Whitaker, Darini Rajasingham-Senanayake, Pathmanesan Sanmugeswaran, 2021-09-26 This book presents a collection of original research about every day innovative interactive and multiple religiosities among Sri Lankan Buddhists Hindus Muslims Christians and devotees of New Religious Movements in post war Sri Lanka The contributors examine the unique and innovative religiosity that can be observed in Sri Lanka which reveals a complex reality of mingled and even simultaneous cooperation and conflict The book shows that innovative religious practices and institutions have achieved a new prominence in public life since the end of Sri Lanka's civil war in 2009 Using the analytic framework of innovative religiosity to allow researchers to look at this question between and across Sri Lanka's plural religious landscape in order to escape both the epistemological and ethnographic isolation of studies that limit themselves to one form of religious practice the chapters also investigate the extent to which inter religious tolerance is still possible in the wake of Sri Lanka's religion involving civil war and the continuing influence of populist Buddhist nationalism globalization and geopolitics on Sri Lanka's post war governance The book offers a novel approach to the study of post conflict societies and furthers the understanding of the status of tolerance between religious practitioners in contexts where both ethnic conflict and multi religious sites are prominent This book is an important resource for researchers studying Anthropology Asian Religion Religion in Context and South Asian Studies      **Encyclopedia of Monasticism** William M. Jeyaratnam Wilson, Alfred Jeyaratnam Wilson, 2000 Through a succession of key stages since Sri Lanka formerly Ceylon became independent in 1948 its Tamil minority historically concentrated in the north and east but with an important segment in Colombo became alienated from the Sinhalese majority and after peaceful opposition failed to secure its rights resorted to an armed struggle The Tamil Tigers LTTE today appear to hold the key to their people's future While they have suffered setbacks including the loss of the Tamil capital Jaffna they remain a potent guerrilla force able to strike with impunity at both military and civilian targets The Tigers grip on the Tamil population seems secure as does their overseas support and funding from Tamil exiles in Britain Canada and Australia This book offers a concise history of the Sri

Lankan Tamil nation its culture social make up and political evolution In a final chapter A J V Chandrakanthan gives a first hand account of life and attitudes inside the embattled Tamil areas today A Jeyaratnam Wilson teaches in the Department of Political Science at the University of New Brunswick He is the author of *The Break Up of Sri Lanka* and S J V Chelvanayakam and the *Crisis of Sri Lankan Tamil Nationalism* A J V Chandrakanthan teaches in the Department of Theology at Concordia University Montreal Golden Jubilee Souvenir, the Ramakrishna Mission, Sri Lanka Centre, 1930-1980 Ramakrishna Mission.
