Encountering Mystery Dale C. Allison,2022-07-26 Despite widespread skepticism on the matter a significant number of people today have stories of religious experience moments of inexplicable terror or rapturous joy visions near death experiences of the afterlife encounters with angels heavenly voices and premonitions How should rationally minded people respond What would your reaction be if someone told you that one night while sitting alone she saw through the window a brilliant light descend from the sky until it was so large that it filled the room and that it radiated a feeling of pure love And what would you say if a friend confided that one night he woke up and could not move felt he was being suffocated and sensed an evil spirit in the room By default in the secular age we are skeptical about anything mysterious or supernatural More likely than not most people would respond to the stories above with embarrassment and concern about the person's grasp of reality or they would attempt to explain them away through rational or scientific means But the truth is that religious experiences like these are not as uncommon as they seem although talking about such experiences often is This is the case even in a faith tradition such as Christianity despite the Bible's numerous accounts of miraculous and mysterious

happenings In *Encountering Mystery* noted biblical scholar Dale Allison makes the argument that stories of religious experience are meaningful and not to be marginalized and that we have a moral prerogative to lovingly engage with such stories regardless of whether we have had similar experiences Through a close look at phenomena such as moments of inexplicable terror or rapturous joy visions near death experiences of the afterlife encounters with angels heavenly voices and premonitions Allison shows how ordinary practices of faith need not be at odds with individual religious experiences Above all he enjoins us to be honest about the persistence of religious experience in a secular age and to make space for those who encounter mystery in their lives Detectives of the Fantastic Thirteen O'Clock Press,2015-09 Join editor George Wilhite and the authors of *Thirteen O'Clock Press* on a hunt for the bizarre and strange Is what they find supernatural or is there a logical explanation for the terror they experience What recorded stories will YOU come across in this anthology of the strange The accounts appear real enough They re just stories right Or perhaps some of these tales are real afterall *Dear Angel Lady* Jacky Newcomb,2009-10-05 Jacky Newcomb is back with another exciting collection of afterlife stories to thrill fans This new compilation also includes some of the many letters and fascinating questions that Jacky receives from readers around the world Jacky uses her vast experience and knowledge to provide new and absorbing insights into these unseen magical worlds With the growing interest in all things angelic Jacky wastes no time in providing up to date information for new readers and those with a little more knowledge With true life stories to thrill amaze and astonish she also uses the opportunity offer a little glimpse into the secrets of the heavenly realms From Darkness to Light Daniel Bourguet,2016-09-07 In these meditations Daniel Bourguet enables us to draw alongside the thief on the cross and enter his dialogue with Christ he guides us downward into the darkness of hell through a reading of Psalm 88 and finally we discover on Easter morning both the confusion and then faith of Mary Magdalene as she meets the Risen Lord John 20 Bourguet s confidence in the biblical text means that he engages with it and follows wherever it leads however risky and he emerges with us miraculously enriched Angelic Allies Lenika Scott,2019-10-15 Open your eyes to the unseen realm of your angel allies God is working in our lives every day In the good the bad and the seemingly ordinary moments of life there is great supernatural activity taking place just beyond the veil of what natural eyes can see Angels are intervening in your life under the direction of the Lord of Hosts Notes of a Seer Ian Ormesher,2019-07 Accessible Faith stirring Encouraging Provoking Ian s second book builds on his first *Journey of a Seer* His heart for making the prophetic accessible for all means the book is full of helpful explanations and illustrations from his own life Ian practices what he teaches and provokes our prophetic journey This book will equip and would form the basis of a great curriculum for a prophetic team to work through
