Re-imagining Life Together in America Catherine T. Nerney, Hal Taussig, 2002 Well written and highly accessible this book interweaves a thorough review of developments in Christian community from the first century to the present with powerful new discoveries in scriptural theological and historical research that has uncovered deep communal strands in the foundational literature and notions of Christianity The result is a profound call for the renewal of Christian community and churches as crucial models and inspirations for the new search for wholeness in America *Early Daoist Dietary Practices* Shawn Arthur, 2013-06-27 Much as the modern Western world is concerned with diets health and anti aging remedies many early medieval Chinese Daoists also actively sought to improve their health and increase their longevity through specialized ascetic dietary practices Focusing on a fifth century manual of herbal based immortality oriented recipes the Lingbao Wufuxu The Preface to the Five Lingbao Talismans of Numinous Treasure Shawn Arthur investigates the diets their ingredients and their expected range of natural and supernatural benefits Analyzing the ways that early Daoists systematically synthesized religion Chinese medicine and cosmological correlative logic this study offers new understandings of important Daoist ideas regarding the body's composition and mutability health and disease grain avoidance bigu diets the parasitic Three Worms interacting with the spirit realm and immortality This work also employs a range of cross disciplinary scientific and medical research to analyze the healing properties of Daoist self cultivation diets and to consider some natural explanations for better understanding Daoist asceticism and its underlying world view *Feminist and Womanist Essays in Reformed Dogmatics* Amy Plantinga Pauw, Serene Jones, 2006-04-17 This book is a collection of essays by thirteen feminist and womanist authors who locate themselves within the Reformed tradition Topics explored include the Trinity creation election atonement the church fear resistance and vocation This book will be of great interest to scholars and students interested in feminist theology The Columbia Series in Reformed Theology represents a joint commitment by Columbia Theological Seminary and Westminster John Knox Press to provide theological resources from the Reformed tradition for the church today This series examines theological and ethical issues that confront church and society in our own particular time and place **Dust that Breathes** William Schweiker, 2010-12-09 In this insightful and look at the practical challenges and possibilities for Christian life in the global age Schweiker investigates Christianity's current relevance and discusses how the life of faith can be oriented Explores the big religious themes of modern life including religious identity in global times the role of conscience integrity and versions of religious humanism Written by an author who is internationally recognized as one of the world's

leading theologians Draws on the work of some prominent contemporary philosophers and theologians to clarify the nature of faith Unique in its appreciation of the ambiguity of religion in its representations of the highest human achievements as well as the very worst of human actions using a balanced and engaged approach to discusses contentious theological and intellectual issues **Ordination: Celebrating the Gift of Min** , *The Oxford Handbook of Feminist Theology* Mary

McClintock Fulkerson, Sheila Briggs, 2012 This volume highlights the relevance of globalization and the insights of gender studies and religious studies for feminist theology It focuses on the changing global contexts for the field and its movement towards new models of theology distinct from the forms of traditional Christian systematic theology and of secular feminism

Disciples and Theology Stephen Sprinkle, 1999 Although the Christian Church Disciples of Christ has consciously avoided formal creeds Disciples have through their history formulated their thought in distinctive theological ways *The Religious Imagination of American Women* Mary Farrell Bednarowski, 1999-10-22 Explores five ideas that animate the theological imagination of women in religious communities throughout America ambivalence toward tradition the immanence or indwelling of the divine the sacredness of the ordinary and the ordinariness of the sacred the vision of the universe as a web of relationships and healing as a central function of religion back cover **Creating Women's Theology** Monica A.

Coleman, Nancy R. Howell, Helene Tallon Russell, 2011-09-22 Creating Women's Theology engages women's questions Can women from different religious traditions engage one theological approach Can one philosophical approach support feminist religious thought What kind of belief follows women's criticism of traditional Christianity Creating Women's Theology offers a portrait of how some women have found room for faith and feminism For the last twenty five years women religion scholars have synthesized process philosophy with their feminist sensibilities and faith commitments to highlight the value of experience the importance of freedom and the interdependence of humanity God and all creation Cutting across cultural and religious traditions process relational feminist thought represents a theology that women have created This volume offers an introduction to process and feminist theologies before presenting selections from canonical works in the field with study questions This volume includes voices from Christianity Judaism goddess religion the Black church and indigenous religions Creating Women's Theology invites new generations of undergraduate seminary and university graduate students to the methods and insights of process relational feminist theology **Fragments for Fractured Times** Nicola Slee, 2020-09-30

Nicola Slee one of the world's leading feminist practical theologians brings together 15 years of papers articles talks and sermons many of them previously unpublished Drawing on a wide and diverse range of her writing Slee demonstrates the richness and variety of feminist practical theological writing Theology and the Arts Ruth Illman, W. Alan

Smith, 2013-06-07 This book brings the emerging fields of practical theology and theology of the arts into a dialogue beyond the bias of modern systematic and constructive theology The authors draw upon postmodern post secular feminist liberation and dialogical dialectical philosophy and theology and their critiques of the narrow modern emphases on reason and the

scientific method as the model for all knowledge Such a practical theology of the arts focuses the work of theology on the actual practices that engage the arts in their various forms as the means of interpreting and understanding the nature of the communities and their members as well as the mechanisms through which these communities engage in transformative work to make persons and neighborhoods whole This book presents its theological claims through the careful analysis of several stories of communities around the world that have engaged in transformational practices through a specific art form investigating communities from Europe the Middle East South America and the U S The case studies explored include Jewish Christian Muslim Druze indigenous and sometimes agnostic subjects involved in visual art music dance theatre documentary film and literature Theology and the Arts demonstrates that the challenges of a postmodern and post secular context require a fundamental rethinking of theology that focuses on discrete practices of faithful communities rather than one dimensional theories about religion

The Pentecostal Gender Paradox Joseph Lee Dutko, 2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality
