## **Scripture In The World Religions A Short Introduction:**

**Scripture in the World Religions** Harold G. Coward, 2000-08 In this systematic and accessible analysis Harold Coward carefully explores the scriptures written and spoken of six major world faiths He examines their interpretation their role in devotion and education and their relationships with each other

**A Short Introduction to World Religions** Tim Dowley, 2018-07-01 This leading textbook for world religions is now available in a more concise version Many of the features of Introduction to World Religions are retained in this volume but with focus on the religious traditions themselves The section on religions of antiquity has been removed and key content in each chapter streamlined to increase accessibility for students in their study and research of the world's religious traditions Known and valued for its balanced approach this book offers an arresting layout with rich illustrations It continues to provide broad coverage of diverse religions including indigenous religions Hinduism Buddhism Jainism Judaism Christianity Islam Sikhism and Chinese Korean and Japanese religions The user friendly content is enhanced by charts of religious festivals historic timelines updated maps of the world's religions and a useful glossary Both historical overviews and modern perspectives for each religion are included This edition includes several updates made to the new third edition including a new design a new section on women and religion and a newly revised section on religions in today's world

**Reading the Sacred Scriptures** Fiachra Long, Siobhán Dowling Long, 2017-07-14 Reading the Sacred Scriptures From Oral Tradition to Written Documents and their Reception examines how the scriptures came to be written and how their authority has been constructed and reinforced over time Highlighting the measures taken to safeguard the stability of oral accounts this book demonstrates the care of religious communities to maintain with reverence their assembled parchments and scrolls Written by leading experts in their fields this collection chronicles the development of the scriptures from oral tradition to written documents and their reception It features notable essays on the scriptures of Hinduism Judaism Buddhism Zoroastrianism Confucianism Daoism Christianity Islam Sikhism Shinto and Baha'i This book will fascinate anyone interested in the belief systems of the featured religions It offers an ideal starting point from which undergraduate and postgraduate religious studies students teachers and lecturers can explore religious traditions from their historical beginnings

**Sacred Texts Interpreted** Carl Olson, 2017-10-05 Covering the major monotheistic religions Christianity Judaism and Islam as well as selected Eastern religions and Bahá'í Zoroastrianism and Mormonism this cross cultural book offers excerpts of sacred texts and interprets passages to enable a deeper understanding of these religious writings Sacred Texts Interpreted Religious Documents Explained gives readers the opportunity to examine directly the primary sources of different religions and to better understand these texts through expert commentary on selected passages The interpretative material investigates the nature of sacred texts along with the relationship between sacred scripture and canon and it explains why these sacred texts have enduring significance and influence The author provides suggestions on how to read a sacred text before turning to the textual selections from 13 religious traditions

arranged alphabetically beginning with the Bah religion and ending with Zoroastrianism Each chapter is devoted to the primary textual sources of a particular religious tradition and is prefaced by an introduction to the literature that places it within its historical and cultural heritage The emphasis for each religion is on its foundational scriptures that are often considered sacred by its adherents Readers will gain a much greater appreciation of how powerful religious texts have always been across human culture and throughout millennia and of how religious thought and ideology have shaped daily life built civilizations inspired art and literature and incited wars and violence

**The Oxford Handbook of Christianity in Asia** Felix Wilfred, 2014 Named by the International Bulletin of Missionary Studies as an Outstanding Book of 2014 for Mission Studies Despite the ongoing global expansion of Christianity there remains a lack of comprehensive scholarship on its development in Asia This volume fills the gap by exploring the world of Asian Christianity and its manifold expressions including worship theology spirituality inter religious relations interventions in society and mission The contributors from over twenty countries deconstruct many of the widespread misconceptions and interpretations of Christianity in Asia They analyze how the growth of Christian beliefs throughout the continent is linked with the socio political and cultural processes of colonization decolonization modernization democratization identity construction of social groups and various social movements With a particular focus on inter religious encounters and emerging theological and spiritual paradigms the volume provides alternative frames for understanding the phenomenon of conversion and studies how the scriptures of other religious traditions are used in the practice of Christianity within Asia

*The Concept of Self in Hinduism, Buddhism, and Christianity and Its Implication for Interfaith Relations* Kiseong Shin, 2017-05-05 This is the first comparative study of the self and no self in Hinduism Buddhism and Christianity In spite of doctrinal differences within these three belief systems they agree that human beings are in a predicament from which they need to be liberated Indian religions including Hinduism and Buddhism share the belief that human nature is inherently perfectible while the epistemological and psychological limitation of the human being is integral to Christian belief Regarding the immortality of the human being Hinduism and Christianity traditionally and generally agree that human beings as atman or soul possess intrinsic immortality On the contrary Buddhism teaches the doctrine of no self anatta Further in their quest to analyze the human predicament and attempt a way out of it they employ different concepts such as sin and salvation in Christianity attachment tanka and enlightenment nirvana in Buddhism and ignorance avidya and liberation moksha in Hinduism This volume seeks to show that behind these concepts are deep concerns related to human existence and its relationship with the whole creation These common concerns can be a basis for a greater understanding and dialogue between Christians Hindus and Buddhists

Religion Martin Forward, 2012-12-01 All too frequently humans are involved only in seeing religion from either an academic or a proselytising point of view we forget the human side the faith and belief the wonder that is the driving force behind religion Launching Oneworld's series of Beginner's Guides introductory titles with a twist this study probes to the heart of religion examining a

range of issues with clarity and concision From the origins of religious belief to the role of festivals and the life beyond this one this incisive little volume draws on history theology philosophy and the words of great thinkers old and new to introduce the timeless truths behind our common spiritual quests *Human Rights and Responsibilities in the World Religions* Joseph Runzo, Nancy M. Martin, Arvind Sharma, 2003-08 In this text some of the world's greatest philosophers and scholars of religion have merged to consider the role played by the world religions in mediating and promoting human rights Mantra Harold Coward, Harold G. Coward And David J. Goa, 2008-01-30 The experience of the divine in India has three components sight performance and sound One in a trilogy of books that include Diana Eck's *Darsan Seeing the Divine in India* and Susan L. Schwartz's *Rasa Performing the Divine in India* *Mantra* presents an introduction to the use of sound mantra in the practice of Indian religion Mantra in the form of prayers rituals and chants permeate the practice of Indian religion in both temple and home settings This book investigates the power of mantra to transform consciousness It examines the use and theory of mantra under various religious schools such as the Patanjali sutras and tantra and includes references to Hindu Sikh Sufi Islam and Buddhist traditions This edition adds new sections on the use of sacred sound in Hindu and Sikh North American diaspora communities and on the North American non Indian practice of yoga and mantra Doing the Work of Comparative Theology Veli-Matti Kärkkäinen, 2020-01-28 In a world that is more religiously diverse than ever before our coworkers and neighbors may well be adherents of other faiths But how many of us really grasp the similarities and differences between the major world religions Comparative theology is one increasingly important way to bridge this gap especially for Christian leaders and professors but also for lay people and students Veli Matti Kärkkäinen introduces the nature and work of comparative theology then delves into a detailed doctrine by doctrine comparison of Christian teachings with those of historical and contemporary Judaism Islam Buddhism and Hinduism With every doctrine he first presents a summary of consensual Christian belief and then orients the reader to the distinctive teachings of other faith traditions highlighting parallels and differences Ideal for students ministers instructors and lay people interested in interfaith dialogue *Doing the Work of Comparative Theology* distills the comparative theological rigor of Kärkkäinen's *Constructive Christian Theology for the Pluralistic World* series into an accessible and user friendly textbook Readers will not only learn basic methodology but also begin to undertake the actual work of comparative theology **Encyclopedia of World Scriptures** Mary Ellen Snodgrass, 2024-10-17 From the time of human beginnings holy words chants liturgy and narratives have enabled individuals to communicate the mysteries of the universe Bodies of liturgical composition had to survive oral transmission for centuries until calligraphers could inscribe them in pictograph symbol or coded cipher or write them in words on stone mural scroll parchment or paper Through repetitions of sacred speech and writing couples enter holy wedlock infants receive consecration and blessing youths advance to adulthood rulers dedicate temporal powers to God cities pledge themselves to peace and the dead pass from an earthly existence to the afterlife The most sacred and influential writings the world has

**Understanding World Religions** Irving Hexham, 2011-03-22 Globalization and high speed communication put twenty first century people in contact with adherents to a wide variety of world religions but usually valuable knowledge of these other traditions is limited at best On the one hand religious stereotypes abound hampering a serious exploration of unfamiliar philosophies and practices On the other hand the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world s many religions Understanding World Religions presents religion as a complex and intriguing matrix of history philosophy culture beliefs and practices Hexham believes that a certain degree of objectivity and critique is inherent in the study of religion and he guides readers in responsible ways of carrying this out Of particular importance is Hexham s decision to explore African religions which have frequently been absent from major religion texts He surveys these in addition to varieties of Hinduism Buddhism Judaism Christianity and Islam
