Chalberg,2005-02 Chalberg continues the saga of people being healed after a lifetime of abuse as they discover and accept the truth about God s love **A Trick of the Dark** B.R. Collins,2010-09-06 Zach and his sister Annis have been uprooted by their parents from their comfortable home to a remote and half built barn in France Zach is being removed from his bad influence friends their parents are trying to salvage their marriage and still remain on speaking terms whilst the bitterness of their father s affair bubbles underneath the surface And Annis Annis just keeps going keeping her head down trying to keep it together So far so normal And then Zach uncommunicative and contrary as ever these days defies everything their parents have said and makes his way to the unsafe ruined building at the edge of their new garden and leans up against the wall The wall bulges totters and suddenly collapses on top of him Annis horrified sees him crumpled on the ground Desperate she races towards him not daring to think anything at all She sees him on the ground broken silent not there any more And then unbelievably he moves Zach moves Zach in an extraordinary and instinctive decision has broken his bond with his own soul the essence of himself By doing so he has cheated death By doing so he has also cheated life He is unable to touch any human person again And the essence of himself his other his soul is chasing him determined to rejoin what should rightfully be together Zach is on the run from himself whom he can never escape from death but also from the life that he can never enjoy again Perhaps only a sister can help him now *God's Liar* Thom Satterlee,2020-01-22 The year is 1665 England is in the midst of the Restoration and John Milton a blind politically and religiously marginalized writer associated with Oliver Cromwell s failed attempt to form a republic has not yet published Paradise Lost When one of the worst plagues in history descends upon London he and his much younger wife are forced to flee to the countryside There Milton is befriended by the local curate Rev Theodore Wesson who knows nothing about Milton s controversial past or the dangers of associating with him Soon their fates become intertwined when the curate s hopes for advancement are threatened by his relationship to the notorious traitor and king killer John Milton The situation tests Wesson s loyalty to the monarchy to friendship to a church career while complicating his already blurry sense

of God's involvement in human affairs For Milton the cost is potentially even greater the target of assassination attempts since the restoration of the monarchy five years earlier he has real reason to fear for his life A riveting and briskly paced novel that transports the reader to a very particular place and time even as its themes resonate with our own time Thom Satterlee's *God's Liar* will take its place next to works as varied as Hilary Mantel's *Wolf Hall* and Colm Toibin's *The Master*
