British Playwrights, 1956-1995 William W. Demastes,1996-10-23 The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage During that time playwrights such as Samuel Beckett and Harold Pinter made the British theater as rich varied and vital as any national theater in history This reference chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period Included are entries for some three dozen British playwrights active between 1956 and 1995 Entries are arranged alphabetically to facilitate use Each entry supplies biographical information the production history for particular plays a survey of the playwright s critical reception an assessment of the dramatist s work and primary and secondary bibliographies A selected general bibliography at the end of the volume directs the reader to important sources of additional information about this period in theater history Beyond Marginality Efraim Sicher,2012-02-01 In a unique study of Anglo

Jewish writers in the post war period Dr Sicher traces through their works the story of the rise of the Jewish community from slum poverty to suburban affluence This period is one of crucial social change in Britain At the same time Dr Sicher raises serious questions about the modern writer s cultural and ethnic identity In this process Dr Sicher advances the thesis that under the impetus of the Holocaust the more traditional conflict between Jewish roots and assimilation has been succeeded by a reassessment of identity and morality Dr Sicher s perspective on this particular period of literature is a highly original one and it should provoke creative reconsideration of other contexts and times as well **Bernard Kops** William Baker,Jeanette Roberts Shumaker,2013-12-18 This is the first book length study of the work of contemporary writer Bernard Kops Born on November 28 1926 to Dutch Jewish immigrants Bernard Kops became famous after the production of his play *The Hamlet of Stepney Green A Sad Comedy with Some Songs* in 1958 This play like much of his work focuses on the conflicts between young and old Identified as an angry young man Kops like his contemporaries John Osborne Shelagh Delaney and Harold Pinter belonged to the so called new wave of British drama that emerged in the mid 1950s Kops went on
