Ragnhild Brøvig

Settling The Pop Score Pop Texts And Identity In Politics:

Settling the Pop Score Stan Hawkins, 2017-07-05 The analysis of popular music forces us to rethink the assumptions that underpin our approaches to the study of Western music Not least it brings to the fore an idea that many musicologists still find uncomfortable that commercial production and consumption can be aligned with artistic authenticity Reading pop texts takes place through dialogue on many levels which as Stan Hawkins argues deals with how musical events are shaped by personal alliances between the artist and the recipient The need for a critical approach to evaluating popular music lies at the heart of this book Hawkins explores the relationships that exist between music spectatorship and aesthetics through a series of case studies of pop artists from the 1980s and 1990s Madonna Morrissey Annie Lennox the Pet Shop Boys and Prince represent the diversity of cultures identities and sexualities that characterised the start of the MTV boom Through the interpretation of aspects of the compositional design and musical structures of songs by these pop artists Hawkins suggests ways in which stylistic and technical elements of the music relate to identity formation and its political motivations **Settling the Pop Score** examines the role of irony and empathy the question of gender race and sexuality and the relevance of textual analysis to the study of popular music Interpreting pop music within the framework of musicology Hawkins helps us to understand the pleasure so many people derive from these songs

Settling the Pop Score Stan Hawkins, 2002 The analysis of popular music forces us to rethink the assumptions that underpin our approaches to the study of Western music Not least it brings to the fore an idea that many musicologists still find uncomfortable that commercial production and consumption can be aligned with artistic authenticity Reading pop texts takes place through dialogue on many levels which as Stan Hawkins argues deals with how musical events are shaped by personal alliances between the artist and the recipient The need for a critical approach to evaluating popular music lies at the heart of this book Hawkins explores the relationships that exist between music spectatorship and aesthetics through a series of case studies of pop artists from the 1980s and 1990s Madonna Morrissey Annie Lennox the Pet Shop Boys and Prince represent the diversity of cultures identities and sexualities that characterised the start of the MTV boom Through the interpretation of aspects of the compositional design and musical structures of songs by these pop artists Hawkins suggests ways in which stylistic and technical elements of the music relate to identity formation and its political motivations **Settling the Pop Score** examines the role of irony and empathy the question of gender race and sexuality and the relevance of textual analysis to the study of popular music Interpreting pop music within the framework of musicology Hawkins helps us to understand the pleasure so many people derive from these songs Provided by publisher

"Only If You Are Really Interested" Nicholas P. Greco, 2014-01-10 One of the keys to the enduring popularity of the British singer Morrissey is his carefully crafted enigmatic persona This critical book examines the role of enigma in the celebrity's public life exploring how a level of mystery is maintained through television interviews videos reviews and concerts as well as through his music and lyrics Of particular interest is the way in which enigma stimulates interest and

desire in his audience and how the artist manipulates traditional modes of masculinity and the conventions of pop music to further cultivate enigma

Popular Music: The Key Concepts Roy Shuker, 2017-03-27 Now in an updated fourth edition this popular A Z student handbook provides a comprehensive survey of key ideas and concepts in popular music culture With new and expanded entries on genres and subgenres the text comprehensively examines the social and cultural aspects of popular music taking into account the digital music revolution and changes in the way that music is manufactured marketed and delivered New and updated entries include Age and youth Black music Digital music culture K Pop Mash ups Philadelphia Soul Pub music Religion and spirituality Remix Southern Soul Streaming Vinyl With further reading and listening included throughout **Popular Music The Key Concepts** is an essential reference text for all students studying the social and cultural dimensions of popular music

The Ashgate Research Companion to Popular Musicology Derek B. Scott, 2016-03-23 The research presented in this volume is very recent and the general approach is that of rethinking popular musicology its purpose its aims and its methods Contributors to the volume were asked to write something original and at the same time to provide an instructive example of a particular way of working and thinking The essays have been written with a view to helping graduate students with research methodology and the application of relevant theoretical models The team of contributors is an exceptionally strong one it contains many of the pre eminent academic figures involved in popular musicological research and there is a spread of European American Asian and Australasian scholars The volume covers seven main themes Film Video and Multimedia Technology and Studio Production Gender and Sexuality Identity and Ethnicity Performance and Gesture Reception and Scenes and The Music Industry and Globalization The Ashgate Research Companion is designed to offer scholars and graduate students a comprehensive and authoritative state of the art review of current research in a particular area The companion s editor brings together a team of respected and experienced experts to write chapters on the key issues in their speciality providing a comprehensive reference to the field

Women, Camp, and Popular Culture Katrin Horn, 2017-11-15 This innovative study claims camp as a critical yet pleasurable strategy for women s engagement with contemporary popular culture as exemplified by 30 Rock or Lady Gaga In detailed analyses of lesbian cinema postfeminist TV and popular music the book offers a novel take on its subject It defines camp as a unique mode of detached attachment which builds on affective intensity and emotional investment while strongly encouraging a critical edge

The Routledge Research Companion to Popular Music and Gender Stan Hawkins, 2017-03-16 Why is gender inseparable from pop songs What can gender representations in musical performances mean Why are there strong links between gender sexuality and popular music The sound of the voice the mix the arrangement the lyrics and images all link our impressions of gender to music Numerous scholars writing about gender in popular music to date are concerned with the music industry s impact on fans and how tastes and preferences become associated with gender This is the first collection of its kind to develop and present new theories and methods in the analysis of popular music and gender The contributors are

drawn from a range of disciplines including musicology sociology anthropology gender studies philosophy and media studies providing new reference points for studies in this interdisciplinary field Stan Hawkins's introduction sets out to situate a variety of debates that prompts ways of thinking and working where the focus falls primarily on gender roles Amongst the innovative approaches taken up in this collection are queer performativity gender theory gay and lesbian agency the female pop celebrity masculinities transculturalism queering transgenderism and androgyny This Research Companion is required reading for scholars and teachers of popular music whatever their disciplinary background

Britpop and the English Music Tradition Jon Stratton, 2016-04-15 Britpop and the English Music Tradition is the first study devoted exclusively to the Britpop phenomenon and its contexts The genre of Britpop with its assertion of Englishness evolved at the same time that devolution was striking deep into the hegemonic claims of English culture to represent Britain It is usually argued that Britpop with its strident declarations of Englishness was a response to the dominance of grunge The contributors in this volume take a different point of view that Britpop celebrated Englishness at a time when British culture with its English hegemonic core was being challenged and dismantled It is now timely to look back on Britpop as a cultural phenomenon of the 1990s that can be set into the political context of its time and into the cultural context of the last fifty years a time of fundamental revision of what it means to be British and English The book examines issues such as the historical antecedents of Britpop the subjectivities governing the performative conventions of Britpop the cultural context within which Britpop unfolded and its influence on the post Britpop music scene in the UK While Britpop is central to the volume discussion of this phenomenon is used as an opportunity to examine the particularities of English popular music since the turn of the twentieth century

Queering the Popular Pitch Sheila Whiteley, Jennifer Rycenga, 2013-01-11 Queering the Popular Pitch is a new collection of 19 essays that situate queering within the discourse of sex and sexuality in relation to popular music This investigation addresses the changing debates within gay lesbian and queer discourse in relation to the dissemination of musical texts performance cultural production and sexual meaning situating music within the broader patterns of culture that it both mirrors and actively reproduces The collection is divided into four parts queering borders queer spaces hidden histories queer thoughts mixed media Queering the Popular Pitch will appeal to students of popular music Gay and Lesbian studies With case studies and essays by leading popular music scholars it provides insightful discourse in a growing field of musicological research

Transcultural Sound Practices Carla J. Maier, 2020-02-06 Listening to the sound practices of bands and musicians such as the Asian Dub Foundation or M I A and spanning three decades of South Asian dance music production in the UK Transcultural Sound Practices zooms in on the concrete sonic techniques and narrative strategies in South Asian dance music and investigates sound as part of a wider assemblage of cultural technologies politics and practices Carla J Maier investigates how sounds from Hindi film music tunes or bhangra tracks have been sampled cut looped and manipulated thus challenging and complicating the cultural politics of sonic production Rather than conceiving of music as a

representation of fixed cultures this book engages in a study of music that disrupts the ways in which ethnicity has been written into sound and investigates how transcultural sound practices generate new ways of thinking about culture *The Quest for the Melodic Electric Bass* Per Elias Drabløs, 2016-03-03 The double bass the preferred bass instrument in popular music during the 1960s was challenged and subsequently superseded by the advent of a new electric bass instrument From the mid 1960s and throughout the 1970s a melismatic and inconsistent approach towards the bass role ensued which contributed to a major change in how the electric bass was used in performance and perceived in the sonic landscape of mainstream popular music Investigating the performance practice of the new melodic role of the electric bass as it appeared and disappeared in the 1960s and 1970s the book turns to the number one songs of the American Billboard Hot 100 charts between 1951 and 1982 as a prime source Through interviews with players from this era numerous transcriptions elaborations of twenty bass related features are presented These are juxtaposed with a critical study of four key players who provide the case studies for examining the performance practice of the melodic electric bass This highly original book will be of interest not only to bass players but also to popular musicologists looking for a way to instigate methodological and theoretical discussions on how to develop popular music analysis [Singing for Themselves](#) Patricia Spence Rudden, 2009-03-26 *Singing for Themselves Essays on Women in Popular Music* is a fresh look at a topic that has attracted increasing interest in recent years In this collection scholars from a number of disciplines look at various artists and movements and come to some new conclusions about the ways in which female artists have contributed to the past four decades of pop rock blues and punk From new looks at major artists Etta James Laura Nyro and Patti Smith to later figures Ferron Björk and Melissa Etheridge these chapters suggest new ways to view and hear music that is already part of our culture Essays on the Indigo Girls Dixie Chicks and Destiny's Child prove that the girl groups tradition is alive and well but with additional new dimensions and a three essay section on Joan Jett and the Riot Grrrls phenomenon sheds new light on their implications for feminist artistic expression The final piece an annotated bibliography of academic writing on women in rock helps make this collection a useful addition to the library of students of popular music while the solid research and accessibility of the text make this a good choice for the general reader as well as the seasoned scholar If you think that adoration of certain pop music is a guilty pleasure not worthy of higher intellectual aspirations then *Singing For Themselves* offers absolution It's far from trivial to ponder the Tao of Canadian singer Ferron the classical allusions of Laura Nyro's lyrics the postfeminist booty shaking of Destiny's Child or the historical milieu that turned Jamesetta Hawkins into blues great Etta James Reading these essays made me want to go right back to the music feeling wiser yes but also validated in the desire to go as deep as any song or singer can take me Michele Kort author of *Soul Picnic The Music and Passion of Laura Nyro* and senior editor at *Ms* magazine I've read *Singing for Themselves Essays on Women in Popular Music* and am happy to provide an endorsement *Singing for Themselves* is a consistently interesting collection of new essays on women and popular music

The collection is all the more welcome for being so current. It mixes essays on recent phenomena such as electronic punk group Le Tigre and the Dixie Chicks stirring of political controversy with new perspectives on canonical figures like Patti Smith or Etta James. The essays gathered here are written with clear commitments but all are marked by care and scholarly rigour. I found the interdisciplinary breadth of *Singing for Themselves* refreshing: new avenues for research are opened up here and new theoretical paradigms are explored.

Will Straw PhD Acting Director McGill Institute for the Study of Canada Associate Professor Department of Art History and Communication Studies

Opening this book was like opening the door onto a surprise party. Everyone I've ever wanted to meet was in there, including myself.

The Routledge Companion to Popular Music History and Heritage Sarah Baker, Catherine Strong, Lauren Istvandy, Zelmarie Cantillon, 2018-05-16

The Routledge Companion to Popular Music History and Heritage examines the social, cultural, political, and economic value of popular music as history and heritage. Taking a cross-disciplinary approach, the volume explores the relationship between popular music and the past and how interpretations of the changing nature of the past in post-industrial societies play out in the field of popular music. In-depth chapters cover key themes around historiography, heritage, memory, and institutions alongside case studies from around the world, including the UK, Australia, South Africa, and India, exploring popular music's connection to culture both past and present. Wide-ranging in scope, the book is an excellent introduction for students and scholars working in musicology, ethnomusicology, popular music studies, critical heritage studies, cultural studies, memory studies, and other related fields.

Musicological Identities Jacqueline Warwick, 2017-07-05

No music scholar has made as profound an impact on contemporary thought as Susan McClary, a central figure in what has been termed the new musicology. In this volume, seventeen distinguished scholars pay tribute to her work with essays addressing three approaches to music that have characterized her own writings: reassessing music's role in identity formation, particularly regarding gender, sexuality, and race; exploring music's capacity to define and regulate perceptions and experiences of time; and advancing new modes of analysis more appropriate to those aspects and modes of musicking ignored by traditional methods. Contributors include, in overlapping categories, many fellow pioneers, current colleagues, and former students, and their essays like McClary's own work address a wide range of repertoires ranging from the established canon to a variety of popular genres. The collection represents the generational arrival of the new musicology into full maturity, dividing fairly evenly between pre-eminent scholars of music and a group of younger scholars who have already made their mark in significant ways. But the collection is also, and fundamentally, interdisciplinary in nature, in active conversation with such fields as history, anthropology, philosophy, aesthetics, media studies, film studies, dramatic criticism, women's studies, and cultural studies.

Oh Boy! Freya Jarman-Ivens, 2013-09-27

From Muddy Waters to Mick Jagger, Elvis to Freddie Mercury, Jeff Buckley to Justin Timberlake, masculinity in popular music has been an issue explored by performers, critics, and audiences. From the dominance of the blues singer over his woman to the sensitive singer-songwriter, popular music artists have adopted various

gendered personae in a search for new forms of expression Sometimes these roles shift as the singer ages attitudes change or new challenges on the pop scene arise other times the persona hardens into a shell like mask that the performer struggles to escape Oh Boy Masculinities and Popular Music is the first serious study of how forms of masculinity are negotiated constructed represented and addressed across a range of popular music texts and practices Written by a group of internationally recognized popular music scholars including Sheila Whiteley Richard Middleton and Judith Halberstam these essays study the concept of masculinity in performance and appearance and how both male and female artists have engaged with notions of masculinity in popular music

Dark Side of the Tune: Popular Music and Violence Professor Bruce Johnson, Professor Martin Cloonan, 2013-01-28 Written against the academically dominant but simplistic romanticization of popular music as a positive force this book focuses on the dark side of the subject It is a pioneering examination of the ways in which popular music has been deployed in association with violence ranging from what appears to be an incidental relationship to one in which music is explicitly applied as an instrument of violence A preliminary overview of the physiological and cognitive foundations of sounding hearing which are distinctive within the sensorium discloses in particular their potential for organic and psychic violence The study then elaborates working definitions of key terms including the vexed idea of the popular for the purposes of this investigation and provides a historical survey of examples of the nexus between music and violence from pre Biblical times to the late nineteenth century The second half of the book concentrates on the modern era marked in this case by the emergence of technologies by which music can be electronically augmented generated and disseminated beginning with the advent of sound recording from the 1870s and proceeding to audio internet and other contemporary audio technologies Johnson and Cloonan argue that these technologies have transformed the potential of music to mediate cultural confrontations from the local to the global particularly through violence The authors present a taxonomy of case histories in the connection between popular music and violence through increasingly intense forms of that relationship culminating in the topical examples of music and torture including those in Bosnia Darfur and by US forces in Iraq and Guantamo Bay This however is not simply a succession of data but an argumentative synthesis Thus the final section debates the implications of this nexus both for popular music studies itself and also in cultural policy and regulation the ethics of citizenship and arguments about human rights

Parody in the Age of Remix Ragnhild Brøvig, 2023-06-27 The art of mashup music its roots in parody and its social and legal implications Parody needn't recognize copyright but does an algorithm recognize parody The ever increasing popularity of remix culture and mashup music where parody is invariably at play presents a conundrum for internet platforms with their extensive automatic algorithmic policing of content Taking a wide ranging look at mashup music the creative and technical considerations that go into making it the experience of play humor enlightenment and beauty it affords and the social and legal issues it presents Parody in the Age of Remix offers a pointed critique of how society balances the act of regulating art with the act of preserving it In several

jurisdictions national and international parody is exempted from copyright laws Ragnhild Brøvig contends that mashups should be understood as a form of parody and thus be protected from removal from hosting platforms Nonetheless current copyright related content moderation regimes relying on algorithmic detection and automated decision making frequently eliminate what might otherwise be deemed gray area content to the detriment of human listeners and especially artists Given the inaccuracy of takedowns Parody in the Age of Remix makes a persuasive argument in favor of greater protection for remix creativity in the future but it also suggests that the content moderation challenges facing mashup producers and other remixers are symptomatic of larger societal issues

Digital Signatures Ragnhild Brøvig, Anne Danielsen, 2023-10-31 How sonically distinctive digital signatures including reverb glitches and autotuning affect the aesthetics of popular music analyzed in works by Prince Lady Gaga and others Is digital production killing the soul of music Is Auto Tune the nadir of creative expression Digital technology has changed not only how music is produced distributed and consumed but also equally important but not often considered how music sounds In this book Ragnhild Brøvig and Anne Danielsen examine the impact of digitization on the aesthetics of popular music They investigate sonically distinctive digital signatures musical moments when the use of digital technology is revealed to the listener The particular signatures of digital mediation they examine include digital reverb and delay MIDI and sampling digital silence the virtual cut and paste tool digital glitches microrhythmic manipulation and autotuning all of which they analyze in specific works by popular artists Combining technical and historical knowledge of music production with musical analyses aesthetic interpretations and theoretical discussions Brøvig and Danielsen offer unique insights into how digitization has changed the sound of popular music and the listener's experience of it For example they show how digital reverb and delay have allowed experimentation with spatiality by analyzing Kate Bush's Get Out of My House they examine the contrast between digital silence and the low tech noises of tape hiss or vinyl crackle in Portishead's Stranger and they describe the development of Auto Tune at first a tool for pitch correction into an artistic effect citing work by various hip hop artists Bon Iver and Lady Gaga

Cultural Seeds: Essays on the Work of Nick Cave Tanya Dalziel, 2016-05-13 Nick Cave is now widely recognized as a songwriter musician novelist screenwriter curator critic actor and performer From the band The Boys Next Door 1976-1980 to the spoken word recording The Secret Life of the Love Song 1998 to the recently acclaimed screenplay of The Proposition 2005 and the Grinderman project 2008 Cave's career spans thirty years and has produced a comprehensive and sometimes controversial body of work that has shaped contemporary alternative culture Despite intense media interest in Cave there have been remarkably few comprehensive appraisals of his work its significance and its impact on understandings of popular culture In addressing this absence the present volume is both timely and necessary Cultural Seeds brings together an international range of scholars and practitioners each of whom is uniquely placed to comment on an aspect of Cave's career The essays collected here not only generate new ways of seeing and understanding Cave's contributions to contemporary culture but set up a dialogue

between fields all too often separated in the academy and in the media Topics include Cave and the Presley myth the aberrant masculinity projected by The Birthday Party the postcolonial Australian ness of his humour his interventions in film and his erotics of the sacred These essays offer compelling insights and provocative arguments about the fluidity of contemporary artistic practice Understanding Popular Music Culture Roy Shuker, 2012-11-12 Written specifically for students this introductory textbook explores the history and meaning of rock and popular music Roy Shuker s study provides an accessible and comprehensive introduction to the production distribution consumption and meaning of popular music and examines the difficulties and debates which surround the analysis of popular culture and popular music This heavily revised and updated third edition includes new case studies on the iPod downloading and copyright the impact of technologies including on line delivery and the debates over MP3 and Napster new chapters on music genres cover songs and the album canon as well as music retail radio and the charts case studies and lyrics of artists such as Robert Johnson The Who Fat Boy Slim and The Spice Girls a comprehensive discography suggestions for further reading listening and viewing and a directory of useful websites With chapter related guides to further reading listening and viewing a glossary and a timeline this textbook is the ideal introduction for students

Whispering the Secrets of Language: An Psychological Journey through **Settling The Pop Score Pop Texts And Identity In Politics**

In a digitally-driven world where displays reign supreme and quick conversation drowns out the subtleties of language, the profound secrets and mental nuances concealed within phrases usually go unheard. However, located within the pages of **Settling The Pop Score Pop Texts And Identity In Politics** a fascinating literary treasure blinking with raw thoughts, lies an exceptional journey waiting to be undertaken. Written by an experienced wordsmith, this charming opus attracts viewers on an introspective trip, gently unraveling the veiled truths and profound influence resonating within the fabric of each and every word. Within the psychological depths with this poignant evaluation, we can embark upon a genuine exploration of the book is key subjects, dissect its fascinating writing style, and succumb to the effective resonance it evokes deep within the recesses of readers hearts.

Settling The Pop Score Pop Texts And Identity In Politics Introduction

In today's digital age, the availability of Settling The Pop Score Pop Texts And Identity In Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Settling The Pop Score Pop Texts And Identity In Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Settling The Pop Score Pop Texts And Identity In Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Settling The Pop Score Pop Texts And Identity In Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Settling The Pop Score Pop Texts And Identity In Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Settling The Pop Score Pop Texts And Identity In Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be

freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Settling The Pop Score Pop Texts And Identity In Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Settling The Pop Score Pop Texts And Identity In Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Settling The Pop Score Pop Texts And Identity In Politics books and manuals for download and embark on your journey of knowledge?

FAQs About Settling The Pop Score Pop Texts And Identity In Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
