Serving Twa Maisters:

Serving Twa Maisters John Corbett, Bill Findlay, 2005 *Serving Twa Maisters* brings together five plays in Scots translation: *Let Wives Tak Tent* Robert Kemp's version of Molière's *L'Ecole des Femmes*; *The Burdies* Douglas Young's version of Aristophanes' *The Birds*; *The Servant o Twa Maisters* adapted by Victor Carin from *Il Servitore di Due Padroni* by Carlo Goldoni; *The Hypochondriak* Hector MacMillan's version of Molière's *Malade Imaginaire*; and Peter Arnott's Scots translation of Bertold Brecht's *Mr Puntila and His Man Matti*. Scholarly editorial notes and a full glossary are also included. *Wilson's Tales of the Borders, Etc* John Mackay Wilson, 1877

The Translator as Writer Susan Bassnett, Peter Bush, 2007-11-15
Over the last two decades interest in translation around the world has increased beyond any predictions. International bestseller lists now contain large numbers of translated works and writers from Latin America, Africa, India and China have joined the lists of eminent bestselling European writers and those from the global English speaking world. Despite this translators tend to be invisible as are the processes they follow and the strategies they employ when translating. *The Translator as Writer* bridges the divide between those who study translation and those who produce translations through essays written by well-known translators talking about their own work as distinctive creative literary practice. The book emphasises this creativity, arguing that translators are effectively writers or rewriters who produce works that can be read and enjoyed by an entirely new audience. The aim of the book is to give a proper prominence to the role of translators and in so doing to move attention back to the act of translating away from more abstract speculation about what translation might involve.

Contested Identities Roger Nicholson, Gertrud Szamosi, Claudia Marquis, 2015-09-04
This volume brings together essays that individually and collectively address the force of the literary text with regard to problematic identities. They work out of shared concerns with literary representations of this issue in different regions, nations and communities that often prove divided. They pursue questions related to textual identity where the literary text itself is contested internally or in its generic and historical relations. In sum, these studies actively test identity as social or literary concept, discovering in difference the very condition of a useful if paradoxical sense of personal or textual coherence. What happens to us when we move between different cultures or different societies defined in geographical or historical terms? What happens to texts and textual practices in these same circumstances? What happens to us when we are obliged to adapt to a new social order? Homi Bhabha speaks of cultural difference as calling into play what he calls cultural translation. What happens to identity the narrative that fashions a continued sense of self in this case? Difference raised to alterity demands that we accord functional and philosophical value not just to other aspects but also to the aspect of the other. At the level of personal or textual agency, however, difference contests and threatens to subvert stable selfhood, composing a scene of conflict. Even so, it often proves to be instrumental in re-charging a sense of the cultural valence of the literary text, not least by virtue of its political implications. In this regard, the border where difference materialises has considerable presence in contributions to this

volume prompting appreciation of texts that work on or travel across such borders however haphazardly and dangerously but also those that compose border textualities **Edinburgh Companion to Scottish Drama** Ian Brown,2011-05-16 The ideal guide for students and theatre lovers alike the Companion explores the longstanding and vibrant Scottish dramatic tradition and the important developments in Scottish dramatic writing and theatre over the last hundred years **Tales of my landlord** Walter Scott,1819 *Waverley Novels* Walter Scott,2024-08-14 Reprint of the original first published in 1841
