shares her intimate thoughts along side old new and developing beliefs and theories about the society she lives in and the world we are all apart of While the author does not hold all these ideas as true anymore she wanted to map out and explore how growth is a creative process that does not mean we are becoming someone different rather that we are learning more about the essence we were always meant to grow into In this book she uses various types of written form to understand her own identity as it relates to her own stories and her expanding understanding of the world This anthology combines identity and interpretation in a way that helps us discover the stories in Adisa Farrar s mind The free flowing nature of the book allows each piece to be new and of it s own but add to a larger story of the world as seen through the eyes of a young adult who s passion is endless and boundless

Every Day Is Extra John Kerry,2019-11-12 An instant New York Times bestseller John Kerry s revealing memoir offers a detailed record of an important life frank thoughtful and clearly written A bittersweet reminder of what the country once demanded of its leaders The New York Times Book Review Every Day Is Extra is John Kerry s candid personal story A Yale graduate Kerry enlisted in the US Navy in 1966 and served in Vietnam He returned home highly decorated but disillusioned and he testified powerfully before Congress as a young veteran opposed to the war Kerry was elected to the Senate in 1984 eventually serving five terms In 2004 he was the Democratic presidential nominee and came within one state Ohio of winning He succeeded Hillary Clinton as Secretary of State in 2013 In that position he tried to find peace in the Middle East dealt with the Syrian civil war while combatting ISIS and negotiated the Iran nuclear deal and the Paris climate agreement In these pages Kerry shows remarkable honesty depth even spirituality There is remarkable poignancy not the usual currency of the career politician and the country s top diplomat The Boston Globe A witness to some of the most important events of our recent history Kerry tells wonderful stories about colleagues Ted Kennedy and John McCain as well as President Obama and other major figures He writes movingly of recovering his faith while in the Senate and how he deplores the hyper partisanship that has infected Washington Every Day Is Extra draws back the curtain on a life you thought you knew but turns out to be a bit different A surprisingly personal book The Washington Post that shows Kerry for the dedicated witty and authentic man that he is and provides forceful testimony for the importance of diplomacy and American leadership to address the increasingly complex challenges of a more globalized world
