*The Jikaida Cycle* Alan Burt Akers, 2009 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light Here in the unforgiving yet rewarding world of Kregen struggling through disaster and triumph Dray Prescott has made his home He has acquired a number of titles and estates but now the people of the island empire of Vallia which has been ripped to shreds by ambitious and mercenary invaders have called on him to lead them to freedom as their emperor Reluctant to accept the imperium he shoulders the burden because rightly or wrongly he sees this as the lesser evil A Life for Kregen Prescott is the unwilling battle arm of the mysterious Star Lords who contend for that planet with the powerful Savanti Yet Prescott's ambitions are his own for he has inherited the remnant of a shattered empire and must fight to bring hope and freedom to all its peoples By his side stands his princess Delia of the Blue Mountains and a band of stalwart companions of many races and species But arrayed against him are flying armadas armed hordes the wizardry of a super scientist and most shocking of all the fury and steel claws of his own daughter Dayra A Sword for Kregen The most popular game among the many peoples of

Kregen is one that resembles chess called Jikaida Jikaida is a battle of wits and war game pieces that suits well the tension charged atmosphere that envelops Dray Prescott Because reconquering Vallia is assuming the aspect of such a game move versus countermove horde against horde But Dray Prescott finds himself no longer in control of the game when he becomes a living chessman on a real life board at the dreaded arena of Jikaida City There every move is accompanied by bloodshed and behind every game might hang the fate of a city an island or even a nation A Fortune for Kregen Fame and fortune may await the winners of the life and death game called Jikaida but for Dray Prescott his triumphs seem to bring only infamy and misfortune Prescott needs to find a way out of his Jikaida City exile for his homeland needs him in its hour of danger But it seems that fate will place him in an even more terrifying game a treasure hunt played out in the illusion webbed catacombs of a haunted valley where desperate men come to find fortunes at the risk of their followers lives and their own sanity A Victory for Kregen The ending of Prescott s stark adventures as a living chess piece in the city of blood games was to be as terrifying as the perils that had gone before Because now that transposed Earthman has to fight his way back to his embattled Vallian homeland across a sky full of danger and a sea full of death And when he returns he will find the combat joined his son at doom s door his troops up against superior odds and a battle he must personally fight that would be two battles in two different places at the same time This edition contains a glossary to the Jikaida cycle *The Krozair Cycle* Alan Burt Akers, 2011-12 Kregen that grim and beautiful marvelous and terrible world four hundred light years away beneath the red and green fires of Antares is a world too rich in passion and action to allow a fighting man like Dray Prescott to rest for long Once more then he is launched into fresh adventures but this time there is a hiatus which might easily break a man of lesser fire and spirit The Tides of Kregen Of all the honours that Dray Prescott Earthman has won during his fabulous adventures on Kregen none are valued by him more than his membership in the Order of the Krozairs of Zy The Krozairs are the highest order of chivalry on that turbulent planet dedicated men warriors of stern convictions and unflinching hearts Thus when the Krozairs in their hour of need called on all their far flung members for aid he should have gone But he could not His return from Earth was blocked by the anger of the mysterious Star Lords And before Dray Prescott can achieve redemption he has two armies opposed to him two warring kingdoms naming him outlaw and only the tides of the seven moons as a weapon Renegade of Kregen Never before in his adventurous career under the double suns of Antares has Dray Prescott been in as desperate a situation as he finds himself on his second entry into the city of Magdag Magdag was the scene of one of Prescott s earliest experiences on Kregen and he recalled it with loathing as a city of power lustling slavers of decadent worshippers of the Green Sun As one who had been initiated into the chivalric order of Krozairs he despises all that the city stood for But now Prescott is an outcast Any Krozair any follower of the Red Sun of his former friends will slay him on sight For him there is only one way to recover his home his children his self respect He would have to perform an act of valor so extreme so fabulous that its glory would wash away all that now stains his name Only by reaching to the very heart of

mighty Magdag could he hope to achieve such a suicidal triumph Krozair of Kregen Dray Prescott has been condemned by his old enemies whose battle color is the green of the sun Grodno For while among these slavers and conquerors of the green searching for a way to turn the tide of war to his own redemption and his friends advantage he had personally encountered the deadly animosity of Grodno s king had betrayed his champion and had shattered all he so carefully worked for But he must soldier on For now in addition to the enormous feat that alone would restore his honor he has a blood vengeance to achieve that overrides everything This edition contains the short story Wizard of Scorpio and a glossary to the Krozair Cycle
