Paul Stevens, 2021-10-07

These days people talk about their schedules filling up 24 7 twenty four hours a day seven days a week We wear busyness like a merit badge as if the more we do the better we become But R Paul Stevens says this is not biblical Nor is it helpful For Christians life isn t about checking off to do lists It s about connecting with God and infiltrating thoughtful biblical faith into our everyday lives Sometimes that means activity but sometimes not Everyday spirituality the subject of the book embraces purposeful times of work relationships and rest centered on God instead of personal or cultural expectations But how can you do it It's not easy exiting the fast track to practice a slowed down yet down to earth holiness Stevens understands this and offers practical insights to developing a subversive spirituality a meaningful faith that seeps into your work family sexuality friendships outreach aloneness and leisure and fills you with joy But most importantly it motivates you to lovingly abide with God seven days a week Matthew the Poor an Eastern monk in Egypt once said that life is but one single way that leads to the kingdom of God The Alaskan has Seven Days Steven F F. Verzal, 2019-12-04 Sam also known as The Alaskan was a homicide detective way way up north Because it was a small department and there were very few homicides he decided to retire after twenty years and moved to a bigger department bigger city with more homicides He got the reputation of solving the hard ones Sam with his quirky partner Ed have now been given a homicide case to investigate Sam knows he will be retiring from his second law enforcement career in a week The Alaskan has seven days to investigate the case and it s a tough one Each day is full of adventure folly and new discoveries Can Sam and Ed solve this case in only seven days The Complete Guide to a Good Night's Sleep Carmel Harrington, 2014-05-01 Between 20 30% of the population experience problems with either falling asleep or staying asleep. The reasons are many and varied from anxiety to sleep apnoea or poor sleep hygiene such as the overuse of technology or too many wines before bed Short term effects of too little sleep include changes in mood we feel tired cranky depressed unmotivated indecisive and unable to process information We ll be disinclined to exercise Our appetite hormones become irregular so we experience a strong desire to eat all the wrong types of food chocolate chips and hamburgers People suffering from chronic insomnia are far more likely to develop depression certain types of cancer cardiovascular diseases such as high blood pressure and heart disease metabolic diseases such as type II diabetes and obesity and to top off an already grim picture are more likely to die younger Dr Carmel Harrington knows that sleep solutions are not a one size fits all Sleep is highly individual and there are many reasons why you may not be sleeping well In this definitive guide she examines the process of sleep the particular reasons why you are having trouble sleeping well the behaviour patterns that hinder your restful sleep and helps you to uncover ways to achieve deep restful The Women's Guide to Overcoming Insomnia: Get a Good Night's Sleep Without sleep on a permanent basis **Relying on Medication** Shelby Harris, 2019-07-02 For every woman who does it all except get a good night's sleep More than 60 percent of American women have trouble sleeping which isn t surprising as they have a higher risk of developing sleeping problems But addressing this issue is more nuanced for women than for men pregnancy and menopause are just two

factors that add complexity to an already difficult problem At the risk of jeopardizing work parenting relationships or overall health no woman can afford to deal with sleep deprivation on her own The Women's Guide to Overcoming Insomnia is a roadmap for those who experience anything from occasional bad nights to chronic insomnia It outlines several methods to overcome these issues and improve physical and emotional well being From medical sleep aids to nonmedical approaches the book looks beyond the basics of sleep hygiene helping women to retrain their bodies and minds for a good night's sleep every Overcoming the Fear of Fear Margo C. Watt, Sherry H. entrepreneurs in the sector and in depth case studies examining the most successful economy hotel companies in China Huang and Sun argue that the rapid development of budget hotels in China demonstrates how under the influence of globalisation Chinese businesses have become more innovative as they apply successful western business models to China In turn they show that the China model is fundamentally different in terms of its driving force which lies purely in its domestic travel market fuelled by China s continued economic growth There is therefore much to explore about both China s market situation and business practices in the economy hotel sector and this book makes an important contribution to our understanding of China s new business environment Based on extensive fieldwork and investigation Economy Hotels in China will be welcomed by students and scholars of tourism hospitality business studies and Chinese studies but it will also appeal to practitioners of business management in these sectors who are interested in China s development and business opportunities in China
