Muhammad: the Demon Possessed False Prophet of Islam

Jamaal Williams, 2024-04-01 Woe is me poet or possessed Muhammad Could it be that one of the most influential men in history was manipulated by satanic powers It's time to unveil the many unsavory truths about the founder of Islam Muhammad drawn directly from Islamic sources The prophet of Islam was arguably demon possessed or severely demonically influenced Muhammad's prophetic career began with an encounter with a spirit entity in the cave of Hira Islamic literature states that the alleged angel Gabriel manhandled and abused him leaving him terrorized suicidal and in a state of madness This encounter alone should raise red flags Moreover Islamic texts report that Muhammad was under a black magic spell uttered the words of Satan in the infamous Satanic Verses event and had a demonic spirit guide or familiar spirit Again this is all coming from Islamic texts Additionally Muhammad and many of his contemporaries believed he was demon possessed Indeed he experienced many strange physical manifestations such as twitching foaming at the mouth convulsing roaring or snorting like a camel that was falsely believed to be divine inspirations from the supposed angel Gabriel and or Allah These disturbing accounts form the basis of our e book which gives an uncensored and uncompromised look at Muhammad and the religion he founded Islam The content of Islamic texts is shocking appalling and downright disturbing Much of such information is not even known to educated Muslims Nothing is held back when Muhammad's deplorable morality is scrutinized Would God who is righteous and holy work behind a person who sanctioned many atrocious acts and practices child marriage wife beating assassinations torture and sex slavery Was Muhammad a perfect example for mankind as many Muslims believe when Islamic sources document actions that many today would describe as cruel discriminatory oppressive and tyrannical What is also covered is his controversial consummation of marriage to a 9 year old girl named Aisha at the age of 54 What spirit was moving behind Muhammad to practice what many today would consider to be gross crimes against humanity This e book has a wealth of evidence that Muhammad was indeed demon possessed and thus should be considered a false prophet of God We thoroughly examine the idea of him being demonically influenced using over 1 000 direct quotations all hyperlinked directly to the source from the most authoritative Islamic sources the Quran authentic hadiths tafsirs sirat literature etc The idea that the enemy manipulated Muhammad is not the conclusion of a mere layman in demonology but of someone with many years of experience in deliverance ministry i.e. expelling demons out of people by the power and authority of Jesus With this expertise the e book uncovers not only the evidence but also the broader implications

What would be the purpose of Satan using Muhammad One reason is to blind people s minds from believing the Gospel that Jesus is the only begotten Son of God who died on the cross for the sins of the world and was resurrected Without the belief in the Gospel there is no salvation This analysis serves a critical purpose for all truth seekers It is a great resource for those involved in Christian apologetics and polemics with many references refuting the religion of Islam *Studies in the C.L.
