never be a normal boy but Alexander talks he walks he swims he plays the piano badly and he goes to school This victory isn't clean and it's far from pretty the personal toll on Ashley is devastating It takes a village people say but too much of their village is uncomfortable with her son's difference the therapy regimen's demands and the family's bottomless need The health and provincial services bureaucracy gives them a maddening set of hoops to jump through displaying criminally low expectations about what they can do to help My Own Blood is an uplifting story but it never shies away from the devastating impact of a baby that science couldn't predict and medicine couldn't help It's the story of a woman who lost everything she'd once been a professional an optimist a joker a capable adult in sacrifice to her son An honest account of a woman's life turned upside down
