Chris Yogerst

See No Evil Life Inside A Hollywood Censor:

See No Evil Jack Vizzard,1970 *Controlling Hollywood* Matthew Bernstein,2000-01-01 Explaining the major forces at play behind the making of Hollywood films this text assesses how changing values have influenced censorship in Hollywood The text also analyses the major cultural social legal and religious changes and their effect on Hollywood Movie Censorship and American Culture Francis G. Couvares,2006 From the earliest days of public outrage over indecent nickelodeon shows Americans have worried about the power of the movies The eleven essays in this book examine nearly a century of struggle over cinematic representations of sex crime violence religion race and ethnicity revealing that the effort to regulate the screen has reflected deep social and cultural schisms In addition to the editor contributors include Daniel Czitrom Marybeth Hamilton Garth Jowett Charles Lyons Richard Maltby Charles Musser Alison M Parker Charlene Regester Ruth Vasey and Stephen Vaughn Together they make it clear that censoring the movies is more than just a reflex against indecency however defined Whether censorship protects the vulnerable or suppresses the creative it is part of a broader culture war that breaks out recurrently as Americans try to come to terms with the market the state and the plural society in which they live **See No Evil** Jack Vizzard,1971 *Propaganda, Politics and Film, 1918-45* D W Springd,1982-07-08

The Warner Brothers Chris Yogerst,2023-09-05 One of the oldest and most recognizable studios in Hollywood Warner Bros is considered a juggernaut of the entertainment industry Since its formation in the early twentieth century the studio has been a constant presence in cinema history responsible for the creation of acclaimed films blockbuster brands and iconic superstars These days the studio is best known as a media conglomerate with a broad range of intellectual property spanning movies TV shows and streaming content Despite popular interest in the origins of this empire the core of the Warner Bros saga cannot be found in its commercial successes It is the story of four brothers Harry Albert Sam and Jack whose vision for Hollywood helped shape the world of entertainment as we know it In *The Warner Brothers* Chris Yogerst follows the siblings from their family s humble origins in Poland through their young adulthood in the American Midwest to the height of fame and fortune in Hollywood With unwavering resolve the brothers soldiered on against the backdrop of an America reeling from the aftereffects of domestic and global conflict The Great Depression would not sink the brothers who churned out competitive films that engaged audiences and kept their operations afloat and even expanding During World War II they used their platform to push beyond the limits of the Production Code and create important films about real world issues openly criticizing radicalism and the evils of the Nazi regime At every major cultural turning point in their lifetime the Warners held a front row seat Paying close attention to the brothers identities as cultural and economic outsiders Yogerst chronicles how the Warners built a global filmmaking powerhouse Equal parts family history and cinematic journey *The Warner Brothers* is an empowering story of the American dream and the legacy four brothers left behind for generations of filmmakers and film lovers to come **From Dead Ends to Cold Warriors** Peter W.Y. Lee,2021-02-12 After World War II studies examining

youth culture on the silver screen start with James Dean But the angst that Dean symbolized anxieties over parents the Establishment and the expectations of future citizen soldiers long predated Rebels without a Cause Historians have largely overlooked how the Great Depression and World War II impacted and shaped the Cold War and youth contributed to the national ideologies of family and freedom From Dead Ends to Cold Warriors explores this gap by connecting facets of boyhood as represented in American film from the 1930s to the postwar years From the Andy Hardy series to pictures such as The Searcher Intruder in the Dust and The Gunfighter boy characters addressed larger concerns over the dysfunctional family unit militarism the race question and the international scene as the Korean War began Navigating the political social and economic milieus inside and outside of Hollywood Peter W Y Lee demonstrates that continuities from the 1930s influenced the unique postwar moment coalescing into anticommunism and the Cold War *The Merchant Prince of Poverty* Row Bernard F. Dick, 2021-10-19 Ben Hecht called him White Fang and director Charles Vidor took him to court for verbal abuse The image of Harry Cohn as vulgarian is such a part of Hollywood lore that it is hard to believe there were other Harry Cohns the only studio president who was also head of production the ex song plugger who scrutinized scripts and grilled writers at story conferences a man who could see actresses as either broads or goddesses Drawing on personal interviews as well as previously unstudied source material conference notes memos and especially the teletypes between Harry and his brother Jack Bernard Dick offers a radically different portrait of the man who ran Columbia Pictures and who had to be boss from 1932 to 1958 *The Dame in the Kimono* Leonard J. Leff, Jerold Simmons, 2001-07-06 Welcome Will Hays Welcome Mae West Welcome Joe Breen Dead end Gone with the wind The outlaw and The postman always rings twice The bicycle thief Detective story and A streetcar named Desire The moon is blue and The French line Lolita Who's afraid of Virginia Woolf Appendix The Motion Picture Production Code **The Wages of Sin** Lea Jacobs, 1997-06 Examines how film censors and producers treated the fallen woman or sex picture subject *Elia Kazan* Brian Neve, 2008-10-30 In 1999 Elia Kazan 1909 2003 received an honorary Oscar for lifetime achievement it was a controversial award for in 1952 he had given testimony to the HUAC Committee for which he was ostracized by many That Oscar also acknowledged Kazan's remarkable contribution to American and world cinema making such films as On the Waterfront and A Streetcar Named Desire Kazan's life in the cinema is due a reassessment one that is presented expertly and gracefully by Brian Neve in this book drawing on previously neglected and some hitherto untapped sources Focussing in particular on the producer director's post On the Waterfront New York based independent work and on his key artistic collaborations including those with Tennessee Williams John Steinbeck and Budd Schulberg Neve gives a fascinating reassessment of Kazan's famed technique with such actors as Marlon Brando and James Dean and his lifetime concern to provoke and photograph authentic behaviour He reveals a pattern through the films of personally resonant themes relating for example to ethnicity and the American immigrant myth He reviews Kazan's style from the colour and wide screen of East of Eden to the creative use of location in his American South

films including *Baby Doll*. He debates the reception of Kazan's work and the controversy which dogged his career of his 1952 Congressional testimony. These elements and more make this a very readable and memorable fresh portrayal of the film career of this ever fascinating director. Working with an impressively wide variety of archival material including Kazan's personal papers and notebooks, Brian Neve here offers a solidly researched, insightful and historically grounded portrait of Elia Kazan, his working methods, his 19 feature films from *A Tree Grows in Brooklyn* (1945) to *The Last Tycoon* (1976) and his place in the cinematic and social world of his age. Chuck Maland, Professor of Cinema Studies, American Studies, University of Tennessee.

Exiles in Hollywood Gene Phillips, 1998-07 The book deals with five European film directors who were forced to remain in exile in the wake of the rise of Hitler and who subsequently enriched the American motion picture industry with a reservoir of new talent that had been nurtured in Europe. The directors treated are Fritz Lang, William Wyler, Otto Preminger, Fred Zinnemann and Billy Wilder.

Screened Out Richard Barrios, 2005-02-16 Rapacious dykes, self-loathing closet cases, hustlers, ambiguous sophisticates and sadomasochistic rich kids: most of what America thought it knew about gay people it learned at the movies. A fresh and revelatory look at sexuality in the Great Age of movie making. *Screened Out* shows how much gay and lesbian lives have shaped the Big Screen. Spanning popular American cinema from the 1900s until today, distinguished film historian Richard Barrios presents a rich, compulsively readable analysis of how Hollywood has used and depicted gays and the mixed signals it has given us: Marlene in a top hat, Cary Grant in a negligee, a pansy cowboy in *The Dude Wrangler*. Such iconoclastic images, Barrios argues, send powerful messages about tragedy and obsession but also about freedom and compassion, even empowerment. Mining studio records, scripts, drafts, including cut scenes, censor notes, reviews and recollections of viewers, Barrios paints our fullest picture yet of how gays and lesbians were portrayed by the dream factory, warning that we shouldn't congratulate ourselves quite so much on the progress movies and the real world have made since Stonewall. Captivating, myth-breaking and funny, *Screened Out* is for all film aficionados and for anyone who has sat in a dark movie theater and drawn strength and a sense of identity from what they saw on screen, no matter how fleeting or coded.

Veiled Desires Maureen Sabine, 2013-08 *Veiled Desires* is the first full-length study of the film nun to trace the shifting features of her screen representation in twelve or more postwar films that span a sixty-year period. It not only situates them within the changing history of modern women, religious but employs an interdisciplinary perspective to argue that the film nun projects a complex and often vexed portrait of both traditional religious and modern female desires.

The Routledge Companion to Religion and Film John Lyden, 2009-05-07 The Routledge Companion to Religion and Film brings together a lively and experienced team of contributors to investigate the ways in which this exciting discipline is developing.

The World and Its Double Chris Fujiwara, 2025-06-25 Otto Preminger was one of Hollywood's first truly independent producer-directors. He sought to address the major social, political and historical questions of his time in films designed to appeal to a wide public. Blazing a trail in the examination of controversial issues such as drug addiction, *The Man*

with the Golden Arm and homosexuality Advise and Consent and in the frank sophisticated treatment of adult material Anatomy of a Murder Preminger in the process broke the censorship of the Hollywood Production Code and the blacklist He also made some of Hollywood's most enduring film noir classics including Laura and Fallen Angel An Austrian migr

Preminger began his Hollywood career in 1936 as a contract director When the conditions emerged that led to the fall of the studio system he had the insight to perceive them clearly and the boldness to take advantage of them turning himself into one of America's most powerful filmmakers More than anyone else Preminger represented the transition from the Hollywood of the studios to the decentralized wheeling and dealing New Hollywood of today Chris Fujiwara's critical biography the first in more than thirty years follows Preminger throughout his varied career penetrating his carefully constructed public persona and revealing the many layers of his work

Medicine's Moving Pictures Leslie J. Reagan, Nancy Tomes, Paula A. Treichler, 2007 Original essays by leading media scholars and historians of medicine that explore the rich history of health related films This groundbreaking book argues that health and medical media with their unique goals and production values constitute a rich cultural and historical archive and deserve greater scholarly attention Original essays by leading media scholars and historians of medicine demonstrate that Americans throughout the twentieth century have learned about health disease medicine and the human body from movies Heroic doctors and patients fighting dread diseases have thrilled and moved audiences everywhere amid changing media formats medicine's moving pictures continue to educate entertain and help us understand the body's journey through life Perennially popular health and medical media are also complex texts reflecting many interests and constituencies including notably the U.S. medical profession which has often sought if not always successfully to influence content circulation and meaning *Medicine's Moving Pictures* makes clear that health and medical media representations are more than illustrations shows their power to shape health perceptions practices and policies and identifies their social cultural and historical contexts Contributors Lisa Cartwright Vanessa Northington Gamble Rachel Gans Boriskin Valerie Hartouni Susan E. Lederer John Parascandola Martin S. Pernick Leslie J. Reagan Naomi Rogers Nancy Tomes Paula A. Treichler Joseph Turow Leslie J. The Top Books of the Year See No Evil Life Inside A Hollywood Censor The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. See No Evil Life Inside A Hollywood Censor : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
