt to analyze the deep theoretic machinations of films Duncan's simple goal is to give the reader the screenwriter a practical guide to writing each popular film genre Employing methods as diverse as using fairy tales to illustrate the how to process for each popular genre and discussing these popular genres in modern television and its relation to its big screen counterpart Duncan provides a one stop shop for novices and professionals alike

Screenwriting Tips, You Hack Xander Bennett, 2013-05-02 Screenwriting Tip 99 Voice over usually feels like scaffolding You know something you left in there when you were constructing the first draft but really should have torn out after it served its purpose Screenwriting Tip 120 Always remember that funny trumps everything Your script could be written in crayon with your name spelled wrong on the cover but if it's genuinely funny none of that matters Screenwriting Tip 156 The easiest way to write kick ass protagonists is to make them incredibly good at what they do Confused at the outline stage Stuck in the swamp of Act Two Don't know who your protagonist is or where she's going You might feel like a hack But don't worry you're not alone Even the most experienced writers feel like this at times Sometimes we just need a few short pointers and reminders to set us on the path again Xander Bennett worked as a script reader in the trenches of Hollywood reading and covering hundreds of mediocre screenplays After months of reading about heroic Sea World trainers transgendered circus detectives and crime fighting chupacabras he couldn't take it any more Xander started a blog called Screenwriting Tips You Hack a place designed to provide short witty tips on screenwriting for amateur writers all the way up to journeymen scribes This book is the evolution of that blog Dozens of the best scripts along with many brand

new ones have been expanded into bite sized chapters full of funny insightful highly usable advice Let Xander s pain be your gain as you learn about the differences between film and television structure how to force yourself to write when you really don t want to and why you probably shouldn t base your first spec script around an alien invasion
