Seth Dreams And Projections Of Consciousness:

Seth, Dreams and Projection of Consciousness Jane Roberts,1987-03-01 **Seth** Jane Roberts,1989-07-01 Through channeler Jane Roberts the entity Seth reveals the extraordinary information dreams contain Seth shows how the dream state can enrich life by leading to the discovery of deeper levels of consciousness including out of body experiences and precognitive dreams *Seth, Dreams and Projections of Consciousness* Jane Roberts,2010 An incredibly exciting book which provides essential instructions and information for those interested in working with Dreams and Out of Body Experiences This book was originally written as a sequel to the Seth Material and is considered by many to be one of the most advanced and knowledgeable works in the area Includes techniques for recalling dreams becoming conscious in the dream state and inducing Out of Body Experiences *The Psyche as Interaction: Electromagnetic Patterns of Conscious Energy* Manya J. Long,2014-06-13 The Psyche as Interaction begins as a journey to explain one person s paranormal experiences Manya Long looks closely at the fields of mathematics physics psychology music religion neurophysiology and parapsychology Along the way she finds many things connecting each of these fields together Her intention when she began was merely to answer questions about her own unique experiences However she quickly realized what she was looking at had the potential to change the way we all view the world This book explains her journey findings and the conclusions she came to **Get the Picture** Brent Marchant,2007-01-01 Conscious creation is the theory that we create our own reality when we watch the movie screen Brent Marchant examines psychological aspects of motion pictures 21st Century Practical Spiritual Metaphysic Guide Book for Atheist S and Agnostics Joel Gonzalez,2011-03-01 This is a guide book for the individual who has always shied away from all occult subjects such as religion magic astrology metaphysics spiritual anything and for the beginner into all of these subjects who wished to expedite his her learning with the latest up to date information It offers leads for the beginner interested in understanding the merger between science and the occult spiritual subjects and a reference of where to get started in the search for the ultimate truth This book also provides references of where to find up to date information based on scientific evidence of what is going on with our planet earth and what to expect in the coming years leading to December 21 2012 This book provides scientific and practical ways of understanding the universe TOOLS to help YOU LIVE life TO ITS FULLEST and with EXCELLENT HEALTH **Knowing the Facts about Dream Work** John Ankerberg,John Weldon,2012-08-14 Dream work claims that our dreams powerfully reflect or influence spiritual psychological and even physical realities Dreams can be explored for psychological insight in psychotherapy for spiritual insight in Christian dream work or manipulated for occult revelations or spiritual growth Dream work may also be used as an adjunct to physical healing The authors expose the occult potential and examine the major problems and dangers as well as give a biblical evaluation Knowing the Facts about Channeling and Crystal Work John Ankerberg,John Weldon,2012-08-30 When men and women willingly give over their minds and bodies to spirit entities and these spirits enter and control them

using them to heal or to give teachings and other information this is called channeling Crystal work uses crystals to invoke the spirits The spirits claim they can assist people toward true individual social and spiritual enlightenment Channeled spirits claim to be wise and loving entities but are they What is their real purpose The authors examine the potential problems and dangers that can occur through channeling along with a biblical evaluation of the practice

Rough Metaphysics Peter Skafish,2023-04-25 A powerful case for why anthropology should study outsiders of thought and their speculative ideas What sort of thinking is needed to study anomalies in thought In this trenchantly argued and beautifully written book anthropologist Peter Skafish explores this provocative question by examining the writings of the medium and rough metaphysician Jane Roberts 1929 1984 Through a close interpretation of her own published texts as well as those she understood herself to have dictated for her cohort of channeled personalities including one named Seth who would inspire the New Age movement Skafish shows her intuitive and dreamlike work to be a source of rigorously inventive ideas about science ontology translation and pluralism Arguing that Roberts s writings contain philosophies ahead of their time he also asks How might our understanding of speculative thinking change if we consider the way untrained writers occult visionaries and their counterparts in other cultural traditions undertake it What can outsider thinkers teach us about the limitations of even our most critical intellectual habits *Rough Metaphysics* is at once an ethnography of the books of a strange and yet remarkable writer a commentary on the unlikely philosophy contained in them and a call for a new way of doing and undoing philosophy through anthropology and vice versa In guiding the reader through Roberts s often hallucinatory world of concepts Skafish also develops a series of original interpretations of thinkers from William James to Claude Lévi Strauss to Paul Feyerabend who have been vital to anthropologists and their fellow travelers Seductively written and surprising in its turns of thought *Rough Metaphysics* is a feast for anyone who wants to learn how to think something new especially about thought
