Secrets of the Top Equestrian Trainers Various,2005-10-15 *Secrets of the Top Horse Trainers Revealed* provides an invaluable insight into what motivates the world's top equestrian trainers and the philosophy behind their success. It explains broad equestrian concepts and shows how these can be applied in day to day training. Based on a series of interviews with top horse trainers each will focus on the subject's unique and particular strengths. Yogi Breisner for example is well known for his ability to inspire confidence in whoever he is helping. The main thrust of his interview will therefore reveal how he achieves this state in riders and horses. Other trainers and riders on the short list of potential interviewees include internationally renowned dressage trainers Robert Dover, Kyra Kurkland and Richard Davison, Peter Charles and Rodrigo Pessoa, two of the best show jumpers in the world and David O'Connor, the American three day event Olympic Gold Medallist, now head of the United States Equestrian Federation. In addition to the horse trials trainers mentioned above, the book will also include interviews with Henrietta Knight, most respected natural horsemen in the world.
