**Inner and Outer Meanings of Koran (Quran)** M.Singh Parashar,2013-11-08 In this translation of Koran all the verses have been rearranged subject wise The Koran has been divided into two parts a The divine and infallible Koran b The human and fallible Koran due to absence of the hidden meanings Suggestions Follow the following rule an eye for an eye an eye for a nose an eye for an ear an eye for a teeth Collect the eyes and give these to the eye bank Do not cut of the hand of the thief Take out an eye of the thief and give to the blind man By this system an error of justice can be rectified by returning the eye back to the man who has been wrongly declared as a thief Do not stone the adulterer to death Take out an eye kidney and other organs out of the body of the adulterer or rapist and collect the money by selling these organs and give this money to the victim of rape etc A constructive punishment is better than a destructive punishment      *Selected Themes in The Study of Religions in Nigeria* S.G.A. **The Chosen Peoples' Challenge: Biblical Love Boundaries** Mohamed Moussa Ghounem, 2025-06-20

The Chosen Peoples Challenge Biblical Love Boundaries What does it truly mean to be chosen Is it a title of privilege or a call to service For millennia Jews Christians and Muslims have each claimed a divine covenant But today with rising violence political manipulation and religious confusion are we honoring the sacred trust of chosenness or distorting it The Chosen Peoples Challenge Biblical Love Boundaries boldly redefines the conversation Written in accessible yet scholarly prose this groundbreaking work invites Jews Christians and Muslims to confront the theological truths behind their shared heritage With historical precision and compassionate interfaith dialogue the author unpacks over 40 evictions from the Bible where God s favor was lost not due to race or religion but disobedience Drawing on deep scriptural insight including Torah Gospel Qur an and the Talmud this book shows how divine selection is not about birthright but about behavior At its core is a new theological framework Triune Covenant Theology a fresh interfaith alternative to the widely known Dual Covenant Theology Where Dual Covenant Theology suggests Jews and Christians can each be saved without fully believing in the other s revelation thus promoting parallel paths of disbelief Triune Covenant Theology asserts the opposite that God s enduring covenant is built on three pillars of unity Moses s law Jesus s mercy and Muhammad s monotheism Rather than negating each other these three messengers confirm one another calling humanity back to God s oneness lawfulness and love This book fearlessly challenges myths that have clouded the path to peace like the ideas of a land without a people or unconditional chosenness It addresses the misuse of sacred texts to justify apartheid settler violence and religious supremacy offering instead a vision rooted in justice humility and universal accountability Across twelve dynamic chapters and three rich appendices including a simulated AI debate between a Rabbi a Catholic priest and an Imam you ll encounter A powerful comparison of Biblical vs Qur anic visions of statehood sovereignty and moral law A theological and historical case for why Muslims now bear the mantle of Greater Israel not politically but spiritually A glossary of critical interfaith terms from Mishpat to Supersessionism to empower deeper understanding A Top 20 list of Zionist myths gently debunked with sacred texts and historical facts Far from a work of religious superiority this book is a spiritual blueprint for accountability coexistence and the revival of divine ethics It invites readers of all faiths or none to see that being chosen is not about domination but about devotion Not about privilege but purpose With a tone that is simultaneously scholarly and compassionate bold yet bridge building this book is already being hailed as a landmark work in comparative theology Whether you re a student of scripture a faith leader a peace advocate or simply someone searching for spiritual clarity in a fractured world The Chosen Peoples Challenge offers the depth honesty and inspiration needed to help re light the world s

spiritual lamp beginning at Jerusalem and shining outward Join the challenge Reclaim the covenant Share the light
