The Blessing of Forgiveness Raha Mugisho,2007-11-09 Do you know the reason for your unhappiness When attitudes toward others are based on past wounds and deception the result cannot be good fruit People in a state of distortion do not make wise decisions Pride and a spirit of selfishness can have enormous consequences actually resulting in physical illness and depression Joy in your heart a smile on your lips and an attitude of forgiveness toward yourself and your offenders are vital elements in healing The ideas of retaliation and revenge come from the Evil One who takes pleasure in destroying relationships If Satan succeeds in stealing your joy and your peace you may be on the road to a complete meltdown We must resist the devil He is the source of disorder and confusion Condemnation is never the answer Forgiveness is an indispensable ingredient for spiritual and emotional deliverance and is a spiritual act we can only manage by faith Respect care and

empathy offer hope of permanent healing

IN THE ACQUISITION OF INNER PEACE Ghada E Abdo, 2025-04-16 I was born in Lebanon a land steeped in ancient traditions and deep spiritual currents In 1977 my family and I immigrated to the United States and with that journey began a lifelong process of integration of culture identity and ultimate meaning I found myself standing between two seemingly opposing forces the collective strength and unity of my Lebanese heritage and the fierce individualism of American life Rather than choose between them I learned to weave them together That early experience shaped everything It taught me how to hold complexity how to live in paradox and how to find harmony in contrast My academic path through Paralegal Studies Social Sciences and Political Science reflected my desire to understand the systems that govern both society and the human mind But it was my spiritual search that truly transformed me Over the years I immersed myself in a wide range of spiritual teachings from the esoteric wisdom of Gnosticism Hermeticism and the Kybalion to the heart opening truths of A Course in Miracles the mystical insights of Kabbalah and the sacred texts of Catholicism At first these teachings seemed fragmented and contradictory But over time I began to see the thread that connects them all a shared language of love unity and remembrance This book is the fruit of that journey It is not a doctrine but a distillation It is not meant to convert but to remind It is for the seeker who has explored many truths but longs to understand how they fit together It is for those who know there is something more something whole waiting to be uncovered As a life coach a mother a scholar and a spiritual explorer I offer this work with both humility and hope May it inspire you not only to think but to remember And may it gently guide you home to yourself to each other and to the deeper unity that connects us all

Distefano,2015-09-30 What is the ending to the human drama Will all be reconciled to God in the end Does God demand an altar a corpse and blood Or rather is the Christian God set apart from all the other gods throughout history All Set Free sets out to answer some of the more difficult questions Christians today are faced with It will challenge the Augustinian understanding of hell and the Calvinist understanding of the atonement replacing them with a more Christ centered understanding of both doctrines This book will also use the work of Rene Girard in order to reshape how many understand what it means to be human Then and only then should we ask Who is God Come explore what has become Matthew s theological pilgrimage to this point Come discover the God of peace **The Revelational Knowledge of God** Francis Elijah Ndunagum,2021-08-26 Many today in Christianity frequently talk about having revelation knowledge of God In a biblically related topic it is common to find many angles to the same topic This leaves one with the belief that there is no singular interpretation to any aspect of the word of God The angle from which the word of God is portrayed can be said to be right if basically it does not contradict known passages of the scriptures but seeks to present it in a hitherto unknown angle Many outside of the body of Christ have used this diverse presentation of the word of God negatively against the church saying that the Bible contradicts itself which is not true It is my aim in this publication to try and shed more light on the revelation of God so that people will open up their hearts to the truth instead of debating on things that are unprofitable Blind people who have to rely on the sense of touch and a guide to identify things around them It is impossible for a blind man to accurately describe an object because of his blindness At best they can put across what they believe they have felt by way of touch If blind men are gathered an animal and asked to describe a specific part they are made to feel the descriptions given will vary according to the part they touch All put together the various descriptions will depict the animal touched but they may not be able to name the animal Every animal has parts common to them such as the head body and legs etc The varied descriptions they give will nonetheless be correct but not being able to physically see the animal will lead to some measure of limitation in their descriptions God reveals Himself diversely to his people and this predominant revelation of God in a particular manner determines the understanding of the one to whom God has chosen to reveal himself to in such manner

These revelations are directly related to His attributes

Rethinking Our Story G. Douglas Hammack, 2014-01-13 If it ain't broke don't fix it But it's no secret that the Christian church is broke and does need fixing Despite great effort things are going badly for us We've tried trendy and tech savvy entrepreneurial and coffee house gritty They're not helping Our problem is deeper than that Our problem is our instincts instincts informed by our story There was a time when the Christian church was a powerfully transformative presence in society It can be again but it will require radical rethinking of the story that informs our instincts And it's time It's been five hundred years since the Reformation our last major update Today is a pivotal moment in history With our worldview upended by quantum physics history is demanding we renew the Christian story for our times Rethinking Our Story reframes the elements of the Christian narrative for the new era It explores quantum ways of thinking about God human nature Jesus salvation and the afterlife The future of the church and the health of our society depend on our willingness to rethink retell and live out a better story We will either update our instincts and contribute to the earth's well being or disappear into oblivion
