Short Trip to the Edge is an exceptional and compelling book Scott Cairns has a poet's eye and a storyteller's flair so that mystical experience and profound theology are bodied forth in memorable images and vivid scenes instead of being lost in abstraction This book witnesses to the way ancient truths can become vivid true and life changing in the here and now This is a short trip you will never forget Rev Dr Malcolm Guite Girton College Cambridge [An Actor's Work](#) Konstantin Stanislavski,2008-02-07 At last Jean Benedetti has succeeded in translating Stanislavski's huge manual into a lively fascinating and accurate text in English remaining faithful to the author's original intentions within a colloquial and readable style for today's actors **Flood Control on the Mississippi River** United States.
