Scripture And The Authority Of God:

Scripture and the Authority of God N. T. Wright, 2011-03-01 In Scripture and the Authority of God How to Read the Bible Today Widely respected Bible and Jesus scholar N T Wright gives new life to the old tattered doctrine of the authority of scripture delivering a fresh helpful and concise statement on the current battles for the Bible and restoring scripture as the primary place to find God s voice In this revised and expanded version of The Last Word leading biblical scholar N T Wright shows how both evangelicals and liberals are guilty of misreading Scripture and reveals a new model for understanding God s authority and the Bible Scripture and the Authority of God Nicholas Thomas Wright, 2014-05-09 Presents a new model for how to understand the place of scripture and God's authority in the midst of religious confusion **Biblical Authority** James T. Draper, Kenneth Keathley, 2001 Today as ever Scripture must be the absolute standard by which all things are The Last Word N. T. Wright, 2005-11-22 While showing how both evangelicals and liberals misread Scripture a judged leading Bible scholar and Anglican bishop shows how to restore the Bible's authority today for guiding the church through its Solid Jack Cottrell, 2002-06-11 The attack has been renewed once again The same issues today have many controversies been settled many times over the centuries Because the question is being resurrected again it is necessary to restate the nature of biblical authority Solid states the case for the inerrancy of Scripture which is the only consistent approach to Biblical authority In addition to the apologetic benefit of the book practical implications are presented for Christian faith and life Cottrell writes clearly and concisely in order to provide a clear study for as many readers as possible Chapters include Jesus and the Bible Inerrancy of the Bible Dealing with Difficulties in the Bible Reasons for Believing the Bible and more

God's Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize

that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches **Biblical Authority Or Biblical Tyranny?** L. William Countryman, 1994-03-01 Proposes that scripture be understood as a word that prompts more questions than it answers and that in scripture God has not uttered the last word for us but the first The Foundation of Biblical Dictionary for Theological Interpretation of the Bible Kevin J. Authority James Montgomery Boice, 1978 Vanhoozer, 2005-11 This groundbreaking reference tool introduces key names theories and concepts for interpreting The Enduring Authority of the Christian Scriptures D. A. Carson, 2016-02-29 Valuable insights into key disputed topics from a veritable who s who of evangelical scholars In this volume thirty seven first rate evangelical scholars present a thorough study of biblical authority and a full range of issues connected to it Recognizing that Scripture and its authority are now being both challenged and defended with renewed vigor editor D A Carson assigned the topics that these select scholars address in the book After an introduction by Carson to the many facets of the current discussion the contributors present robust essays on relevant historical biblical theological philosophical epistemological and comparative religions topics To conclude Carson answers a number of frequently asked questions about the nature of Scripture cross referencing these FAQs to the preceding chapters This comprehensive volume by a team of recognized experts will be the go to reference on the nature and authority of the Bible for years to come CONTRIBUTORS James Beilby Kirsten Birkett Henri A G Blocher Craig L Blomberg D A Carson Graham A Cole Stephen G Dempster Daniel M Doriani Simon Gathercole David Gibson Ida Glaser Paul Helm Charles E Hill Peter F Jensen Robert Kolb Anthony N S Lane Te Li Lau Richard Lints V Philips Long Thomas H McCall Douglas J Moo Andrew David Naselli Harold Netland Osvaldo Padilla Michael C Rea Bradley N Seeman Alex G Smith R Scott Smith Rodney L Stiling Glenn S Sunshine Timothy C Tennent Mark D Thompson Kevin J Vanhoozer Bruce K Waltke Barry G Webb Peter J Williams John D Woodbridge "Fake News" Theology Kenton L. Sparks, 2020-02-27 No matter what side you re on or how you look at it we re living in a world that s filled with fake news and with lots of people who believe it How do Christians fits into this world In this book Kenton Sparks argues that certain approaches to biblical authority which assume that the Bible is a perfect book make Christians especially susceptible to the deceptions of fake news and cause us to embrace false understandings of the Bible and because of this about natural science social science various academic disciplines politics morals ethics and loads of other things The resulting damage to faith and Christian witness is significant Is there a better way to understand and honor biblical authority Yes We must restore God as the final authority over our interpretations of Scripture The path forward for this theological agenda was modeled by Jesus Christ in his interpretations of Scripture Whereas his contemporaries often followed the letter of the law or something akin to it Jesus taught that love for God and neighbor provided the proper foundation and destination for healthy readings and applications of the Bible If love

required more radical internal commitments to the law Jesus demanded this of his audience where love required that we set aside the law s violent judgments he pointed his audience in the opposite direction In modeling this approach to Scripture Jesus taught as one with authority and thus showed us that when we interpret Scripture through the lens of divine love we give ourselves the best opportunity to read Scripture under the authority of God **Biblical Authority** John D. Woodbridge, 1982 With courtesy and restraint Professor Woodbridge administers a series of knock out blows to the confidently voiced claim that factual inerrancy is no authentic element in the historic Christian view of Scripture The Authority and Interpretation of the Bible Jack Rogers, Donald K. McKim, 1999-02-05 This book is a detailed and comprehensive study of attitudes toward biblical authority and interpretation held from the beginnings of the Christian era to the present day In clear and readable fashion the authors examine the writings of early church fathers the medieval exegetes and the leaders of the Protestant Reformation to locate the source of and refute the position of inerrancy Trust Steve Ham, 2010 Author Steve Ham Director of Outreach at Answers in Genesis clearly delves into the issues of faith and God's authority in the life of the believer in order to prepare you to stand firm An intriguing exploration of why man was never meant to rule himself but instead to operate within an authoritative structure designed by God Authority of Scripture Sarah Heaner Lancaster, 2002-09-01 Addresses the theological impact of accepting the absolute authority of biblical scripture and its related issues examining how women in the church have dealt with scriptural authority while offering advice on how they can address it in the future Original Calvin's Doctrine of Biblical Authority Abd-el-Masih Istafanous, 2010-09-06 Calvin's Doctrine of Biblical Authority offers a profound new approach to a long debated topic Istafanous draws upon Calvin s twofold structure regarding salvation to illumine the Reformer s twofold knowledge of God with particular focus on biblical authority In doing so Istafanous presents Calvin's view of biblical authority framed within modern discussions of inspiration In the 1539 edition of the Institutes and in all subsequent editions John Calvin presented justification and sanctification as the twofold grace of God He repeatedly taught this concept in all of his commentaries sermons and other writings More than any other reformer Calvin used the twofold grace to express the full relationship between justification and sanctification In the definitive edition of the Institutes 1559 Calvin introduced the concept of the twofold knowledge of God This framework has been considered by many as the ordering principle of the Institutes and all of Calvin's theology Istafanous argues that the twofold Grace inspired Calvin to introduce the concept of the twofold knowledge in 1559 Thus the twofold grace of God provides the key to understanding the twofold knowledge specifically and Calvin's theology generally **People of the Book** John Barton, 2012-05-04 Major new edition of a modern classic fully revised and expanded Contains a substantial new chapter on The Bible in Practice John Barton is one of the world's most influential and widely respected biblical scholars and questions about biblical authority and inspiration are as topical and controversial as ever Biblical Authority Tack Rogers, 1984-02 Bible Inspiration, Preservation, and
